The Indian Education Formula Grant (Assistance Listing Number 84.060A), is neither competitive nor discretionary and requires the annual submission of the application from either a local education agency, tribe, Indian organization, or Indian community-based organization. The Office of Indian Education (OIE) of The Department of Education (ED) collects annual performance data within the same system that collects the annual application. The application and the annual performance report are both housed in the OMB *MAX/Connect.gov* Survey. Clearance was granted for the Electronic Application System for Indian Education (EASIE) Annual Performance Report (EASIE Part III) in a revised information collection by OIE.
