#### Notice of Inventory Completion: Peabody Museum of Archaeology and Ethnology, Harvard University, Cambridge, MA

**AGENCY:** National Park Service, Interior.

**ACTION:** Notice.

**SUMMARY:** In accordance with the Native American Graves Protection and Repatriation Act (NAGPRA), the Peabody Museum of Archaeology and Ethnology, Harvard University (PMAE) has completed an inventory of human remains and has determined that there is a cultural affiliation between the human remains and Indian Tribes or Native Hawaiian organizations in this notice. The human remains were collected at the Fort Totten Indian School, Benson County, ND, the Flandreau Indian School, Moody County, SD, and Cass Lake Chippewa Agency, Cass County, MN.

**DATES:** Repatriation of the human remains in this notice may occur on or after May 31, 2024.

**ADDRESSES:** Jane Pickering, Peabody Museum of Archaeology and Ethnology, Harvard University, 11 Divinity Avenue, Cambridge, MA 02138, telephone (617) 496-2374, email [jpickering@fas.harvard.edu](mailto:jpickering@fas.harvard.edu).

**SUPPLEMENTARY INFORMATION:** This notice is published as part of the National Park Service's administrative responsibilities under NAGPRA. The determinations in this notice are the sole responsibility of the PMAE, and additional information on the determinations in this notice, including the results of consultation, can be found in the inventory or related records. The National Park Service is not responsible for the determinations in this notice.

#### Abstract of Information Available

Based on the information available, human remains representing, at minimum, 44 individuals were collected at the Fort Totten Indian School, Benson County, ND. The human remains are hair clippings collected from one individual who was recorded as being 24 years old, one individual who was recorded as being 18 years old, four individuals who were recorded as being 16 years old, one individual who was recorded as being 15 years old, three individuals who were recorded as being 14 years old, three individuals who were recorded as being 13 years old, 10 individuals who were recorded as being 12 years old, four individuals who were recorded as being 11 years old, six individuals who were recorded as being 10 years old, three individuals who were recorded as being 9 years old, four individuals who were recorded as being 8 years old, two individuals who were recorded as being 7 years old, and two individuals who were recorded as being 6 years old and identified as "Chippewa." Orrin C. Gray took the hair clippings at the Fort Totten Indian School between 1930 and 1933. Gray sent the hair clippings to George Woodbury, who donated the hair clippings to the PMAE in 1935. No associated funerary objects are present.

Human remains representing, at minimum, one individual was collected at the Flandreau Indian School, Moody County, SD. The human remains are hair clippings collected from one individual who was recorded as being 17 years old and identified as "Chippewa." George E. Peters took the hair clippings at the Flandreau Indian School between 1930 and 1933. Peters sent the hair clippings to George Woodbury, who donated the hair

clippings to the PMAE in 1935. No associated funerary objects are present.

Human remains representing, at minimum, one individual was collected at the Cass Lake Chippewa Agency, Cass County, MN. The human remains are hair clippings collected from one individual who was recorded as being 22 years old and identified as "Chippewa." M.L. Burns took the hair clippings at the Cass Lake Chippewa Agency between 1930 and 1933. Burns sent the hair clippings to George Woodbury, who donated the hair clippings to the PMAE in 1935. No associated funerary objects are present.

#### Cultural Affiliation

Based on the information available and the results of consultation, cultural affiliation is clearly identified by the information available about the human remains in this notice.

#### Determinations

The PMAE has determined that:

- The human remains described in this notice represent the physical remains of 46 individuals of Native American ancestry.

- There is a reasonable connection between the human remains described in this notice and the Little Shell Tribe of Chippewa Indians of Montana.

#### Requests for Repatriation

Written requests for repatriation of the human remains in this notice must be sent to the Responsible Official identified in **ADDRESSES**. Requests for repatriation may be submitted by:

1. Any one or more of the Indian Tribes or Native Hawaiian organizations identified in this notice.

2. Any lineal descendant, Indian Tribe, or Native Hawaiian organization not identified in this notice who shows, by a preponderance of the evidence, that the requestor is a lineal descendant or a culturally affiliated Indian Tribe or Native Hawaiian organization.

Repatriation of the human remains in this notice to a requestor may occur on or after May 31, 2024. If competing requests for repatriation are received, the PMAE must determine the most appropriate requestor prior to repatriation. Requests for joint repatriation of the human remains are considered a single request and not competing requests. The PMAE is responsible for sending a copy of this notice to the Indian Tribe identified in this notice.

*Authority:* Native American Graves Protection and Repatriation Act, 25 U.S.C. 3003, and the implementing regulations, 43 CFR 10.10.

#### Notice of Inventory Completion: William S. Webb Museum of Anthropology, University of Kentucky, Lexington, KY

**AGENCY:** National Park Service, Interior.

**ACTION:** Notice.

**SUMMARY:** In accordance with the Native American Graves Protection and Repatriation Act (NAGPRA), the William S. Webb Museum of Anthropology, University of Kentucky (WSWM) has completed an inventory of human remains and associated funerary objects and has determined that there is a cultural affiliation between the human remains and associated funerary objects and Indian Tribes or Native Hawaiian organizations in this notice.

**DATES:** Repatriation of the human remains and associated funerary objects in this notice may occur on or after May 31, 2024.

**ADDRESSES:** Celise Chilcote-Fricker, William S. Webb Museum of Anthropology, University of Kentucky, 1020 Export Street, Lexington, KY 40504, telephone (859) 257-5124, email [celise.fricker@uky.edu](mailto:celise.fricker@uky.edu).

**SUPPLEMENTARY INFORMATION:** This notice is published as part of the National Park Service's administrative responsibilities under NAGPRA. The determinations in this notice are the sole responsibility of the WSWM, and additional information on the determinations in this notice, including the results of consultation, can be found in the inventory or related records. The National Park Service is not responsible for the determinations in this notice.

#### Abstract of Information Available

Based on the information available, human remains representing, at least, 10 individuals have been reasonably identified. The 48 associated funerary objects are one lot ceramic sherds, one lot lithic, one lot faunal, one lot shell, one soil sample, 35 shell beads, one ceramic gorget, four shell gorgets, and three stone celts. These remains and funerary objects were removed from an unknown site in Perry County, KY, at an

unknown time and donated to the Bobby Davis Museum in Hazard, Kentucky. After the dissolution of the museum, the remains and associated artifacts were donated to the WSWM for the purpose of pursuing repatriation.

#### Cultural Affiliation

Based on the information available and the results of consultation, cultural affiliation is reasonably identified by the geographical location and acquisition history of the human remains and associated funerary objects described in this notice.

#### Determinations

The WSWM has determined that:

- The human remains described in this notice represent the physical remains of 10 individuals of Native American ancestry.
- The 48 objects described in this notice are reasonably believed to have been placed intentionally with or near individual human remains at the time of death or later as part of the death rite or ceremony.
- There is a reasonable connection between the human remains and associated funerary objects described in this notice and the Absentee-Shawnee Tribe of Indians of Oklahoma; Cherokee Nation; Eastern Band of Cherokee Indians; Eastern Shawnee Tribe of Oklahoma; Shawnee Tribe; and the United Keetoowah Band of Cherokee Indians in Oklahoma.

#### Requests for Repatriation

Written requests for repatriation of the human remains and associated funerary objects in this notice must be sent to the authorized representative identified in this notice under **ADDRESSES**. Requests for repatriation may be submitted by:

1. Any one or more of the Indian Tribes or Native Hawaiian organizations identified in this notice.
2. Any lineal descendant, Indian Tribe, or Native Hawaiian organization not identified in this notice who shows, by a preponderance of the evidence, that the requestor is a lineal descendant or a culturally affiliated Indian Tribe or Native Hawaiian organization.

Repatriation of the human remains and associated funerary objects in this notice to a requestor may occur on or after May 31, 2024. If competing requests for repatriation are received, the WSWM must determine the most appropriate requestor prior to repatriation. Requests for joint repatriation of the human remains and associated funerary objects are considered a single request and not competing requests. The WSWM is responsible for sending a copy of this

notice to the Indian Tribes and Native Hawaiian organizations identified in this notice.
