

Vice President at Pennsylvania State University, will provide a classified briefing on semiconductor manufacturing. Next, DSB Members will deliberate and vote on the DSB Task Force to Advise Implementation and Prioritization of National Security Innovation Activities executive summary; the DSB Task Force on Digital Engineering Capability to Automate Testing and Evaluation report/executive summary; and the DSB 2024 Summer Study on Climate Change and Global Security report/executive summary. Following break, Dr. William LaPlante, Under Secretary for Acquisition and Sustainment (A&S), will provide a classified briefing on his views of current A&S strategy, challenges, and priorities. Finally, DSB members will have a classified plenary discussion regarding briefer remarks and ongoing studies. The meeting will adjourn at 3:30 p.m.

Meeting Accessibility: In accordance with 5 U.S.C. 1009(d) and 41 CFR 102–3.155, the DoD has determined that the DSB meeting will be closed to the public. Specifically, the USD(R&E), in consultation with the DoD Office of the General Counsel, has determined in writing that the meeting will be closed to the public because it will consider matters covered by 5 U.S.C. 552b(c)(1). The determination is based on the consideration that it is expected that discussions throughout will involve classified matters of national security concern. Such classified material is so intertwined with the unclassified material that it cannot reasonably be segregated into separate discussions without defeating the effectiveness and meaning of the overall meetings. To permit the meeting to be open to the public would preclude discussion of such matters and would greatly diminish the ultimate utility of the DSB's findings and recommendations to the Secretary of Defense and to the USD(R&E).

Written Statements: In accordance with 5 U.S.C. 1009(a)(3) and 41 CFR 102–3.105(j) and 102–3.140, interested persons may submit a written statement for consideration by the DSB at any time regarding its mission or in response to the stated agenda of a planned meeting. Individuals submitting a written statement must submit their statement to the DSB DFO at the email address provided in the **FOR FURTHER INFORMATION CONTACT** section at any point; however, if a written statement is not received at least three calendar days prior to the meeting, which is the subject of this notice, then it may not be provided to or considered by the DSB until a later date.
