

- *Priority Area 1—SHIP*: Only existing SHIP grant recipients or (SHIP-designated state agencies) are eligible to apply.

- *Priority Area 2—AAA*: Only State Units on Aging (SUA) (or SUA-designated state agencies) are eligible to apply.

- *Priority Area 3—ADRC*: Only agencies that are established ADRCs (or designated state agency serving as the No Wrong Door lead) are eligible to apply.

Eligibility may change if future funding is available.

2. No Match or Cost Sharing is required.

3. Unique Entry ID Number

Unique Entity ID: All grant applicants must obtain and keep current a Unique Entity ID (UEI). On April 4, 2022, the unique entity identifier used across the federal government changed from the DUNS Number to the Unique Entity ID (generated by *SAM.gov*). The Unique Entity ID is a 12-character alphanumeric ID assigned to an entity by *SAM.gov*. The UEI is viewable in your *SAM.gov* entity registration record.

4. Intergovernmental Review

Executive Order 12372, Intergovernmental Review of Federal Programs, is not applicable to these grant applications.

III. Submission Information

1. Application Kit/Program Instructions are available at www.grantsolutions.gov. Instructions for completing the application kit will be available on the site.

2. Submission Dates and Times.

To receive consideration, applications must be submitted by 11:59 p.m. (ET) on July 8, 2024, through www.GrantSolutions.gov.

IV. Agency Contact

Direct inquiries regarding programmatic issues to: Margaret Flowers, Phone: 202.795.7315, Email: Margaret.Flowers@acl.hhs.gov.

Dated: May 5, 2024.

Alison Barkoff,

Principal Deputy Administrator for the Administration for Community Living, performing the delegable duties of the Administrator and the Assistant Secretary for Aging.

Administration for Community Living

Announcing the Intent To Award a Single-Source Supplement for the National Falls Prevention Resource Center

AGENCY: Administration for Community Living, HHS.

ACTION: Notice.

SUMMARY: The Administration for Community Living (ACL) announces the intent to award a single-source supplement to the current cooperative agreement held by the National Council on Aging (NCOA) for the National Falls Prevention Resource Center. The purpose of this program is to advance the development and expansion of technical assistance, education, and resources to increase public awareness about the risk of falls and how to prevent them; increase the number of older adults and adults with disabilities who participate in evidence-based community falls prevention programs; and support the integration and sustainability of evidence-based falls prevention programs within community integrated health networks.

DATES: The period of performance for this award will be August 1, 2021, to July 31, 2026.

FOR FURTHER INFORMATION CONTACT: For further information or comments regarding this program supplement, contact Donna Bethge, U.S. Department of Health and Human Services, Administration for Community Living, Administration on Aging, Office of Nutrition and Health Promotion Programs, 202-795-7659, email donna.bethge@acl.hhs.gov.

SUPPLEMENTARY INFORMATION: The purpose of this supplement is to:

- provide further development of leaders in the falls prevention network through continuation of the fellowship program to focus on systems change to reduce falls, falls risk factors, and fall related injuries to ultimately improve the lives of older adults and save health care dollars; and
- augment innovative falls prevention projects that cultivate and leverage collaborations with traditional and new partners to address one or more of the recommendations included in the National Falls Prevention Action Plan that will be updated as a result of the National Falls Prevention Summit in September 2024.

The administrative supplement for FY 2024 will be in the amount of \$440,402,

bringing the total award for FY 2024 to \$1,440,402.

The additional funding will not be used to begin new projects, but it will be used to enhance existing efforts. The grantee will continue to provide appropriate, quality falls prevention resources, increase public awareness about falls prevention and the risk of falls, support the implementation of evidence-based falls prevention programs, and seek new opportunities to embed falls prevention evidence-based programs in the community.

Program Name: National Falls Prevention Resource Center.

Recipient: National Council on Aging (NCOA).

Period of Performance: The supplement award will be issued for the fourth year of a five-year project period of August 1, 2021, to July 31, 2026.

Total Award Amount: \$1,440,402 in FY 2024.

Award Type: Cooperative Agreement Supplement.

Basis for Award: National Council on Aging (NCOA) is currently funded to carry out the objectives of this project through its current cooperative agreement entitled, National Falls Prevention Resource Center for the period of August 1, 2021, through July 31, 2026. Since the project's implementation, the grantee has made satisfactory progress toward its approved work plan. The supplement will enable the grantee to carry their work even further, enhancing the support they provide to the Aging Network Falls Prevention Providers. The additional funding will not be used to begin new projects or activities, but rather to enhance efforts.

NCOA is uniquely positioned to complete the work called for under this project. They have an already established infrastructure and are a known and trusted organization in the Aging Network. Prior to this current award, NCOA competed and was twice awarded the National Falls Prevention Resource Center for the past eight (8) years. They have an established presence within the Aging Network. They have a comprehensive, interactive web-based repository (<https://ncoa.org/professionals/health/center-for-healthy-aging/national-falls-prevention-resource-center>) with tools and resources, including—best practices tip sheets, program and fidelity guidance, Falls Prevention Awareness Week toolkit, educational webinars, Grand Rounds recordings, articles covering topics from program implementation through sustainability, resource hubs, policy and practice models, the Falls Free Checkup online screening tool and

they maintain the national falls prevention database. Under this current award period, they are providing technical assistance and educational opportunities for the Aging Network's Falls Prevention efforts, including workgroups, webinars, and live trainings. They collaborate nationally with state falls prevention collaborators and host the annual Age + Action Conference, a grantee gathering to explore solutions to ensure equitable aging for all, connecting with colleagues, sharing innovative ideas, and discussing policy solutions that can be achieved together on behalf of older adults. They have reached thousands of providers using their comprehensive database of SUAs, AAAs, and other Falls Prevention Program stakeholders. In addition, they have developed partnerships with organizations, universities, and other entities to provide technical assistance, education, and support for the Aging Network.

Establishing an entirely new grant project at this time would be potentially disruptive to the current work already well under way. More importantly, it could cause confusion among the Aging Network Falls Prevention Program Providers and stakeholders, which could have a negative effect on training, implementation, and support opportunities. If this supplement were not provided, the project would be unable to address the significant unmet needs of the Aging Network Falls Prevention Program.

Statutory Authority: The Older Americans Act of 1965, section 411, as amended (42 U.S.C. 3032); and the Patient Protection and Affordable Care Act, 42 U.S.C. 300u–11.

Dated: May 6, 2024.

Allison Barkoff,

Principal Deputy Administrator for the Administration for Community Living, performing the delegable duties of the Administrator and the Assistant Secretary for Aging.

Notice To Announce the Significant Changes to the NIH Grants Policy Statement for Fiscal Year 2024

AGENCY: National Institutes of Health, HHS.

ACTION: Notice.

SUMMARY: The National Institutes of Health (NIH) announces publication of the updated significant changes that have already been made to the NIH Grants Policy Statement (GPS) in fiscal year 2023 that will be reflected in the GPS for fiscal year 2024. The NIH GPS provides both up-to-date policy guidance that serves as NIH standard terms and conditions of award for all NIH grants and cooperative agreements, and extensive guidance to those who are interested in pursuing NIH grants. This update incorporates significant changes for FY 2024, such as new and modified requirements, clarifies certain policies, and implements changes in statutes, regulations, and policies that have been implemented through appropriate legal
