Notification to Importers

This notice serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this POR. Failure to comply with this requirement could result in the presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

Administrative Protective Order

This notice also serves as a reminder to parties subject to an administrative protective order (APO) of their responsibility concerning the destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3). Timely written notification of the return or destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a sanctionable violation.

Notification to Interested Parties

We are issuing and publishing these results in accordance with sections 751(a)(1) and 777(i)(1) of the Act and 19 CFR 351.213(h) and 351.221(b)(5) of Commerce's regulations.

Certain Paper Shopping Bags From the Republic of Türkiye: Antidumping Duty Order

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: Based on affirmative final determinations by the U.S. Department of Commerce (Commerce) and the U.S. International Trade Commission (ITC), Commerce is issuing an antidumping duty order on certain paper shopping bags (paper shopping bags) from the Republic of Türkiye (Türkiye).

DATES: Applicable May 9, 2024.

FOR FURTHER INFORMATION CONTACT: Luke Caruso, AD/CVD Operations, Office IV, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482–2081.

SUPPLEMENTARY INFORMATION:

Background

On March 18, 2024, Commerce published in the **Federal Register** its affirmative final determination in the less-than-fair-value (LTFV) investigation of paper shopping bags from Türkiye.¹

¹ See *Certain Paper Shopping Bags from the Republic of Turkey: Final Affirmative Determination of Sales at Less Than Fair Value*, 89 FR 19295 (March 18, 2024) (*Final Determination*).

On May 3, 2024, Commerce published in the **Federal Register** a correction of the *Final Determination*.² Pursuant to section 735(d) of the Tariff Act of 1930, as amended (the Act), on May 2, 2024, the ITC notified Commerce of its affirmative final determination that an industry in the United States is materially injured, within the meaning of section 735(b)(1)(A)(i) of the Act, by reason of imports of paper shopping bags from Türkiye that are sold in the United States at LTFV.³

Scope of the Order

The products covered by this order are paper shopping bags from Türkiye. For a complete description of the scope of this order, see the appendix to this notice.

Antidumping Duty Order

Based on the above-referenced affirmative final determinations, in accordance with sections 735(c)(2) and 736 of the Act, Commerce is issuing this antidumping duty order. Moreover, because the ITC determined that U.S. imports of paper shopping bags from Türkiye are materially injuring a U.S. industry, unliquidated entries of such merchandise from Türkiye, entered or withdrawn from warehouse for consumption, as described below, are subject to the assessment of antidumping duties.

Therefore, in accordance with section 736(a)(1) of the Act, Commerce will direct U.S. Customs and Border Protection (CBP) to assess, upon further instruction by Commerce, antidumping duties equal to the amount by which the normal value of the merchandise exceeds the export price or constructed export price of the merchandise, for all relevant entries of paper shopping bags from Türkiye. With the exception of entries occurring after expiration of the provisional measures period, but before publication of the ITC's final affirmative injury determination, as further described below, antidumping duties will be assessed on unliquidated U.S. entries of paper shopping bags from Türkiye entered, or withdrawn from warehouse, for consumption on or after January 3, 2024, the date of publication of the *Preliminary Determination* in this investigation in the **Federal Register**.⁴

² See *Certain Paper Shopping Bags from the Republic of Türkiye: Final Affirmative Determination of Sales at Less Than Fair Value; Correction*, 89 FR 36753 (May 3, 2024).

³ See ITC's Letter, Investigation No. 731–TA–1626 (Final), dated May 2, 2024.

⁴ See *Certain Paper Shopping Bags from the Republic of Turkey: Preliminary Affirmative Determination of Sales at Less Than Fair Value*, 89 FR 339 (January 3, 2024) (*Preliminary Determination*).

Continuation of Suspension of Liquidation

Except as noted in the “Provisional Measures” section of this notice below, in accordance with section 736 of the Act, Commerce will instruct CBP to continue to suspend liquidation of all relevant entries of paper shopping bags from Türkiye. These instructions suspending liquidation will remain in effect until further notice.

Commerce will also instruct CBP to require cash deposits at a rate equal to the estimated weighted-average dumping margins listed in the table below. Accordingly, effective on the date of publication in the **Federal Register** of the notice of the ITC’s affirmative final injury determination, CBP will require, at the same time as importers would normally deposit estimated duties on subject merchandise, a cash deposit at the rate

equal to the relevant estimated weighted-average dumping margins listed in the table below. The all-others rate applies to all producers or exporters not specifically listed.

Estimated Weighted-Average Dumping Margins

The estimated weighted-average dumping margins for this antidumping duty order are as follows:

Exporter or producer	Estimated weighted-average dumping margin (percent)

Provisional Measures

Section 733(d) of the Act states that suspension of liquidation pursuant to an affirmative preliminary determination may not remain in effect for more than four months, except where exporters representing a significant proportion of exports of the subject merchandise request that Commerce extend the four-month period to no more than six months.

Commerce published the *Preliminary Determination* in this investigation on January 3, 2024. Commerce did not extend the deadline for issuing its final determination in this investigation, which it published in the **Federal Register** on March 18, 2024. Therefore, the four-month period beginning on the date of publication of the *Preliminary Determination* ended on May 1, 2024.

Consequently, in accordance with section 733(d) of the Act, Commerce will instruct CBP to terminate the suspension of liquidation, and to liquidate, without regard to antidumping duties, unliquidated U.S. entries of paper shopping bags from Türkiye entered, or withdrawn from warehouse, for consumption after May

1, 2024, the final day on which the provisional measures were in effect, through the day preceding the date of publication of the ITC’s affirmative final injury determination in the **Federal Register**. Suspension of liquidation and the collection of cash deposits will resume on the date of publication of the ITC’s affirmative final injury determination in the **Federal Register**.

Establishment of the Annual Inquiry Service Lists

On September 20, 2021, Commerce published the final rule titled *Regulations to Improve Administration and Enforcement of Antidumping and Countervailing Duty Laws* in the **Federal Register**.⁵ On September 27, 2021, Commerce published a notification titled *Scope Ruling Application; Annual Inquiry Service List; and Informational Sessions* in the **Federal Register**.⁶ The

⁵ See *Regulations to Improve Administration and Enforcement of Antidumping and Countervailing Duty Laws*, 86 FR 52300 (September 20, 2021) (*Final Rule*).

⁶ See *Scope Ruling Application; Annual Inquiry Service List; and Informational Sessions*, 86 FR 53205 (September 27, 2021) (*Procedural Guidance*).

Final Rule and *Procedural Guidance* provide that Commerce will maintain an annual inquiry service list for each order or suspended investigation, and any interested party submitting a scope ruling application or request for circumvention inquiry shall serve a copy of the application or request on the persons on the annual inquiry service list for that order, as well as any companion order covering the same merchandise from the same country of origin.⁷

In accordance with the *Procedural Guidance*, for orders published in the **Federal Register** after November 4, 2021, Commerce will create an annual inquiry service list segment in Commerce’s online e-filing and document management system, Antidumping and Countervailing Duty Electronic Service System (ACCESS), available at <https://access.trade.gov>, within five business days of publication of the notice of the order. Each annual inquiry service list will be maintained in ACCESS, under each case number, and under a specific segment type

⁷ *Id.*

called “AISL-Annual Inquiry Service List.”⁸

Interested parties who wish to be added to the annual inquiry service list for an order must submit an entry of appearance in the annual inquiry service list segment in ACCESS for the order within 30 days after the date of publication of the order in the **Federal Register**. For ease of administration, Commerce requests that a law firm with more than one attorney representing an interested party in an order designate a lead attorney to be included on the annual inquiry service list. Commerce will finalize the annual inquiry service list within five business days thereafter. As mentioned in the *Procedural Guidance*, the new annual inquiry service list will be in place until the following year, when the *Opportunity Notice* for the anniversary month of the order is published in the **Federal Register**.

Commerce may update an annual inquiry service list at any time, as needed, based on interested parties’ amendments to their entries of appearance to remove, or otherwise modify, their list of members and representatives, or to update contact information. Changes or announcements pertaining to these procedures will be posted to the ACCESS website at <https://access.trade.gov>.

Special Instructions for Petitioners and Foreign Governments

In the *Final Rule*, Commerce stated that, “after an initial request and placement on the annual inquiry service list, both petitioners and foreign governments will automatically be placed on the annual inquiry service list in the years that follow.”⁹ Accordingly, as stated above, the petitioners and foreign governments should submit their initial entry of appearance after publication of this notice in the **Federal Register** in order to appear in the first annual inquiry service list for those orders for which they qualify as an interested party. Pursuant to 19 CFR 351.225(n)(3), the petitioners and foreign governments will not need to resubmit their entries of appearance

⁸ This segment will be combined with the ACCESS Segment Specific Information (SSI) field which will display the month in which the notice of the order or suspended investigation was published in the **Federal Register**, also known as the anniversary month. For example, for an order under case number A-000-000 that was published in the **Federal Register** in January, the relevant segment and SSI combination will appear in ACCESS as “AISL-January Anniversary.” Note that there will be only one annual inquiry service list segment per case number, and the anniversary month will be pre-populated in ACCESS.

⁹ See *Final Rule*, 86 FR 52335.

each year to continue to be included on the annual inquiry service list. However, the petitioners and foreign governments are responsible for making amendments to their entries of appearance during the annual update to the annual inquiry service list in accordance with the procedures described above.
