Certain Paper Shopping Bags From the Republic of Türkiye: Final Affirmative Determination of Sales at Less Than Fair Value; Correction

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

ACTION: Notice; correction.

SUMMARY: On March 18, 2024, the U.S. Department of Commerce (Commerce) published in the **Federal Register** its final determination in the less-than-fair value (LTFV) investigation of certain paper shopping bags (paper bags) from the Republic of Türkiye (Türkiye). In that notice, Commerce incorrectly included the company name “Umur Basim” in the rate table.

FOR FURTHER INFORMATION CONTACT: Jeff Pedersen, AD/CVD Operations, Office

IV, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482-2769.

SUPPLEMENTARY INFORMATION:

Background

On March 18, 2024, Commerce published in the **Federal Register** its final determination in the LTFV investigation of paper bags from Türkiye.¹ In that notice, Commerce incorrectly listed Umur Basim in the rate table with other companies to which Commerce applied total adverse facts available (AFA) because of their failure to timely respond to Commerce's quantity and value (Q&V) questionnaire. However, Umur Basim timely responded to Commerce's Q&V questionnaire. Therefore, Commerce should not have listed Umur Basim in the rate table as one of the companies with an AFA rate of 47.56 percent. Rather, Umur Basim is part of the group of all other producers and exporters that were not individually examined, and that are required to post a cash deposit for estimated antidumping duties at a rate of 26.32 percent.

Commerce will amend its cash deposit instructions to U.S. Customs and Border Protection consistent with the above correction. Specifically, Commerce will amend the cash deposit rate for Umur Basim to the all-others rate of 26.32 percent effective as of March 18, 2024, the date of publication of the *Final Determination* in the **Federal Register**.²

Correction

In the **Federal Register** of March 18, 2024, in FR Doc 2024-05675, on page 19296, in the first column remove the name Umur Basim from the rate table.

Notification to Interested Parties

This notice is issued and published in accordance with sections 735(d) and 777(i)(1) of the Tariff Act of 1930, as amended, and 19 CFR 351.210(c) and 19 CFR 351.224(e).

Ryan Majerus,

Deputy Assistant Secretary for Policy and Negotiations, performing the non-exclusive functions and duties of the Assistant Secretary for Enforcement and Compliance.

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The U.S. Department of Commerce (Commerce) preliminarily determines that countervailable subsidies were provided to producers and/or exporters of common alloy aluminum sheet (CAAS) from the Republic of Türkiye (Türkiye), during the period of review (POR) January 1, 2022, through December 31, 2022. Interested parties are invited to comment on these preliminary results.

DATES: Applicable May 3, 2024.

FOR FURTHER INFORMATION CONTACT: Mark Hoadley, AD/CVD Operations, Office VII, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482-3148.

SUPPLEMENTARY INFORMATION:

Background

On June 12, 2023, Commerce initiated this administrative review of the countervailing duty order on CAAS from Türkiye.¹ The mandatory company respondents are Assan Alüminyum Sanayi ve Ticaret A.S., Kibar Americas, Inc., and Kibar Dış Ticaret A.S. (collectively, Assan) and Teknik Alüminyum Sanayi A.S. (Teknik). On December 12, 2023, Commerce extended the deadline for these preliminary results to April 26, 2024.²

For a complete description of the events that followed the initiation of the review, see the Preliminary Decision Memorandum.³ A list of topics discussed in the Preliminary Decision Memorandum is included as an appendix to this notice. The Preliminary

Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic System (ACCESS). ACCESS is available to registered users at <https://access.trade.gov>. In addition, a complete version of the Preliminary Decision Memorandum can be accessed directly at <https://access.trade.gov/public/FRNoticesListLayout.aspx>.

Scope of the Order

The merchandise covered by the *Order* is CAAS from Türkiye. For a complete description of the scope of this *Order*, see the Preliminary Decision Memorandum.

Methodology

Commerce is conducting this administrative review in accordance with section 751(a)(1)(A) of the Tariff Act of 1930, as amended (the Act). For each of the subsidy programs preliminarily found to be countervailable, Commerce preliminarily determines that there is a subsidy, *i.e.*, a financial contribution from an authority that gives rise to a benefit to the recipient and that the subsidy is specific.⁴ For a full description of the methodology underlying Commerce's preliminary conclusions, see the Preliminary Decision Memorandum.

Companies Not Selected for Individual Examination

The Act and Commerce's regulations do not directly address the subsidy rate to be applied to companies not selected for individual examination where Commerce limits its examination in an administrative review pursuant to section 777A(e)(2) of the Act. However, Commerce normally determines the rates for non-selected companies in reviews in a manner that is consistent with section 705(c)(5) of the Act, which provides instructions for calculating the all others rate in an investigation. Section 777A(e)(2) of the Act provides that "the individual countervailable subsidy rates determined under subparagraph (A) shall be used to determine the all-others rate under section 705(c)(5) {of the Act}." Section 705(c)(5)(A) of the Act states that for companies not investigated, in general, we will determine an all-others rate by weight averaging the countervailable subsidy rates established for each of the companies individually investigated,

⁴ See sections 771(5)(B) and (D) of the Act regarding financial contribution; section 771(5)(E) of the Act regarding benefit; and section 771(5A) of the Act regarding specificity.
