The estimated cost of the Work is about \$15 million. PPG will also reimburse the United States \$2,883,120 and NJDEP \$116,880 for past costs relating to the Site and will pay the United States and NJDEP for future response costs they incur relating to the Work. In return, the United States agrees not to sue or take administrative action under sections 106 and 107 of CERCLA against PPG for the Work, EPA past costs relating to the Site, and future response costs EPA will incur relating to the Work.
