Wooden Cabinet and Vanities and Components Thereof From the People's Republic of China: Preliminary Results, Preliminary Determination of No Shipments, and Partial Rescission of the Antidumping Duty Administrative Review; 2022-2023

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The U.S. Department of Commerce (Commerce) preliminarily determines that certain producers and/or exporters did not make sales of wooden cabinets and vanities and components thereof (wooden cabinets) from the People's Republic of China at less than normal value (NV) during the period of review (POR) April 1, 2022, through March 31, 2023. In addition, Commerce preliminarily determines that 30 companies are eligible for a separate rate and 12 companies had no shipments of subject merchandise during the POR. Further, Commerce is rescinding this review with respect to two companies. Interested parties are invited to comment on these preliminary results.

DATES: Applicable May 2, 2024.

FOR FURTHER INFORMATION CONTACT: Garry Kasparov, AD/CVD Operations, Office I, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482-1397.

SUPPLEMENTARY INFORMATION:

Background

On April 21, 2020, Commerce published in the *Federal Register* the antidumping duty (AD) order on wooden cabinets from China.¹ On June 12, 2023, Commerce initiated an administrative review of the *Order*.²

On September 25, 2023, Commerce selected Ancientree and Jiangsu Sunwell Cabinetry Co., Ltd. (Sunwell) as the mandatory respondents.³ On September 27, 2023, Commerce issued the initial AD questionnaire to

Ancientree and Sunwell.⁴ Sunwell failed to respond to the initial questionnaire by the deadline. Consequently, on November 17, 2023, Commerce selected Jiangsu Weisen Houseware Co., Ltd. (Weisen) as a mandatory respondent.⁵ On November 30, 2023, Commerce extended the deadline for the preliminary results of this administrative review until April 26, 2024.⁶

For a complete description of the events that followed the initiation of this review, see the Preliminary Decision Memorandum.⁷ A list of topics discussed in the Preliminary Decision Memorandum is included as Appendix I to this notice. The Preliminary Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at <http://access.trade.gov>. In addition, a complete version of the Preliminary Decision Memorandum can be accessed directly at <https://access.trade.gov/public/FRNoticesListLayout.aspx>.

Scope of the Order

The merchandise covered by the *Order* is wooden cabinets from China. For a complete description of the scope of the *Order*, see the Preliminary Decision Memorandum.

Methodology

Commerce is conducting this administrative review in accordance with section 751(a)(1)(B) of the Tariff Act of 1930, as amended (the Act). Because China is a non-market economy (NME) country within the meaning of section 771(18) of the Act, we calculated NV in accordance with section 773(c) of the Act. For a full description of the methodology underlying our conclusions, see the Preliminary Decision Memorandum.

Preliminary Determination of No Shipments

Based on information on the record, Commerce preliminarily determines that 12 companies subject to this administrative review had no shipments of subject merchandise during the POR.⁸ Commerce is not rescinding this review with respect to these companies but, rather, intends to complete the review and issue appropriate instructions to U.S. Customs and Border Protection (CBP) based on the final results of the review.⁹ For additional information regarding these preliminary determinations of no shipments, see the Preliminary Decision Memorandum.

Partial Rescission of Review

Pursuant to 19 CFR 351.213(d)(1), Commerce will rescind an administrative review, in whole or in part, if the party that requested a review withdraws its request within 90 days of the date of publication of the notice of initiation. The requests for an administrative review of two companies, Suofeiya Home Collection Co., Ltd., and Linyi Bonn Flooring Manufacture Co., Ltd., were timely withdrawn within 90 days of the date of publication of the *Initiation Notice*.¹⁰ As

a result, Commerce is rescinding this review with respect to both companies in accordance with 19 CFR 351.213(d)(1).

Separate Rates

Commerce preliminarily determines that 30 non-individually examined companies under review are eligible for separate rates in this administrative review.¹¹ The Act and Commerce’s regulations do not address the establishment of a separate rate to be applied to companies not selected for individual examination when Commerce limits its examination in an administrative review pursuant to section 777A(c)(2) of the Act. Generally, Commerce looks to section 735(c)(5) of the Act, which provides instructions for calculating the all-others rate in an investigation, for guidance when calculating the rate for separate rate respondents which Commerce did not examine individually in an administrative review. For the preliminary results of this review, Commerce has determined the estimated dumping margins for Ancientree and Weisen to be zero. For the reasons explained in the Preliminary Decision Memorandum, we are

assigning this rate to the non-examined respondents which qualify for a separate rate.

China-Wide Entity

Under Commerce’s policy regarding the conditional review of the China-wide entity,¹² the China-wide entity will not be under review unless a party specifically requests, or Commerce self-initiates, a review of the entity. Because no party requested a review of the China-wide entity in this review, the entity is not under review, and the entity’s rate (*i.e.*, 251.64 percent) is not subject to change.¹³

For these preliminary results, Commerce preliminarily determines that 20 companies for which a review was requested, but did not file a separate rate application or demonstrate separate rate eligibility, including Sunwell, to be part of the China-wide entity.¹⁴

Preliminary Results of Review

Commerce preliminarily determines that the following estimated weighted-average dumping margins exist for the administrative review covering the period April 1, 2022, through March 31, 2023:

Exporter	Weighted-average dumping margin (percent)
Jiangsu Weisen Houseware Co., Ltd	0.00
The Ancientree Cabinet Co., Ltd	0.00
Non-Examined Companies Receiving a Separate Rate ¹⁵	0.00

Disclosure and Public Comment

Commerce will disclose to parties to this proceeding the calculations performed for these preliminary results within five days after public announcement of the preliminary results or, if there is no public announcement, within five days of the date of publication of this notice in the **Federal Register**, pursuant to 19 CFR 351.224(b).

Pursuant to 19 CFR 351.309(c), interested parties may submit case briefs no later than 30 days after the date of

publication of this notice. Rebuttal briefs, limited to issues raised in the case briefs, may be filed not later than five days after the date for filing case briefs.¹⁶ Interested parties who submit case briefs or rebuttal briefs in this proceeding must submit: (1) a table of contents listing each issue; and (2) a table of authorities.¹⁷ All briefs must be filed electronically using ACCESS. An electronically filed document must be received successfully in its entirety in ACCESS by 5:00 p.m. Eastern Time on the established deadline.

As provided under 19 CFR 351.309(c)(2) and (d)(2), in prior proceedings we have encouraged interested parties to provide an executive summary of their briefs that should be limited to five pages total, including footnotes. In this review, we instead request that interested parties provide at the beginning of their briefs a public, executive summary for each issue raised in their briefs.¹⁸ Further, we request that interested parties limit their public executive summary of each issue to no more than 450 words, not

including citations. We intend to use the public executive summaries as the basis of the comment summaries included in the issues and decision memorandum that will accompany the final results in this administrative review. We request that interested parties include footnotes for relevant citations in the public executive summary of each issue. Note that Commerce has amended certain of its requirements pertaining to the service of documents in 19 CFR 351.303(f).¹⁹

Pursuant to 19 CFR 351.310(c), interested parties who wish to request a hearing must submit a written request to the Assistant Secretary for Enforcement and Compliance, filed electronically via ACCESS by 5:00 p.m. Eastern Time within 30 days after the date of publication of this notice. Requests should contain: (1) the party's name, address, and telephone number; (2) the number of participants; and (3) a list of issues to be discussed. Oral presentations at the hearing will be limited to issues raised in the briefs. If a request for a hearing is made, Commerce will inform parties of the scheduled date for the hearing.²⁰

Assessment Rates

Upon issuing the final results, Commerce will determine, and CBP shall assess, antidumping duties on all appropriate entries covered by this review.²¹ If the preliminary results are unchanged for the final results, we will instruct CBP to apply an *ad valorem* assessment rate of 251.64 percent to all entries of subject merchandise during the POR which were exported by the companies considered to be a part of the China-wide entity listed in Appendix IV of this notice. If Commerce determines that an exporter under review had no shipments of the subject merchandise, any suspended entries that entered under that exporter's case number (*i.e.*, at that exporter's rate) will be liquidated at the China-wide rate.²²

For the companies for which Commerce is not rescinding this administrative review, Commerce intends to issue assessment instructions to CBP no earlier than 35 days after the date of publication of the final results of this review in the **Federal Register**. If a timely summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for a

statutory injunction has expired (*i.e.*, within 90 days of publication).

Cash Deposit Requirements

The following cash deposit requirements will be effective upon publication of the final results of this review for shipments of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the publication date, as provided by section 751(a)(2)(C) of the Act: (1) for the subject merchandise exported by the company listed above that has a separate rate, the cash deposit rate will be equal to the weighted-average dumping margin established in the final results of this administrative review (except, if the rate is zero or *de minimis*, then zero cash deposit will be required); (2) for previously investigated or reviewed Chinese and non-Chinese exporters not listed above that received a separate rate in a prior segment of this proceeding, the cash deposit rate will continue to be the existing exporter-specific rate; (3) for all Chinese exporters of subject merchandise that have not been found to be entitled to a separate rate, the cash deposit rate will be that for the China-wide entity; and (4) for all non-Chinese exporters of subject merchandise which have not received their own rate, the cash deposit rate will be the rate applicable to the Chinese exporter that supplied that non-Chinese exporter. These deposit requirements, when imposed, shall remain in effect until further notice.

Final Results of Review

Unless extended, Commerce intends to issue the final results of this administrative review, which will include the results of Commerce's analysis of the issues raised in case briefs, within 120 days after the date of publication of these preliminary results in the **Federal Register**, pursuant to section 751(a)(3)(A) of the Act and 19 CFR 351.213(h).

Notification to Importers

This notice serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping and/or countervailing duties prior to liquidation of the relevant entries during these PORs. Failure to comply with this requirement could result in Commerce's presumption that reimbursement of antidumping and/or countervailing duties occurred and the subsequent assessment of double antidumping duties, and/or an increase in the amount

of antidumping duties by the amount of the countervailing duties.

Notification to Interested Parties

Commerce is issuing and publishing the preliminary results of this review in accordance with sections 751(a)(1)(B), 751(a)(3) and 777(i) of the Act, and 19 CFR 351.213(d)(4) and 351.221(b)(4).

Dated: April 26, 2024.

Deputy Assistant Secretary for Policy and Negotiations, performing the non-exclusive functions and duties of the Assistant Secretary for Enforcement and Compliance.

Common Alloy Aluminum Sheet From India: Preliminary Results and Partial Rescission of Countervailing Duty Administrative Review; 2022

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The U.S. Department of Commerce (Commerce) preliminary determines that countervailable subsidies are being provided to producers and exporters of common

alloy aluminum sheet (aluminum sheet) from India. The period of review (POR) is January 1, 2022, through December 31, 2022. Interested parties are invited to comment on these preliminary results.

DATES: Applicable May 2, 2024.

FOR FURTHER INFORMATION CONTACT: Samuel Evans, AD/CVD operations, Office IX, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482-2420.

SUPPLEMENTARY INFORMATION:

Background

On April 27, 2021, Commerce published the countervailing duty (CVD) order on aluminum sheet from India.¹ On June 12, 2023, Commerce published in the **Federal Register** a notice of initiation of an administrative review of the *Order*.² On December 4, 2023, Commerce extended the deadline for the preliminary results until April 26, 2024.³

For a complete description of the events that followed the initiation of this review, see the Preliminary Decision Memorandum.⁴ A list of topics discussed in the Preliminary Decision Memorandum is included in an appendix to this notice. The Preliminary Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at <https://access.trade.gov>. In addition, a complete version of the Preliminary Decision Memorandum can be accessed directly at <https://access.trade.gov/public/FRNoticesListLayout.aspx>.

Scope of the Investigation

The merchandise covered by this *Order* is aluminum sheet from India. For a complete description of the scope of the *Order*, see the Preliminary Decision Memorandum.

¹ See *Common Alloy Aluminum Sheet from Bahrain, India, and the Republic of Turkey: Countervailing Duty Orders*, 86 FR 22144 (April 27, 2021) (*Order*).

⁴ See Memorandum, "Decision Memorandum for the Preliminary Determination of the Countervailing Duty Investigation of Common Alloy Aluminum Sheet from India," dated concurrently with, and hereby adopted by, this notice (Preliminary Decision Memorandum).

Rescission of Administrative Review, in Part

Pursuant to 19 CFR 351.213(d)(3), Commerce's practice is to rescind an administrative review of a CVD order when it concludes that there are no suspended entries of subject merchandise during the POR.⁵ Normally, upon completion of an administrative review, the suspended entries are liquidated at the countervailing duty assessment rate calculated for the review period.⁶ Therefore, for an administrative review of a company to be conducted, there must be a reviewable, suspended entry that Commerce can instruct U.S. Customs and Border Protection (CBP) to liquidate at the calculated countervailing duty assessment rate calculated for the review period.⁷

According to the CBP import data, Jindal Aluminum Limited (Jindal) did not have a reviewable entry of subject merchandise during the POR for which liquidation is suspended.⁸ Therefore, we notified interested parties that we intended to rescind this administrative review with respect to Jindal and provided parties an opportunity to submit comments, including factual information to demonstrate whether there were reviewable entries during the POR for Jindal.⁹ We received no comments in response to this memorandum. Therefore, in the absence of suspended entries of subject merchandise during the POR, in accordance with 19 CFR 351.213(d)(3), we are rescinding this administrative review with respect to Jindal.

Methodology

Commerce is conducting this CVD administrative review in accordance with section 751(a)(1)(A) of the Tariff Act of 1930, as amended (the Act). For each of the subsidy programs found countervailable, Commerce preliminary determines that there is a subsidy, *i.e.*, a financial contribution by an "authority" that gives rise to a benefit to the recipient, and that the subsidy is specific.¹⁰ For a full description of the
