SUPPLEMENTARY INFORMATION: The NPR titled “Business Combinations under the Bank Merger Act” was published in the **Federal Register** on February 14, 2024, (89 FR 10010). In that NPR, the OCC proposed to increase the transparency of the standards that apply to the agency’s review of business combinations involving national banks and Federal savings associations. In particular, the proposed rule would amend the procedures and would add, as an appendix, a policy statement that summarizes the principles the OCC uses when it reviews proposed bank merger transactions under the Bank Merger Act. The NPR provided for a 60-day comment period, which would have closed on April 15, 2024. The OCC has received a request to extend the comment period. The OCC has determined that an extension of the comment period to June 15, 2024, is appropriate. An extension of the comment period will provide additional opportunity for interested persons to consider the proposal and prepare comments. Therefore, the OCC is extending the end of the comment period for the proposal from April 15, 2024, to June 15, 2024.

Michael J. Hsu,

Acting Comptroller of the Currency.
