

III. Disclaimer on Statistical Uses

It should be noted that publication of these figures is only for the purpose of meeting the requirements specified by WIOA as defined in the law and regulations. BLS has not revised the lower living family budget since 1981, and has no plans to do so. The four-person urban family budget estimates series were terminated by BLS in 1982. The CPI-U adjustments used to update LLSIL for this publication are not precisely comparable, most notably because certain tax items were included in the 1981 LLSIL, but are not in the CPI-U. Thus, these figures should not be used for any statistical purposes, and are valid only for those purposes under WIOA as defined in the law and regulations.

SUPPLEMENTARY INFORMATION: This information collection includes data validation for the Senior Community Service Employment Program (SCSEP), and a streamlined quarterly narrative report template to support the (1) reporting, (2) recordkeeping, and (3) program evaluation requirements for the following grant programs: National Dislocated Worker Grants (DWG), H–1B grant programs (started July 1, 2016 or later), National Farmworker Jobs Program (NFJP), Reentry Employment Opportunities (REO) youth and adult grant programs, SCSEP, and YouthBuild (YB). This information collection does not increase the burden on grantees. SCSEP data validation assesses the accuracy of data collected and reported to ETA on program activities and outcomes. The accuracy and reliability of program reports submitted by states and grantees using federal funds are fundamental elements of good public administration and are necessary tools for maintaining and demonstrating system integrity. The data validation requirement for employment and training programs strengthens the workforce system by ensuring that accurate and reliable information on program activities and outcomes is available. The WIOA Joint Quarterly Narrative Performance Report provides a detailed account of program activities, accomplishments, and progress toward performance outcomes during the quarter. It also provides information on grant challenges and timeline progress, as well as the opportunity to share success stories.
