

change the entry of appearance status from “Active” to “Needs Amendment” for the annual inquiry service lists corresponding to the above-listed proceedings. This will allow those interested parties to make any necessary amendments and resubmit their entries of appearance. If no amendments need to be made, the interested party should indicate in the area on the ACCESS form requesting an explanation for the amendment that it is resubmitting its entry of appearance for inclusion in the annual inquiry service list for the following year. As mentioned in the *Final Rule*,<sup>15</sup> once the petitioners and foreign governments have submitted an entry of appearance for the first time, they will automatically be added to the updated annual inquiry service list each year.

Interested parties have 30 days after the date of this notice to submit new or amended entries of appearance. Commerce will then finalize the annual inquiry service lists five business days thereafter. For ease of administration, please note that Commerce requests that law firms with more than one attorney representing interested parties in a proceeding designate a lead attorney to be included on the annual inquiry service list.

Commerce may update an annual inquiry service list at any time as needed based on interested parties’ amendments to their entries of appearance to remove or otherwise modify their list of members and representatives, or to update contact information. Any changes or announcements pertaining to these procedures will be posted to the ACCESS website at <https://access.trade.gov>.

### Special Instructions for Petitioners and Foreign Governments

In the *Final Rule*, Commerce stated that, “after an initial request and placement on the annual inquiry service list, both petitioners and foreign governments will automatically be placed on the annual inquiry service list in the years that follow.”<sup>16</sup>

Accordingly, as stated above and pursuant to 19 CFR 351.225(n)(3), the petitioners and foreign governments will not need to resubmit their entries of appearance each year to continue to be included on the annual inquiry service list. However, the petitioners and foreign governments are responsible for making amendments to their entries of appearance during the annual update to the annual inquiry service list in

accordance with the procedures described above.

This notice is not required by statute but is published as a service to the international trading community.

In addition, Commerce is rescinding this review, in part, with respect to 28 companies. Interested parties are invited to comment on these preliminary results.

### Background

On April 21, 2020, Commerce published in the **Federal Register** the countervailing duty (CVD) order on wooden cabinets from China.<sup>1</sup> On June 12, 2023, Commerce published in the **Federal Register** the notice of initiation of an administrative review of the *Order*.<sup>2</sup> On August 16, 2023, Commerce

selected The Ancientree Cabinet Co., Ltd. (Ancientree) and Jiangsu Sunwell Cabinet Co. Ltd. (Sunwell) for individual examination as the mandatory respondents in this administrative review.<sup>3</sup> Between September 13 and October 25, 2023, multiple parties either withdrew their requests for review or did not respond to our initial questionnaire.<sup>4</sup> On November 13, 2023, we also selected Yixing Pengjia Cabinetry Co., Ltd. for individual examination as a mandatory respondent.<sup>5</sup> During the course of this proceeding, Yixing Pengjia Cabinetry Co., Ltd. explained that its name changed to Yixing Pengjia Technology Co., Ltd. (Pengjia). On December 4, 2023, we extended the deadline for the preliminary results of this administrative review until April 26, 2024.<sup>6</sup>

For a complete description of the events that followed the initiation of this review, see the Preliminary Decision Memorandum.<sup>7</sup> A list of topics discussed in the Preliminary Decision Memorandum is included as Appendix I to this notice. The Preliminary Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance’s Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ### Scope of the Order

The product covered by the *Order* is wooden cabinets from China. For a complete description of the scope of the *Order*, see the Preliminary Decision Memorandum.

### Methodology

Commerce is conducting this administrative review in accordance with section 751(a)(1)(A) of the Tariff Act of 1930, as amended (the Act). For each of the subsidy programs found

<sup>3</sup> See Memorandum, “Respondent Selection,” dated August 16, 2023.

countervailable, Commerce preliminarily finds that there is a subsidy (*i.e.*, a government-provided financial contribution that gives rise to a benefit to the recipient, and that the subsidy is specific).<sup>8</sup> For a full description of the methodology underlying our conclusions, including our reliance, in part, on adverse facts available pursuant to sections 776(a) and (b) of the Act, *see* the Preliminary Decision Memorandum.

**Rescission of Administrative Review, in Part**

Pursuant to 19 CFR 351.213(d)(1), Commerce will rescind an administrative review, in whole or in part, if the parties that requested a review withdraw the request within 90 days of the date of publication of the notice of initiation. Commerce received timely-filed withdrawal of review requests for nine companies.<sup>9</sup> Because the withdrawal requests were timely filed and no other parties requested a review of these companies, we are rescinding this review of the *Order*, in accordance with 19 CFR 351.213(d)(1). For a list of these companies with timely-filed withdrawal of review requests, *see* Appendix II.

Based on our analysis of U.S. Customs and Border Protection (CBP) data, we determine that 19 companies had no entries of subject merchandise during the POR. On August 21, 2023, we notified parties of our intent to rescind the administrative review with respect

to 19 companies because there are no reviewable suspended entries.<sup>10</sup> No parties commented on the notification of intent to rescind the review, in part. Pursuant to 19 CFR 351.213(d)(3), we are rescinding the administrative review of these companies. For additional information regarding this determination, *see* the Preliminary Decision Memorandum. For a list of these companies with no reviewable suspended entries, *see* Appendix III.

**Preliminary Rate for Non-Selected Companies Under Review**

There are seven companies for which a review was requested and not rescinded, and which were not selected as mandatory respondents or found to be cross-owned with a mandatory respondent. The statute and Commerce’s regulations do not directly address the establishment of rates to be applied to companies not selected for individual examination where Commerce limits its examination in an administrative review pursuant to section 777A(e)(2) of the Act. However, Commerce normally determines the rates for non-selected companies in reviews in a manner that is consistent with section 705(c)(5) of the Act, which provides the basis for calculating the all-others rate in an investigation.

Section 705(c)(5)(A)(i) of the Act instructs Commerce, as a general rule, to calculate an all-others rate equal to the weighted average of the countervailable subsidy rates established for exporters

and/or producers individually examined, excluding any rates that are zero, *de minimis*, or based entirely on facts available. In this review, the preliminary rates calculated for Ancientree and Pengjia were above *de minimis* and not based entirely on facts available. Therefore, we are applying to the non-selected companies the average of the net subsidy rates calculated for Ancientree and Pengjia, which we calculated using the publicly-ranged sales data.<sup>11</sup> This methodology to establish the rate for the non-selected companies uses section 705(c)(5)(A) of the Act, which governs the calculation of the all-others rate in an investigation, as guidance. For further information on the calculation of the non-selected respondent rate, *see* the Preliminary Decision Memorandum.

**Preliminary Results of Review**

We preliminarily find that Yixing Pengjia Technology Co., Ltd.’s claim that it is the same company as Yixing Pengjia Cabinetry Co., Ltd. is supported by information on the record. For a complete description, *see* the Preliminary Decision Memorandum. Parties are invited to comment on this issue for the final results. As a result of this administrative review, we preliminarily find that the following net countervailable subsidy rates exist for the period January 1, 2022, through December 31, 2022:

Company	Subsidy rate (percent <i>ad valorem</i> )
The Ancientree Cabinet Co., Ltd .....	14.23
Yixing Pengjia Technology Co., Ltd. <sup>12</sup> .....	0.91
Jiangsu Sunwell Cabinetry Co Ltd. <sup>13</sup> .....	163.46
Taizhou Overseas Trading Company Ltd .....	163.46
Taishan Oversea Trading Company Ltd .....	163.46

**Review-Specific Average Rate Applicable to the Following Companies<sup>14</sup>**

Fujian Dushi Wooden Industry Co., Ltd .....	17.20
Fuzhou CBM Import & Export Co., Ltd .....	17.20
KM Cabinetry Co., Ltd .....	17.20
Nantong Aershin Cabinet Co., Ltd .....	17.20
Shouguang Fushi Wood Co., Ltd .....	17.20
Weifang Fuxing Wood Co., Ltd .....	17.20
Xiamen Adler Cabinetry Co., Ltd .....	17.20

<sup>8</sup> *See* sections 771(5)(B) and (D) of the Act regarding financial contribution; section 771(5)(E) of the Act regarding benefit; and section 771(5A) of the Act regarding specificity.

<sup>9</sup> *See* Letter on Behalf of Several Companies, “Withdrawal of Request for Administrative Review,” dated July 11, 2023 (on behalf of Shanghai Zifeng International Trading Co., Ltd. and Linyi Bonn Flooring Manufacture Co. Ltd.); *see also* Letter on Behalf of Several Companies, “Withdrawal of Requests for Administrative Review,” dated September 11, 2023.

<sup>10</sup> *See* Memorandum, “Intent to Rescind Review, in Part,” dated August 21, 2023.

<sup>11</sup> With two respondents under examination, Commerce normally calculates: (A) a weighted-average of the estimated subsidy rates calculated for the examined respondents; (B) a simple average of the estimated subsidy rates calculated for the examined respondents; and (C) a weighted-average of the estimated subsidy rates calculated for the examined respondents using each company’s publicly-ranged U.S. sale quantities for the merchandise under consideration. Commerce then

compares (B) and (C) to (A) and selects the rate closest to (A) as the most appropriate rate for all other producers and exporters. *See, e.g., Ball Bearings and Parts Thereof from France, Germany, Italy, Japan, and the United Kingdom: Final Results of Antidumping Duty Administrative Reviews, Final Results of Changed-Circumstances Review, and Revocation of an Order in Part*, 75 FR 53661, 53663 (September 1, 2010).

## Cash Deposit Requirements

In accordance with section 751(a)(2)(C) of the Act, Commerce intends, upon publication of the final results, to instruct CBP to collect cash deposits of estimated countervailing duties in the amounts calculated in the final results of this review for the respective companies listed above, on shipments of subject merchandise entered, or withdrawn from warehouse, for consumption on or after the date of publication of the final results of this administrative review. If the rate calculated in the final results is zero or *de minimis*, no cash deposit will be required on shipments of the subject merchandise entered or withdrawn from warehouse, for consumption on or after the date of publication of the final results of this review. For all non-reviewed companies, CBP will continue to collect cash deposits of estimated countervailing duties at the all-others rate (*i.e.*, 20.93 percent)<sup>15</sup> or the most recent company-specific rate applicable to the company, as appropriate. These cash deposit requirements, when imposed, shall remain in effect until further notice.

## Assessment Rates

In accordance with 19 CFR 351.221(b)(4)(i), we preliminarily assigned subsidy rates in the amounts shown above for the producers/exporters shown above. Consistent with section 751(a)(1) of the Act and 19 CFR 351.212(b)(2), upon issuance of the final results, Commerce shall determine, and CBP shall assess, countervailing duties on all appropriate entries covered by this review.

For the companies for which this review is rescinded with these preliminary results, we will instruct

<sup>12</sup> This company was formerly known as Yixing Pengjia Cabinetry Co., Ltd. See Pengjia's Letter "Section III," dated January 4, 2024, at 2 and Exhibit 5.1.

<sup>13</sup> Commerce previously found Shanghai Beautystar Cabinetry Co., Ltd. to be a cross-owned affiliate with Jiangsu Sunwell Cabinetry Co Ltd. See *Wooden Cabinets and Vanities and Components Thereof from the People's Republic of China: Preliminary Results of Countervailing Duty Administrative Review, Rescission of Administrative Review in Part, and Intent To Rescind in Part*; 2021, 88 FR 29084 (May 5, 2023), and accompanying Preliminary Decision Memorandum at 33, unchanged in *Wooden Cabinets and Vanities and Components Thereof from the People's Republic of China: Final Results and Partial Rescission of Countervailing Duty Administrative Review*, 2021, 88 FR 76732 (November 7, 2023).

<sup>14</sup> This rate is based on the rate for the respondents that were selected for individual review, excluding rates that are zero, *de minimis*, or based entirely on facts available. See section 705(c)(5)(A) of the Act.

<sup>15</sup> See *Order*, 85 FR at 22135.

CBP to assess countervailing duties on all appropriate entries at a rate equal to the cash deposit of estimated countervailing duties required at the time of entry, or withdrawal from warehouse, for consumption, during the period January 1, 2022, through December 31, 2022, in accordance with 19 CFR 351.212(c)(1)(i). For companies remaining under review, we intend to issue assessment instructions to CBP no earlier than 35 days after the date of publication of the final results of this review in the **Federal Register**. If a timely summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for a statutory injunction has expired (*i.e.*, within 90 days of publication).

### SUPPLEMENTARY INFORMATION:

#### Background

On April 21, 2020, Commerce published in the *Federal Register* the antidumping duty (AD) order on wooden cabinets from China.<sup>1</sup> On June 12, 2023, Commerce initiated an administrative review of the *Order*.<sup>2</sup>

On September 25, 2023, Commerce selected Ancientree and Jiangsu Sunwell Cabinetry Co., Ltd. (Sunwell) as the mandatory respondents.<sup>3</sup> On September 27, 2023, Commerce issued the initial AD questionnaire to

Ancientree and Sunwell.<sup>4</sup> Sunwell failed to respond to the initial questionnaire by the deadline. Consequently, on November 17, 2023, Commerce selected Jiangsu Weisen Houseware Co., Ltd.
