Title: Employment Questionnaire (VA Form 21-4140).

OMB Control Number: 2900-0079.

Type of Review: Revision of a currently approved collection.

Abstract: VA Forms 21-4140 is used to gather the necessary information to determine continued entitlement to individual unemployability. 38 CFR 3.652 provides that recipients are required to certify, when requested, that the eligibility factors which established entitlement to the benefit being paid continue to exist. Individual unemployability is awarded based on a veteran's inability to be gainfully employed due to service-connected disabilities, and entitlement may be terminated if a veteran begins working. Without information about recipients' employment, VA would not be able to determine continued entitlement to individual unemployability, and overpayments would result. No changes have been made to this form. The respondent burden has increased due to the estimated number of receivables averaged over the past year.

Affected Public: Individual or households.

Estimated Annual Burden: 285 hours.

Estimated Average Burden per Respondent: 5 minutes.

Frequency of Response: One time.

Estimated Number of Respondents: 3,422 per year.

By direction of the Secretary.

Maribel Aponte,

VA PRA Clearance Officer, Office of Enterprise and Integration/Data Governance Analytics, Department of Veterans Affairs.
