

In accordance with Executive Order 14035 (June 25, 2021) and consistent with law, EPA values and welcomes opportunities to increase diversity, equity, inclusion, and accessibility on its Federal advisory committees. EPA's Federal advisory committees strive to have a workforce that reflects the diversity of the American people.

The following criteria will be used to evaluate applicants:

- The HBCU-MSI AC will be composed of approximately 15-20 members who will generally serve as Representative members of non-federal interests appointed by the Administrator of EPA.

- Members must have a strong affiliation with HBCUs and/or MSIs or the communities represented and served by HBCUs and/or MSIs, including through education, work, or partnerships.

- Members must demonstrate a knowledge of the student continuum from college to career, preferably through related experience with HBCUs and/or MSIs. In selecting members, EPA will consider candidates from business and industry, academic institutions, State, local and Tribal governments, public interest groups, environmental organizations, service groups, and more. In determining a fair spread across categories, no more than 60% of the advisory committee can come from a single categorical entity.

- Members must demonstrate notable commitment to environmental issues with extensive involvement, knowledge, or engagement with relevant material and/or affected communities.

- Members must demonstrate a working knowledge of Federal, State, and local government operations and systems.

- Members must demonstrate a notable commitment to Diversity, Equity, Inclusion and Accessibility, including for underserved communities.

- Members must demonstrate an ability to work in a consensus building process with a wide range of representative from diverse constituencies.

- Members must be able to contribute approximately 10 to 15 hours per month to HBCU-MSI AC activities, including the attendance at meetings and participating in the development of advice letters/reports and other material.

- Members must demonstrate potential for active and constructive involvement in HBCU-MSI AC work.
