Rate Adjustments for Indian Irrigation Projects

AGENCY: Bureau of Indian Affairs, Interior.

ACTION: Notice.

SUMMARY: The Bureau of Indian Affairs (BIA) owns or has an interest in irrigation projects located on or associated with various Indian reservations throughout the United States. We are required to establish irrigation assessment rates to recover the costs to administer, operate, maintain, and rehabilitate these projects. The BIA proposes to adjust the irrigation operation and maintenance (O&M) assessment rate at Duck Valley Irrigation Project (DVIP). We request your comments on the proposed rate adjustment.

DATES: Interested parties may submit comments on the proposed rate adjustments on or before July 5, 2024.

ADDRESSES: All comments on the proposed rate adjustments must be in writing. You may send comments via email to comments@bia.gov. Please reference "Rate Adjustment for Duck Valley Irrigation Project" in the subject line. Or you may submit comments to the Program Specialist, Division of Water and Power, Office of Trust Services, 2021 4th Avenue North, Billings, Montana 59101.

FOR FURTHER INFORMATION CONTACT: Jonathan Cody, Irrigation Engineer, BIA Western Regional Office, (480) 235-3848.

SUPPLEMENTARY INFORMATION: A Notice of Proposed Rate Adjustment was

published in the **Federal Register** on February 8, 2024 (89 FR 8707) to propose adjustments to the irrigation assessment rates at several BIA irrigation projects. After further review and coordination with the Shoshone-Paiute Tribes, we decided to adjust the proposed rate assessment for DVIP from \$5.30 to \$11.00 per acre. The first table in this notice provides contact information for individuals who can give further information about DVIP. The second table provides the proposed rate for calendar year (CY) 2025.

What is the meaning of the key terms used in this notice?

In this notice:

Administrative costs mean all costs we incur to administer our irrigation projects at the local project level and are a cost factor included in calculating your operation and maintenance assessment. Costs incurred at the local project level do not normally include agency, region, or central office costs unless we state otherwise in writing.

Assessable acre means lands designated by us to be served by one of our irrigation projects, for which we collect assessments in order to recover costs for the provision of irrigation service. (See also "total assessable acres.")

BIA means the Bureau of Indian Affairs.

Bill means our statement to you of the assessment charges and/or fees you owe the United States for administration, operation, maintenance, and/or rehabilitation. The date we mail or hand-deliver your bill will be stated on it.

Costs means the costs we incur for administration, operation, maintenance, and rehabilitation to provide direct support or benefit to an irrigation facility. (See administrative costs, operation costs, maintenance costs, and rehabilitation costs).

Customer means any person or entity to whom or to which we provide irrigation service.

Due date is the date on which your bill is due and payable. This date will be stated on your bill.

I, me, my, you and *your* mean all persons or entities that are affected by this notice.

Irrigation project means a facility or portion thereof for the delivery, diversion, and storage of irrigation water that we own or have an interest in, including all appurtenant works. The term "irrigation project" is used interchangeably with irrigation facility, irrigation system, and irrigation area.

Irrigation service means the full range of services we provide customers of our

irrigation projects. This includes our activities to administer, operate, maintain, and rehabilitate our projects in order to deliver water.

Maintenance costs means costs we incur to maintain and repair our irrigation projects and associated equipment and is a cost factor included in calculating your operation and maintenance assessment.

Operation and maintenance (O&M) assessment means the periodic charge you must pay us to reimburse costs of administering, operating, maintaining, and rehabilitating irrigation projects consistent with this notice and our supporting policies, manuals, and handbooks.

Operation or operating costs means costs we incur to operate our irrigation projects and equipment and is a cost factor included in calculating your O&M assessment.

Past due bill means a bill that has not been paid by the close of business on the 30th day after the due date as stated on the bill. Beginning on the 31st day after the due date, we begin assessing additional charges accruing from the due date.

Rehabilitation costs means costs we incur to restore our irrigation projects or features to original operating condition or to the nearest state which can be achieved using current technology and is a cost factor included in calculating your O&M assessment.

Responsible party means an individual or entity that owns, leases, or uses land as authorized by the Tribe within the assessable acreage of one of our irrigation projects and is responsible for providing accurate information to our billing office and paying a bill for an annual irrigation rate assessment.

Total assessable acres mean the total acres served by one of our irrigation projects.

Water delivery is an activity that is part of the irrigation service we provide our customers when water is available.

We, us, and our mean the United States Government, the Secretary of the Interior, the BIA, and all who are authorized to represent us in matters covered under this notice.

Does this notice affect me?

This notice affects you if you irrigate land by permit or lease, as authorized by the Tribe, within the assessable acreage of DVIP.

Where can I get information on the regulatory and legal citations in this notice?

You can contact the DVIP. Please use the table in the **SUPPLEMENTARY INFORMATION** section to contact the
