⁵ The Exchange notes that its affiliate, MIAX Emerald, LLC (“MIAX Emerald”), submitted the first filing to adopt the Liquidity Taker Event Report—Simple Orders, pursuant to Section 19(b)(2) of the Act. 15 U.S.C. 78s(b)(2). See Securities Exchange Act Release Nos. 91356 (March 18, 2021), 86 FR 15759 (March 24, 2021) (SR–EMERALD–2021–09) (Notice of Filing of a Proposed Rule Change To Adopt Exchange Rule 531, Reports, To Provide for the New “Liquidity Taker Event Report”); and 91787 (May 6, 2021), 86 FR 26111 (May 12, 2021) (SR–EMERALD–2021–09) (Order Approving Proposed Rule Change To Adopt Exchange Rule 531(a), Reports, To Provide for a New “Liquidity Taker Event Report”).

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to: (1) make a non-substantive, clarifying change to a footnote in prior rule filings submitted to the Commission for immediate effectiveness pursuant to Section 19(b)(3)(A) of the Act ⁶ and Rule 19b–4(f)(6) ⁷ thereunder to adopt the Liquidity Taker Event Report and Liquidity Taker Event Report—Resting Simple Orders; and (2) make a non-substantive clarifying change to Exchange Rule 531, Reports and Market Data Products.

The Exchange offers two versions of the Liquidity Taker Event Report: (1) Liquidity Taker Event Report (referred to herein as the “Simple Order Report”); and (2) Liquidity Taker Event Report—Resting Simple Orders (referred to herein as the “Resting Simple Order Report”).⁸ Each of the Reports are available for purchase by Exchange Members⁹ on a voluntary basis. The Exchange's prior rule filings to adopt each Liquidity Taker Event Report were submitted to the Commission for immediate effectiveness pursuant to Section 19(b)(3)(A) of the Act ¹⁰ and Rule 19b–4(f)(6) thereunder.¹¹ Each Liquidity Taker Event Report is described under Exchange Rules 531(a) and (c).¹²

In general, each Liquidity Taker Event Report is a daily report that provides a Member (“Recipient Member”) with its liquidity response time details for executions and contra-side responses of

⁷ 17 CFR 240.19b–4(f)(6).

⁸ The Simple Order Report and Resting Simple Order Report are collectively referred to herein as the “Reports.”

⁹ The term “Member” means an individual or organization that is registered with the Exchange pursuant to Chapter II of the Exchange's Rules for purposes of trading on the Exchange as an “Electronic Exchange Member” or “Market Maker.” Members are deemed “members” under the Exchange Act. See Exchange Rule 100.

an order resting on the Book,¹³ where that Recipient Member attempted to execute against such resting order¹⁴ within a certain timeframe.¹⁵ The content of each of the Reports is specific to the Recipient Member and each Liquidity Taker Event Report does not include any information related to any Member other than the Recipient Member.

Proposal To Amend a Footnote in Each of the Filings To Adopt the Reports (SR–PEARL–2021–25 and SR–PEARL–2023–01)

The Exchange proposes to make a clarifying change to one of the footnotes in each of the filings to adopt each Liquidity Taker Event Report. Each of the filings to adopt each Liquidity Taker Event Report contains a section that describes information in each report that corresponds to the Recipient Member. Each of the prior filings states that the “following information would be included in the [Simple Order Report or Resting Simple Order Report] regarding response(s) sent by the Recipient Member: (A) Recipient Member identifier; (B) the time difference between the time the first response that executes against the resting order was received by the Exchange and the time of each response sent by the Recipient Member, regardless of whether it executed or not; (C) size and type of each response submitted by Recipient Member; and (D) response reference number, which is a unique reference number attached to the response by the Recipient Member.¹⁶ Further, each of the filings includes a footnote at the end of romanette “(B)” in the paragraph described above, which states as follows:

For purposes of calculating this duration of time, the Exchange will use the time the resting order and the Recipient Member’s response(s) is received by the Exchange’s network, both of which would be before the order and response(s) would be received by the System. This time difference would be provided in nanoseconds.¹⁷

The Exchange proposes to clarify the above footnote. Specifically, the Exchange proposes to replace “the

resting order” with “the first response that executes against the resting order.” Accordingly, with the proposed change, the referenced footnotes in each of the filings to adopt the Reports would read as follows:

For purposes of calculating this duration of time, the Exchange will use the time the first response that executes against the resting order and the Recipient Member’s response(s) is received by the Exchange’s network, both of which would be before the order and response(s) would be received by the System. This time difference would be provided in nanoseconds.

The purpose of the proposed change is to correct a non-substantive error in a footnote of each rule filing to adopt the Reports. The Exchange notes that the rule text in Exchange Rule 531 that describes each of the Reports was correctly adopted and does not require any change; only the footnote described above needs to be clarified. This change does not impact or alter the information provided to any Recipient Member.

Cleanup to Exchange Rule 531(c)

The Exchange proposes to make a non-substantive clarifying change to Exchange Rule 531, Reports and Market Data Products. Currently, Exchange Rule 531(c) provides the rule text for the Resting Simple Order Report. In particular, Exchange Rule 531(c) provides that “[t]he Liquidity Taker Event Report-Resting Simple Orders is a daily report that provides a Member (‘Recipient Member’) with its liquidity response time details for executions against an order resting on the Simple Order Book, where that Recipient Member attempted to execute against such resting order within the timeframe specified under paragraph (2) below.” The Exchange proposes to delete the words “Simple Order” when referring to the Book. The purpose of this proposed change is to provide consistency and clarity within the Rulebook as the defined term, the “Book,” refers to the Exchange’s electronic book of buy and sell orders and quotes maintained by the System.¹⁸

2. Statutory Basis

The Exchange believes that the proposed rule change is consistent with Section 6(b) of the Act,¹⁹ in general, and furthers the objectives of Section 6(b)(5),²⁰ in particular, because it is designed to prevent fraudulent and manipulative acts and practices, promote just and equitable principles of trade, foster cooperation and coordination with persons engaged in

regulating, clearing, settling, processing information with respect to, and facilitating transactions in securities, remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general, protect investors and the public interest.

The Exchange believes that the proposed change to each of the footnotes described above for each Liquidity Taker Event Report protects investors and the public interest, as well as removes impediments to and perfects the mechanism of a free and open market and a national market system because the change is designed solely to correct non-substantive errors in prior filings, and none which have any impact on the Exchange’s actual rule text for each of the Reports. This proposed change does not impact or alter the operation of Exchange Rule 531 regarding the Reports.

Similarly, the Exchange believes that the proposed change to delete the words “Simple Order” when referring to the Book in Exchange Rule 531(c) removes impediments to and perfects the mechanism of a free and open market and a national market system because the change is designed to provide consistency and clarity within the Rulebook as the defined term, the “Book,” refers to the Exchange’s electronic book of buy and sell orders and quotes maintained by the System. This proposed change does not impact or alter the operation of Exchange Rule 531(c).

B. Self-Regulatory Organization’s Statement on Burden on Competition

The Exchange does not believe that the proposed rule changes will impose any burden on competition not necessary or appropriate in furtherance of the purposes of the Act, as amended.

The non-substantive corrections to the footnotes in prior filings to adopt each Liquidity Taker Event Report would not impact competition because such changes would not enhance or alter the Exchange’s ability to compete, but rather, clarify a prior error which would reduce the potential for inadvertent investor confusion. Similarly, the proposed change to delete the words “Simple Order” when referring to the Book in Exchange Rule 531(c) would not impact competition because such change would not enhance or alter the Exchange’s ability to compete, but rather, provide consistency and clarity within the Rulebook.

¹³ The “Book” is the Exchange’s electronic book of buy and sell orders and quotes maintained by the System. See Exchange Rule 100.

¹⁴ Only displayed orders are included in the Reports. The Exchange notes that it does not currently offer any non-displayed orders on its options trading platform.

¹⁵ A complete description of each of the Reports can be found in the prior rule filings to adopt the Reports. See *supra* note 12.

¹⁶ See *supra* note 12. For the Simple Order Report, see Exchange Rule 531(a)(1)(iii); for the Resting Simple Order Report, see Exchange Rule 531(c)(1)(iii).

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

Written comments were neither solicited nor received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change does not: (i) significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate, it has become effective pursuant to Section 19(b)(3)(A) of the Act²¹ and Rule 19b-4(f)(6) thereunder.²²

A proposed rule change filed pursuant to Rule 19b-4(f)(6) under the Act²³ normally does not become operative for 30 days after the date of its filing. However, Rule 19b-4(f)(6)(iii)²⁴ permits the Commission to designate a shorter time if such action is consistent with the protection of investors and the public interest. The Exchange has requested that the Commission waive the 30-day operative delay so that the proposal may become operative immediately upon filing. The Exchange stated that the proposed changes to the footnotes in the filings to adopt each of the Reports would correct non-substantive errors in prior filings. The Exchange also stated that the proposed non-substantive, clarifying change to Exchange Rule 531 deleting the words "Simple Order" when referring to the Book would provide consistency and clarity within the Rulebook. For these reasons, and because the proposal raises no novel legal or regulatory issues, the Commission believes that waiver of the 30-day operative delay is consistent with the protection of investors and the public interest. Accordingly, the Commission hereby waives the 30-day operative delay and designates the proposed rule change operative upon filing.²⁵

²¹ 15 U.S.C. 78s(b)(3)(A).

²² 17 CFR 240.19b-4(f)(6). In addition, Rule 19b-4(f)(6)(iii) requires a self-regulatory organization to give the Commission written notice of its intent to file the proposed rule change, along with a brief description and text of the proposed rule change, at least five business days prior to the date of filing of the proposed rule change, or such shorter time as designated by the Commission. The Exchange has satisfied this requirement.

²³ 15 U.S.C. 78s(b)(3)(A).

²⁴ 17 CFR 240.19b-4(f)(6)(iii).

²⁵ For purposes only of waiving the 30-day operative delay, the Commission has also considered the proposed rule's impact on

At any time within 60 days of the filing of such proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule should be approved or disapproved.
