The Coats, Army Combat Uniform, Permethylin, Unisex, OCP 2015 were administratively added to the Procurement List 04/15/20105 in accordance with 41 CFR 51–6.13(b), as an additional size, color or other variation of an existing PL product. The requirement on the PL was eventually changed to 28.1% of DLA Troop Support's total requirement. However, when possible and to ensure clarity on existing PL requirements for military garments, or other applicable products, the Committee is departing from stating the mandatory purchase requirement as a percentage of a contracting activity's overall requirement and is instead stating the mandatory purchase requirement as a specified annual quantity of a garment or product. For the Coats, Army Combat Uniform, Permethylin, Unisex, OCP 2015, DLA Troop Support and the authorized sources of supply, assisted by the central nonprofit agency, have agreed that the mandatory purchase requirement is 447,000 units annually. The Committee intends to amend the Procurement List and reflect the agreed annual quantity. Additionally, for administrative purposes, the Committee is assigning a new PL number to the Coats, Army Combat Uniform, Permethylin, Unisex, OCP 2015, which will sever the coats as a legacy from garments no longer being produced and increase the Committee's overall efficiency when processing future transactions.
