

Paperwork Reduction Act Requirements

There are no changes to the information collection request for OCCSP that has been approved by the Office of Management and Budget (OMB) under the Paperwork Reduction Act. The OMB control number for the approval is 0560-0289.

Environmental Review

The environmental impacts have been considered in a manner consistent with the provisions of the National Environmental Policy Act (NEPA, 42 U.S.C. 4321-4347), the regulations of the Council on Environmental Quality (40 CFR parts 1500-1508), and the FSA regulation for compliance with NEPA (7 CFR part 799). The purpose of OCCSP is to provide cost share assistance to producers and handlers of agricultural products in obtaining organic certification. This NOFA merely announces funding availability and program deadlines for the 2024 program year. FSA is not making substantive changes to OCCSP.

As such, the Categorical Exclusions found at 7 CFR part 799.31 apply, specifically 7 CFR 799.31(b)(6)(iii) (that is, financial assistance to supplement income). No Extraordinary Circumstances (7 CFR 799.33) exist. As such, FSA has determined that this NOFA does not constitute a major Federal action that would significantly affect the quality of the human environment, individually or cumulatively. Therefore, FSA will not prepare an environmental assessment or environmental impact statement for this administrative action and this NOFA serves as documentation of the programmatic environmental compliance decision.
