mission is to provide advice and

security matters, including developing,
refining, and implementing policies,
programs, rulemakings, and security
directives pertaining to aviation
security, while adhering to sensitive
security guidelines.

that confirms receipt of your application
and will notify you of the final status of
your application once TSA selects

FOR FURTHER INFORMATION CONTACT:

SUPPLEMENTARY INFORMATION: The ASAC
is an advisory committee established
pursuant to 49 U.S.C. 44946. The
committee is composed of individual
members representing 19 key
constituencies affected by aviation
security requirements, as defined at 49
U.S.C. 44946(c)(1)(C).

This request for applications is
limited to specific membership
categories. Consistent with applicable
law, TSA is committed to pursuing
opportunities to appoint a committee
that reflects the diversity of the United
States. The following list provides the
key constituencies and identifies with
an asterisk (*) the constituencies for
whom the current representative's term
is expiring:

1. Air carriers.
2. All-cargo air transportation.*
3. Labor organizations representing air
carrier employees (3 vacancies).*
4. Aircraft manufacturers.*

category and the number of members in
a category may change to fit the needs
of the Committee. As required by the
statute, however, individuals selected
on the ASAC may not represent more
than 34 member organizations.

Appointees will be designated as
Representative members. Representative
members speak for the key constituency

group they represent. Membership on
ASAC is personal to the appointee and
a member may not send an alternate to
a Committee meeting. Pursuant to 49
U.S.C. 44946(c)(3), members shall not
receive pay, allowances, or benefits
from the Government by reason of their
service on ASAC.

Committee Meetings

The ASAC typically convenes four
times per year. Additional meetings may
be held with the approval of the
Designated Federal Official. While at
least one meeting per year is open to the
public, the other meetings are typically
closed to the public due to the sensitive
nature of the material discussed. In
addition, members are expected to
participate on ASAC subcommittees
that typically meet more frequently to
deliberate and discuss specific aviation
matters.

Committee Membership

Committee members are appointed
by, and serve at the pleasure of, the TSA
Administrator for a 2-year term or until
a successor is appointed. Members who
are currently serving on the Committee
are eligible to reapply for membership (a
new application is required).

Committee Membership Vetting

All applicants that are presented to
the TSA Administrator for appointment
to ASAC must successfully complete a
Security Threat Assessment (STA) by
TSA, as access to sensitive security
information will be necessary. U.S.
citizens and those meeting residency
requirements will be vetted using TSA's
Universal Enrollment Services (UES),
which includes the collection of
biographic and biometric information to
allow TSA to perform the STA in
regards to criminal history, intelligence,
and citizenship. Selected applicants
will be offered a no-cost authorization
code to complete the three-step UES
process; which includes online pre-
enrollment, coordinating a visit to an
enrollment center, and the in-person
visit to the enrollment center.

Non-U.S. applicants presented for
appointment to ASAC will be required
to complete additional vetting. This
vetting will include the completion and
submission of TSA Form 2816B form,
which must be submitted at least 30
days before visiting TSA spaces.

Application for Advisory Committee Appointment

TSA is seeking applications for the
membership categories which are
marked with an asterisk in the
Supplementary Information section
above. Any person wishing to be

considered for appointment to ASAC must provide the following:

- Complete professional resume.
- Statement of interest and reasons for application, including the membership category and how you represent a significant portion of that constituency and also provide a brief explanation of how you can contribute to one or more TSA strategic initiatives, based on your prior experience with TSA, or your review of current TSA strategic documents that can be found at www.tsa.gov/about/strategy.
