SUPPLEMENTARY INFORMATION:

Background

On March 18, 2024, Commerce published in the **Federal Register** its final determination in the LTFV investigation of paper bags from Türkiye.¹ In that notice, Commerce incorrectly listed Umur Basim in the rate table with other companies to which Commerce applied total adverse facts available (AFA) because of their failure to timely respond to Commerce's quantity and value (Q&V) questionnaire. However, Umur Basim timely responded to Commerce's Q&V questionnaire. Therefore, Commerce should not have listed Umur Basim in the rate table as one of the companies with an AFA rate of 47.56 percent. Rather, Umur Basim is part of the group of all other producers and exporters that were not individually examined, and that are required to post a cash deposit for estimated antidumping duties at a rate of 26.32 percent.

Commerce will amend its cash deposit instructions to U.S. Customs and Border Protection consistent with the above correction. Specifically, Commerce will amend the cash deposit rate for Umur Basim to the all-others rate of 26.32 percent effective as of March 18, 2024, the date of publication of the *Final Determination* in the **Federal Register**.²

Correction

In the **Federal Register** of March 18, 2024, in FR Doc 2024-05675, on page 19296, in the first column remove the name Umur Basim from the rate table.

SUPPLEMENTARY INFORMATION:

Background

On June 12, 2023, Commerce initiated this administrative review of the countervailing duty order on CAAS from Türkiye.¹ The mandatory company respondents are Assan Alüminyum Sanayi ve Ticaret A.S., Kibar Americas, Inc., and Kibar Dış Ticaret A.S. (collectively, Assan) and Teknik Alüminyum Sanayi A.S. (Teknik). On December 12, 2023, Commerce extended the deadline for these preliminary results to April 26, 2024.²

Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic System (ACCESS). ACCESS is available to registered users at <https://access.trade.gov>. In addition, a complete version of the Preliminary Decision Memorandum can be accessed directly at <https://access.trade.gov/public/FRNoticesListLayout.aspx>.

Scope of the Order

The merchandise covered by the *Order* is CAAS from Türkiye. For a complete description of the scope of this *Order*, see the Preliminary Decision Memorandum.

Methodology

Commerce is conducting this administrative review in accordance with section 751(a)(1)(A) of the Tariff Act of 1930, as amended (the Act). For each of the subsidy programs preliminarily found to be countervailable, Commerce preliminarily determines that there is a subsidy, *i.e.*, a financial contribution from an authority that gives rise to a benefit to the recipient and that the subsidy is specific.⁴ For a full description of the methodology underlying Commerce's preliminary conclusions, see the Preliminary Decision Memorandum.

Companies Not Selected for Individual Examination

The Act and Commerce's regulations do not directly address the subsidy rate to be applied to companies not selected for individual examination where Commerce limits its examination in an administrative review pursuant to section 777A(e)(2) of the Act. However, Commerce normally determines the rates for non-selected companies in reviews in a manner that is consistent with section 705(c)(5) of the Act, which provides instructions for calculating the all others rate in an investigation. Section 777A(e)(2) of the Act provides that "the individual countervailable subsidy rates determined under subparagraph (A) shall be used to determine the all-others rate under section 705(c)(5) {of the Act}." Section 705(c)(5)(A) of the Act states that for companies not investigated, in general, we will determine an all-others rate by weight averaging the countervailable subsidy rates established for each of the companies individually investigated,

⁴ See sections 771(5)(B) and (D) of the Act regarding financial contribution; section 771(5)(E) of the Act regarding benefit; and section 771(5A) of the Act regarding specificity.

excluding zero and *de minimis* rates or any rates based solely on the facts available.

Accordingly, to determine the rate for companies not selected for individual examination, Commerce's practice is to weight average the net subsidy rates for the selected mandatory respondents, excluding rates that are zero, *de minimis*, or based entirely on facts available.⁵ We preliminarily determine that Assan received countervailable subsidies that are above *de minimis* and are not based entirely on facts available and that Teknik received countervailable subsidies that are below *de minimis*. Therefore, we preliminarily determine to apply the net subsidy rate calculated for Assan to the non-selected companies.⁶ The companies for which a review was requested, and which were not selected for individual examination as mandatory respondents or found to be cross-owned with a mandatory respondent, are: ASAS Alüminyum Sanayi ve Ticaret A.S.; Assan; P.M.S. Metal Profil Alüminyum Sanayi Ve Ticaret A.S.; and Teknik.

Preliminary Results of Review

Commerce preliminarily determines the following net countervailable subsidy rates exist for the period January 1, 2022, through December 31, 2022:

Company	Subsidy rate (percent <i>ad valorem</i>)
Assan Alüminyum Sanayi ve Ticaret A.S. ⁷	1.08
Teknik Alüminyum Sanayi A.S.	0.19 (<i>de minimis</i>)
Companies Not Selected for Individual Examination	1.08

Disclosure and Public Comment

Commerce intends to disclose its calculations performed to interested parties for these preliminary results within five days of any public announcement or, if there is no public announcement, within five days of the date of publication of this notice in the **Federal Register** in accordance with 19 CFR 351.224(b).

Case briefs or other written comments may be submitted to the Assistant

Secretary for Enforcement and Compliance.⁸ Commerce will notify interested parties of the deadline for submission of case briefs. Rebuttal briefs, limited to issues raised in the case briefs, may be filed not later than five days after the date for filing case briefs.⁹ Interested parties who submit case briefs or rebuttal briefs in this proceeding must submit: (1) a table of contents listing each issue; and (2) a table of authorities.¹⁰

As provided under 19 CFR 351.309(c)(2) and (d)(2), in prior proceedings we have encouraged interested parties to provide an executive summary of their brief that should be limited to five pages total, including footnotes. In this review, we instead request that interested parties provide at the beginning of their briefs a public, executive summary for each issue raised in their briefs.¹¹ Further, we request that interested parties limit their public executive summary of each issue to no more than 450 words, not including citations. We intend to use the public executive summaries as the basis of the comment summaries included in the issues and decision memorandum that will accompany the final determination in this investigation. We request that interested parties include footnotes for relevant citations in the public executive summary of each issue. Note that Commerce has amended certain of its requirements pertaining to the service of documents in 19 CFR 351.303(f).¹²

Pursuant to 19 CFR 351.310(c), interested parties who wish to request a hearing, limited to issues raised in the case and rebuttal briefs, must submit a written request to the Assistant Secretary for Enforcement and Compliance, U.S. Department of Commerce, filed electronically, using ACCESS. Hearing requests should contain the party's name, address, and telephone number, the number of participants, and a list of the issues to be discussed. Issues raised in the hearing will be limited to those raised in the case and rebuttal briefs. An electronically filed request must be received successfully in its entirety by ACCESS by 5:00 p.m. Eastern Time,

within 30 days of the publication date of this notice. If a request for a hearing is made, parties will be notified of the time and date of the hearing.¹³

Unless the deadline is extended pursuant to section 751(a)(3)(A) of the Act and 19 CFR 351.213(h)(2), Commerce intends to issue the final results of this administrative review, including the results of its analysis of the issues raised by the parties in any written briefs, no later than 120 days after the date of publication of these preliminary results.

Assessment Rates

In accordance with 19 CFR 351.221(b)(4)(i), Commerce preliminarily assigned a subsidy rate in the amount for the producer/exporter shown above. Upon completion of the administrative review, consistent with section 751(a)(1) of the Act and 19 CFR 351.212(b)(2), Commerce shall determine, and U.S. Customs and Border Protection (CBP) shall assess, countervailing duties on all appropriate entries covered by this review. Commerce intends to issue assessment instructions to CBP no earlier than 35 days after the date of publication of the final results of this review in the **Federal Register**.

If a timely summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for a statutory injunction has expired (*i.e.*, within 90 days of publication).

Cash Deposit Requirements

In accordance with section 751(a)(2)(C) of the Act, Commerce also intends upon publication of the final results, to instruct CBP to collect cash deposits of the estimated countervailing duties in the amounts calculated in the final results of this review for the respective companies listed above with regard to shipments of subject merchandise entered, or withdrawn from warehouse, for consumption on or after the date of publication of the final results of this review. If the rate calculated in the final results is zero or *de minimis*, no cash deposit will be required on shipments of the subject merchandise entered or withdrawn from warehouse, for consumption on or after the date of publication of the final results of this review.

For all non-reviewed firms, CBP will continue to collect cash deposits of estimated countervailing duties at the
