

as additional documents when additional information or documents with respect to a transfer is believed by the IRS to be required or helpful in making its determination as to whether relief under this section should be granted.

(v) Each affidavit also must include the name and current address of the affiant, and must be accompanied by a dated declaration signed by the affiant that states:

Under penalties of perjury, I declare that I have personal knowledge of the information set forth in this affidavit, including any attachments thereto. In addition, under penalties of perjury, I declare that I have examined this affidavit, including any attachments thereto, and, to the best of my knowledge and belief, the affidavit contains all the relevant facts and the attachments include copies of all relevant writings or other documents resulting from a reasonably diligent search, conducted in good faith, of all records within my possession, accessible to me, or subject to my control, relating to the allocation of GST exemption, the election under section 2632(b)(3) or (c)(5), and the preparation of the tax return at issue in the request for relief filed by or on behalf of [transferor or executor of transferor's estate], and such facts and attached documents are true, correct, and complete.

(vi) If an individual who would be required to provide an affidavit under paragraph (i)(4)(i) of this section has died or is unwilling or otherwise unable to provide the required affidavit, the affidavit required under paragraph (i)(3) of this section must include a statement to that effect, as well as a statement describing the relationship between that individual and the transferor or the executor of the transferor's estate; the information or knowledge the transferor or the executor of the transferor's estate believes that individual had about the events that led to the failure to make the allocation or the election or to the discovery of that failure; and, in cases other than the death of the individual, a detailed description of the efforts made to obtain the affidavit from the individual. The unwillingness of certain affiants to provide an affidavit, however, may be considered by the IRS in determining whether to grant the requested relief. For purposes of this paragraph (i)(4)(vi), the term *unwilling* refers to a person who is apparently able but refuses or otherwise fails, despite the best efforts, made in good faith, of the transferor or the transferor's executor, to provide the required affidavit. In addition, for purposes of

this paragraph, the term *unable* refers to a permanent or potentially long-term condition such as physical or mental incapacity that prevents the person from providing the required affidavit, but not a temporary condition such as a temporary physical or mental incapacity or a person's inability due to a leave of absence, travel, or a contractual requirement such as a confidentiality agreement.

(5) *Additional rules regarding relief.* For purposes of relief under paragraphs (i)(1) and (2) of this section, the grant of relief in the form of an extension of time is not a determination that the taxpayer is otherwise eligible to make the election. In addition, notwithstanding the provisions of this section, an extension of time will not be granted under this section if alternative relief is provided by a statute, a regulation published in the **Federal Register**, or a revenue ruling, revenue procedure, notice, or announcement published in the Internal Revenue Bulletin (see § 601.601(d)(2) of this chapter).

(j) *Applicability date.* This section applies to requests for relief to which section 2642(g)(1) applies that are filed on or after May 6, 2024, regardless of the date of the transfer.

An automatic 6-month extension to allocate GST exemption under section 2632 or to make an election under section 2632(b)(3) or (c)(5) is available to transferors or the executors of transferors' estates pursuant to § 26.2642–7(i)(1) of this chapter if the requirements of that provision are satisfied.

(2) *Applicability date.* Paragraph (f) of this section applies to any gift or estate tax return or Form 8939, *Allocation of Increase in Basis for Property Acquired from a Decedent*, for which the date

ACTION: Direct final rule with request for comments.

SUMMARY: The Department of Defense (DoD or Department) is giving concurrent notice of a new system of records titled “All-domain Anomaly Resolution Office (AARO) Report System,” AARO–0001, and this rulemaking, which exempts portions of this system of records from certain provisions of the Privacy Act of 1974, as amended, because of national security. This rule is being published as a direct final rule as the Department does not expect to receive any adverse comments. If such comments are received, this direct final rule will be withdrawn and a proposed rule for comments will be published.

DATES: The rule will be effective on July 15, 2024 unless comments are received that would result in a contrary determination. If significant adverse comments are received, the DoD will publish a timely withdrawal of the rule in the **Federal Register**. Comments will be accepted on or before July 5, 2024.

ADDRESSES: You may submit comments, identified by docket number, Regulation Identifier Number (RIN), and title, by any of the following methods.

SUPPLEMENTARY INFORMATION:

I. Background

In accordance with the Privacy Act of 1974, DoD is establishing a new system of records titled “All-domain Anomaly Resolution Office (AARO) Report System,” AARO–0001. This system of records describes the AARO’s collection, use, and maintenance of correspondence and reports submitted

from current or former U.S. government employees, service members, or contractors with direct knowledge of U.S. Government programs or activities related to Unidentified Anomalous Phenomenon (UAP) dating back to 1945. This system also includes correspondence and reports submitted from members of the general public and government-affiliated personnel on events related to UAP. The submitted information will be used to carry out AARO’s mission, including to inform AARO’s congressionally directed Historical Record Report.

II. Privacy Act Exemption

The Privacy Act permits Federal agencies to exempt eligible records in a system of records from certain provisions of the Act, including the provisions providing individuals with a right to request access to and amendment of their own records and accountings of disclosures of such records. If an agency intends to exempt a particular system of records, it must first go through the rulemaking process to provide public notice and an opportunity to comment on the exemption. The Office of the Secretary is amending 32 CFR part 310 to add a new Privacy Act exemption rule for this system of records. The DoD is claiming an exemption for this system of records because some of its records may contain classified national security information and providing notice, access, amendment, and disclosure of accounting of those records to an individual, as well as certain record-keeping requirements, may cause damage to national security and reveal sensitive sources and methods. The Privacy Act, pursuant to 5 U.S.C. 552a(k)(1), authorizes agencies to claim an exemption for systems of records that contain information properly classified pursuant to executive order. DoD is claiming an exemption from several provisions of the Privacy Act, including various access, amendment, disclosure of accounting, and certain record-keeping and notice requirements, to prevent disclosure of any information properly classified pursuant to executive order, as implemented by DoD Instruction 5200.01, “DoD Information Security Program and Protection of Sensitive Compartmented Information (SCI)” (available at <https://www.esd.whs.mil/Portals/54/Documents/DD/issuances/dodi/520001p.PDF?ver=cF1II-jcFGP6jfNrnTr8lQ%3d%3d>); DoD Manual 5200.01, Volume 1, “DoD Information Security Program: Overview, Classification, and Declassification” (available at https://www.esd.whs.mil/Portals/54/Documents/DD/issuances/dodm/520001m_vol1.pdf?ver=2020-08-04-092500-203); and DoD Manual 5200.01, Volume 3, “DoD Information Security Program: Protection of Classified Information” (available at https://www.esd.whs.mil/Portals/54/Documents/DD/issuances/dodm/520001m_vol3.pdf?ver=MJfVD-nRd2HTyLSzDse9VQ%3d%3d).

www.esd.whs.mil/Portals/54/Documents/DD/issuances/dodm/520001m_vol1.pdf?ver=2020-08-04-092500-203; and DoD Manual 5200.01, Volume 3, “DoD Information Security Program: Protection of Classified Information” (available at https://www.esd.whs.mil/Portals/54/Documents/DD/issuances/dodm/520001m_vol3.pdf?ver=MJfVD-nRd2HTyLSzDse9VQ%3d%3d).

III. Direct Final Rulemaking

This rule is being published as a direct final rule as the Department does not expect to receive any significant adverse comments. If such comments are received, this direct final rule will be cancelled and a proposed rule for comments will be published. If no such comments are received, this direct final rule will become effective ten days after the comment period expires.

For purposes of this rulemaking, a significant adverse comment is one that explains (1) why the rule is inappropriate, including challenges to the rule’s underlying premise or approach; or (2) why the rule will be ineffective or unacceptable without a change. In determining whether a significant adverse comment necessitates withdrawal of this direct final rule, the Department will consider whether the comment raises an issue serious enough to warrant a substantive response had it been submitted in a standard notice-and-comment process. A comment recommending an addition to the rule will not be considered significant and adverse unless the comment explains how this direct final rule would be ineffective without the addition.

This direct final rule adds to the DoD’s Privacy Act exemptions for systems of records found in 32 CFR 310.29. Records in this system of records are only exempt from the Privacy Act to the extent the purposes underlying the exemption pertain to the record.

A notice of a new system of records for AARO–0001 is also published in this issue of the **Federal Register**.

Regulatory Analysis

Executive Order 12866, “Regulatory Planning and Review,” as Amended by Executive Order 14094, “Modernizing Regulatory Review” and Executive Order 13563, “Improving Regulation and Regulatory Review”

Executive Orders 12866 (as amended by Executive Order 14094) and 13563 direct agencies to assess all costs and benefits of available regulatory alternatives and, if regulation is

necessary, to select regulatory approaches that maximize net benefits (including potential economic, environmental, public health and safety effects, distribute impacts, and equity). Executive Order 13563 emphasizes the importance of quantifying both costs and benefits, of reducing costs, of harmonizing rules, and of promoting flexibility. It has been determined that this rule is not a significant regulatory action under these Executive Orders.

Congressional Review Act (5 U.S.C. 804(2))

The Congressional Review Act, 5 U.S.C. 801 *et seq.*, generally provides that before a rule may take effect, the agency promulgating the rule must submit a rule report, which includes a copy of the rule, to each House of the Congress and to the Comptroller General of the United States. DoD will submit a report containing this rule and other required information to the U.S. Senate, the U.S. House of Representatives, and the Comptroller General of the United States. A major rule may take effect no earlier than 60 calendar days after Congress receives the rule report or the rule is published in the **Federal Register**, whichever is later. This direct final rule is not a “major rule” as defined by 5 U.S.C. 804(2).

Section 202, Public Law 104–4, “Unfunded Mandates Reform Act”

Section 202 of the Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1532) requires agencies to assess anticipated costs and benefits before issuing any rule whose mandates may result in the expenditure by State, local and tribal governments in the aggregate, or by the private sector, in any one year of \$100 million in 1995 dollars, updated annually for inflation. This rule will not mandate any requirements for State, local, or Tribal governments, nor will it affect private sector costs.

Public Law 96–354, “Regulatory Flexibility Act” (5 U.S.C. 601 *et seq.*)

The Assistant to the Secretary of Defense for Privacy, Civil Liberties, and Transparency has certified that this rule is not subject to the Regulatory Flexibility Act (5 U.S.C. 601) because it would not, if promulgated, have a significant economic impact on a substantial number of small entities. This rule is concerned only with the administration of Privacy Act systems of records within the DoD. Therefore, the Regulatory Flexibility Act, as amended, does not require DoD to prepare a regulatory flexibility analysis.

Public Law 96–511, “Paperwork Reduction Act” (44 U.S.C. Chapter 501 *et seq.*)

The Paperwork Reduction Act (44 U.S.C. 3501 *et seq.*) was enacted to minimize the paperwork burden for individuals; small businesses; educational and nonprofit institutions; Federal contractors; State, local and tribal governments; and other persons resulting from the collection of information by or for the Federal government. The Act requires agencies obtain approval from the Office of Management and Budget before using identical questions to collect information from ten or more persons. This rule does not impose reporting or recordkeeping requirements on the public.

Executive Order 13132, “Federalism”

Executive Order 13132 establishes certain requirements that an agency must meet when it promulgates a rule that has federalism implications, imposes substantial direct requirement costs on State and local governments, and is not required by statute, or has federalism implications and preempts State law. This rule will not have a substantial effect on State and local governments.

Executive Order 13175, “Consultation and Coordination With Indian Tribal Governments”

Executive Order 13175 establishes certain requirements that an agency must meet when it promulgates a rule that imposes substantial direct compliance costs on one or more Indian Tribes, preempts tribal law, or affects the distribution of power and responsibilities between the Federal Government and Indian Tribes. This rule will not have a substantial effect on Indian Tribal governments.

List of Subjects in 32 CFR Part 310

Privacy.

Accordingly, 32 CFR part 310 is amended as follows:

PART 310—PROTECTION OF PRIVACY AND ACCESS TO AND AMENDMENT OF INDIVIDUAL RECORDS UNDER THE PRIVACY ACT OF 1974

■ 1. The authority citation for part 310 continues to read as follows:

Authority: 5 U.S.C. 552a.

■ 2. Amend § 310.29 by *adding paragraph (c)(29) to read as follows:*

§ 310.29 Office of the Secretary of Defense (OSD) exemptions.

* * * * *

(c) * * *

(29) *System identifier and name.* AARO–0001, All-domain Anomaly Resolution Office (AARO) Report System.

(i) *Exemptions.* This system of records is exempt from 5 U.S.C. 552a(c)(3); (d)(1), (2), (3), and (4); (e)(1); (e)(4)(G), (H), and (I); and (f).

(ii) *Authority.* 5 U.S.C. 552a(k)(1).

(iii) *Exemption from the particular subsections.* Exemption from the particular subsections of the Privacy Act of 1974, as amended, pursuant to exemption (k)(1) is justified for the following reasons:

(A) *Subsections (c)(3) and (d)(1) and (2).* Records in this system of records may contain information concerning individuals that is properly classified pursuant to executive order.

Application of exemption (k)(1) for such records may be necessary because access to and amendment of the records, or release of the accounting of disclosures for such records, could reveal classified information. Disclosure of classified records to an individual may cause damage to national security and reveal sensitive sources and methods. Accordingly, application of exemption (k)(1) may be necessary.

(B) *Subsections (d)(3) and (4).* These subsections are inapplicable to the extent an exemption is claimed from (d)(2).

(C) *Subsection (e)(1).* Records within this system may be properly classified pursuant to executive order. In the collection of information for AARO reporting and analysis purposes, it may not always be possible to conclusively determine the relevance and necessity of particular information in the early stages of these types of activities.

Additionally, disclosure of classified records to an individual may cause damage to national security and reveal sensitive sources and methods.

Accordingly, application of exemption (k)(1) may be necessary.

(D) *Subsections (e)(4)(G) and (H) and subsection (f).* These subsections are inapplicable to the extent exemption is claimed from the access and

amendment provisions of subsection (d). Because portions of this system are exempt from the individual access and amendment provisions of subsection (d) for the reasons noted in paragraphs (c)(29)(iii)(A) and (B) of this section, DoD is not required to establish requirements, rules, or procedures with respect to such access or amendment provisions. Providing notice to individuals with respect to the existence of records pertaining to them in the system of records or otherwise setting up procedures pursuant to which

individuals may access, view, and seek to amend records pertaining to themselves in the system would potentially undermine national security and the confidentiality of classified information. Accordingly, application of exemption (k)(1) may be necessary.

(E) *Subsection (e)(4)(I)*. To the extent that this provision is construed to require more detailed disclosure than the broad information currently published in the system notice concerning categories of sources of records in the system, an exemption from this provision is necessary to protect national security and the confidentiality of sources and methods, and other classified information.

(iv) *Exempt records from other systems*. In the course of carrying out the overall purpose for this system, exempt records from other systems of records may in turn become part of the records maintained in this system. To the extent that copies of exempt records from those other systems of records are maintained in this system, the DoD claims the same exemptions for the records from those other systems that are entered into this system, as claimed for the prior system(s) of which they are a part, provided the reason for the exemption remains valid and necessary.
