

as the Commission may designate, it has become effective pursuant to Section 19(b)(3)(A) of the Act¹⁴ and Rule 19b-4(f)(6) thereunder.¹⁵

A proposed rule change filed under Rule 19b-4(f)(6)¹⁶ normally does not become operative prior to 30 days after the date of the filing. However, pursuant to Rule 19b-4(f)(6)(iii),¹⁷ the Commission may designate a shorter time if such action is consistent with the protection of investors and the public interest. FINRA has asked the Commission to waive the 30-day operative delay so that the proposed rule change may become operative upon filing. As outlined above, FINRA states that it plans to reach out to all impacted individuals and inform them of the new CE completion period established by this rule change. FINRA has indicated that the immediate operation of the proposed rule change is appropriate so that FINRA can communicate the rule change to impacted individuals promptly. FINRA also believes that immediate operation of the proposed rule change is appropriate because it would provide clarity to impacted individuals without unnecessary delay. For these reasons, the Commission believes that waiving the 30-day operative delay is consistent with the protection of investors and the public interest. Therefore, the Commission hereby waives the operative delay and designates the proposal operative upon filing.¹⁸

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule should be approved or disapproved.

SOCIAL SECURITY ADMINISTRATION

[Docket No. SSA-2024-0009]

Maximum Dollar Limit in the Fee Agreement Process

AGENCY: Social Security Administration.
ACTION: Notice.

SUMMARY: We are increasing the maximum dollar amount limit for fee agreements approved under the Social Security Act (the Act) to \$9,200. Effective November 30, 2024, we may approve fee agreements up to the new dollar limit, provided that the fee agreement otherwise meets the statutory conditions of the agreement process.

DATES: We will apply this notice beginning on November 30, 2024.

FOR FURTHER INFORMATION CONTACT: Mary Quatroche, Office of Vocational, Evaluation, and Process Policy in the Office of Disability Policy, Social Security Administration, 6401 Security Boulevard, Baltimore, MD 21235-6401, (410) 966-4794.

For information on eligibility or filing for benefits, call the Social Security Administration's (SSA) national toll-free number, 1-800-772-1213 or TTY 1-800-325-0778, or visit SSA's internet site, Social Security Online at <http://www.socialsecurity.gov>.

SUPPLEMENTARY INFORMATION: The Act provides a streamlined process for a representative to obtain approval of the fee the representative wishes to charge for representing a claimant before us.¹ To use that fee agreement process, the

representative(s) and the claimant must agree, in a signed writing, to a fee that does not exceed the limit set by the statute, which is the lesser of 25 percent of past due benefits or a prescribed dollar amount. Section 5106 of the Omnibus Budget Reconciliation Act (OBRA) of 1990, Public Law 101-508, set the initial fee amount at \$4,000 and gave the Commissioner the authority to increase it periodically, provided that the cumulative rate of increase did not at any time exceed the rate of increase in the primary insurance amount (PIA) since January 1, 1991. The law further provided that notice of any increased amount shall be published in the **Federal Register**. On June 30, 2022, we published a notice raising the maximum fee to \$7,200, effective November 30, 2022, which is the current maximum dollar amount for fee agreements.²

With this notice, we announce that the maximum dollar amount under the fee agreement process, will increase to \$9,200, effective November 30, 2024. This increase does not exceed the rate of increase provided in the OBRA of 1990. We expect that this increase will compensate representatives for their services while ensuring claimants are protected from excessive fees. In setting the new cap, we considered a number of factors, including: data about fees authorized under the current fee cap, data about case backlogs, COLA, PIAs, feedback we received about the current fee cap, increases in disability benefits, and the effects on our claimants.

Beginning November 30, 2024, decision makers may approve a fee agreement up to the new dollar limit if the fee agreement meets the statutory conditions for approval, no exceptions to the fee agreement process exist, and the favorable determination or decision is issued on or after this date. We are setting this date to ensure that there is adequate time to provide training and guidance to our employees and to make the necessary changes in our information technology infrastructure.

Starting in January 2026, along with our announcements of other cost of living adjustments (COLA) (e.g., for title II benefits, title XVI payments, or the appointed representative fee assessment), we will annually address the maximum dollar amount for fee agreements and provide a rationale for either increasing or not increasing the maximum dollar amount based upon the annual COLA for the prior year. Future increases will not exceed the rate of increase provided in the OBRA of 1990. We expect that future increases will compensate representatives for
