Current actions: On December 5, 2023, the Board published a notice in the **Federal Register** (88 FR 84328) requesting public comment for 60 days on the extension, with revision, of the FR WW. The Board proposed to revise the FR WW to account for three recordkeeping requirements in Regulation WW, contained in section 249.4(a) and sections 249.22(a)(1) and (a)(4), which had not been previously cleared by the Board under the PRA. In addition, the Board revised the estimated hours per response for several requirements which lead to a net decrease in the total burden hours. The comment period for this notice expired on February 5, 2024. The Board did not receive any comments. The revisions will be implemented as proposed.

Notice of Intent To Establish a Federal Advisory Committee and Call for Nominations

AGENCY: Office of Government-wide Policy, General Services Administration (GSA).

ACTION: Notice.

SUMMARY: The General Services Administration (GSA) announces its intent to establish the Open Government Federal Advisory Committee (hereinafter “the Committee” or “the OG FAC”) and is requesting member nominations.

DATES: GSA will consider nominations that are submitted via email or postmarked by May 28, 2024.

ADDRESSES: Please submit nominations to Arthur Brunson, Designated Federal

Officer (DFO), General Services Administration, Office of Government-wide Policy, 1800 F Street, NW Washington, DC 20405; or send by email having a subject line of “OG FAC Nomination” to ogfac@gsa.gov.

FOR FURTHER INFORMATION CONTACT: Arthur Brunson, DFO, Office of Government-wide Policy, 202-501-1126, or email having a subject line of “OG FAC Nomination”: ogfac@gsa.gov

SUPPLEMENTARY INFORMATION: The Administrator of the U.S. General Services Administration (GSA) intends to establish the Open Government Federal Advisory Committee (OG FAC) as a discretionary advisory committee under agency authority in accordance with the provisions of the Federal Advisory Committee Act (FACA), as amended, 5 U.S.C. 10.

GSA’s Open Government Secretariat supports ensuring a more transparent, responsive and inclusive Federal Government. This is done by providing channels for members of the public to regularly engage with their government. The OG FAC will advise GSA in its endeavor to increase the public’s access to data, to better advance equity, engage the public in the regulatory process, make government records more accessible, and improve the delivery of government services and benefits through expert advice.

The OG FAC will serve as an advisory body to GSA on GSA Open Government initiatives including GSA’s creation, implementation and monitoring of U.S. Open Government National Action Plans (NAPs) and commitment themes. The initial focus for the OG FAC will be to provide advice to GSA on the development of NAP 6, Open Government Policy, and Public Engagement. The OG FAC will advise GSA’s Administrator on emerging open government issues, challenges and opportunities to support GSA’s Open Government Secretariat.

The OG FAC is essential to conduct agency business for GSA and bring together civil society, Federal agencies, academia, industry, and other interested stakeholders. GSA needs a wide diversity of views on Open Government initiatives.

It is anticipated that the OG FAC will be comprised of no less than ten (10) and no more than twenty (20) Federal and non-Federal members, with a strong background and expertise in open government themes such as Access to Information, Anti-Corruption, Civic Space, Climate and Environment, Digital Governance, Fiscal Openness, Gender and Inclusion, Justice, Media Freedom, Public Participation, and

improving the delivery of government services and benefits. The GSA Administrator will appoint all members. Members serve one (1) to three (3) year terms. No member will serve for more than six (6) consistent years. Membership balance is not static given the broad nature of the work, and the expertise or experience relevant to the function of this Committee may change over time, depending on the work of the Committee. GSA values opportunities to increase diversity, equity, inclusion and accessibility on its federal advisory committees.

Committee

The OG FAC will operate in accordance with the provisions of the Federal Advisory Committee Act (FACA), as amended, (5 U.S.C. 10). The OG FAC will be solely advisory in nature. Consistent with FACA and its requirements, each meeting of the OG FAC will be open to the public unless otherwise notified in accordance with the Government in the Sunshine Act. A notice of each meeting will be published in the **Federal Register** at least fifteen (15) days in advance of the meeting. Records will be maintained for each meeting and made available for public inspection. All activities of the OG FAC will be conducted in an open, transparent, and accessible manner.

The OG FAC is expected to be a continuing entity with charter renewals every two years. The first meeting date and agenda topics will be announced in the **Federal Register** at least fifteen (15) days prior to the first meeting date. In addition, as needed, working groups or subcommittees will be established to facilitate the OG FAC’s work. Special accommodations for meetings will be made available to individuals with disabilities upon request.

Members will be designated as Regular Government Employees (RGEs), Special Government Employees (SGEs), or Representative members as appropriate. GSA’s Office of General Counsel will assist the DFO to determine the advisory committee member designations. In general, SGEs are experts in their field who provide Federal advisory committees with their own best independent judgment based on their individual expertise. Representatives are members selected to represent a specific point of view held by a particular group, organization, or association. Members who are full-time or permanent part-time Federal civilian officers or employees shall be appointed to serve as Regular Government Employee (RGE) members.

In accordance with OMB Final Guidance published in the **Federal**
