### III. What is the Agency's authority for taking this action?

Section 6(f)(1) of FIFRA (7 U.S.C. 136d(f)(1)) provides that a registrant of a pesticide product may at any time request that any of its pesticide registrations be canceled or amended to terminate one or more uses. FIFRA further provides that, before acting on the request, EPA must publish a notice of receipt of any such request in the **Federal Register**.

Section 6(f)(1)(B) of FIFRA (7 U.S.C. 136d(f)(1)(B)) requires that before acting on a request for voluntary cancellation, EPA must provide a 30-day public comment period on the request for voluntary cancellation or use termination. In addition, FIFRA section 6(f)(1)(C) (7 U.S.C. 136d(f)(1)(C)) requires that EPA provide a 180-day comment period on a request for voluntary cancellation or termination of any minor agricultural use before granting the request, unless:

1. The registrants request a waiver of the comment period, or
2. The EPA Administrator determines that continued use of the pesticide would pose an unreasonable adverse effect on the environment.

The registrants have requested that EPA waive the 180-day comment period. Accordingly, EPA will provide a 30-day comment period on the proposed requests.

### IV. Procedures for Withdrawal of Requests

Registrants who choose to withdraw a request for product cancellation or use termination should submit the withdrawal in writing to the person listed under **FOR FURTHER INFORMATION CONTACT**. If the product(s) have been subject to a previous cancellation action, the effective date of cancellation and all other provisions of any earlier cancellation action are controlling.

### V. Provisions for Disposition of Existing Stocks

Existing stocks are those stocks of registered pesticide products that are currently in the United States and that

were packaged, labeled, and released for shipment prior to the effective date of the action. If the requests for voluntary cancellation and/or amendments to terminate uses are granted, the Agency intends to publish the cancellation order in the **Federal Register**.

In any order issued in response to these requests for cancellation of product registrations and/or for amendments to terminate uses, EPA proposes to include the following provisions for the treatment of any existing stocks of the products listed in Tables 1 and 2 of Unit II.

*For: 352–938*

For 352–98, Corteva, the registrant of the product subject to this cancellation order, did not request that EPA allow the continued sale, distribution, or use of existing stocks of this product. Additionally, Corteva confirmed that they ceased selling this product in 2021. Thus, all sale, distribution, and use of existing stocks of this product is prohibited, except for the sale or distribution of this product for export consistent with FIFRA section 17 (7 U.S.C. 136o) and for proper disposal.

For all other voluntary product cancellations, registrants will be permitted to sell and distribute existing stocks of voluntarily canceled products for 1 year after the effective date of the cancellation, which will be the date of publication of the cancellation order in the **Federal Register**. Thereafter, registrants will be prohibited from selling or distributing the products identified in Table 1 of Unit II, except for export consistent with FIFRA section 17 (7 U.S.C. 136o) or for proper disposal.

Once EPA has approved product labels reflecting the requested amendments to terminate uses, registrants will be permitted to sell or distribute products under the previously approved labeling for a period of 18 months after the date of **Federal Register** publication of the cancellation order, unless other restrictions have been imposed. Thereafter, registrants will be prohibited from selling or

distributing the products whose labels include the terminated uses identified in Table 2 of Unit II, except for export consistent with FIFRA section 17 or for proper disposal.

Persons other than the registrant may sell, distribute, or use existing stocks of canceled products and/or products whose labels include the terminated uses until supplies are exhausted, provided that such sale, distribution, or use is consistent with the terms of the previously approved labeling on, or that accompanied, the canceled products and/or terminated uses.

In any order issued in response to these requests for cancellation of a product registration and/or for an amendment to terminate uses, EPA proposes to include the following provisions for the treatment of any existing stocks of the products listed in tables 1 and 2 of unit II.

For: 85588-13

For all other voluntary product cancellations, registrants will be permitted to sell and distribute existing stocks of voluntarily canceled products for 1 year after the effective date of the cancellation, which will be the date of publication of the cancellation order in the **Federal Register**. Thereafter,

registrants will be prohibited from selling or distributing the products identified in table 1 of unit II, except for export consistent with FIFRA section 17 (7 U.S.C. 136o) or for proper disposal.

#### EXPORT-IMPORT BANK

[Public Notice: 2024-6010]

#### Agency Information Collection Activities: Submission to the Office of Management and Budget for Review and Approval; Comment Request; Export-Import Bank Report of Premiums Payable for Exporters Only

**AGENCY:** Export-Import Bank of the United States.

**ACTION:** Notice of information collection; request for comment.

**SUMMARY:** The Export-Import Bank of the United States (EXIM), pursuant to the Export-Import Bank Act of 1945, as amended, facilitates the finance of the export of U.S. goods and services. As part of its continuing effort to reduce paperwork and respondent burden, EXIM invites the general public and other Federal Agencies to comment on the proposed information collection, as required by the paperwork Reduction Act of 1995.

**DATES:** Comments must be received on or before July 8, 2024 to be assured of consideration.

**ADDRESSES:** Comments may be submitted electronically on [WWW.REGULATIONS.GOV](http://WWW.REGULATIONS.GOV) (EIB 92-29), by email to Cristina Conti [Conti@exim.gov](mailto:Conti@exim.gov), or by mail to Cristina Conti, Export-Import Bank of the United States, 811 Vermont Ave. NW, Washington, DC 20571.

**FOR FURTHER INFORMATION CONTACT:** To request additional information please contact Cristina Conti, [Cristina.conti@exim.gov](mailto:Cristina.conti@exim.gov), 202-565-3804.

**SUPPLEMENTARY INFORMATION:** The “Report of Premiums Payable for Exporters Only” form is used by exporters to report and pay premiums on insured shipments to various foreign buyers under the terms of the policy and to certify that premiums have been correctly computed and remitted. Individual transactions that an exporter may have with the same foreign borrower can be sub-totaled and entered as a single line item for the specific month provided the length of payment term is identical. The use of sub-totals reduces the administrative burden on the exporter. The ‘Report of Premiums Payable for Exporters Only’ is used by the Bank to determine the eligibility of the shipment(s) and to calculate the premium due to Ex-Im Bank for its support of the shipment(s) under its insurance program.

No changes are being made to the form in use.

The application tool can be reviewed at <https://img.exim.gov/s3fs-public/forms/eib92-29.pdf>.
