

Lead and Cooperating Agencies

The BLM and FWS are co-lead agencies. Cooperating agencies consist of the State of Utah Public Lands Policy Coordinating Office, State of Utah Department of Environmental Quality, State of Utah Trust Lands Administration, Washington City, Dixie Metropolitan Planning Organization, City of St. George, City of Ivins, Santa Clara City, City of Hurricane, the Paiute Indian Tribe of Utah, and the Shivwits Band of the Paiute Indian Tribe of Utah.

Additional Information

There may be changes to the Draft SEIS based on information received during the public comment period and the gathering of additional data and analyses. The BLM and FWS invite and encourage detailed comments on all alternatives, alignments, actions, and analyses provided in the Draft SEIS.

The BLM and FWS will continue to consult with Indian Tribal Nations on a government-to-government basis in accordance with Executive Order 13175, BLM Manual Section 1780, and other Departmental policies. Tribal concerns, including impacts on Indian trust assets and potential impacts to cultural resources, will be given due consideration.

Before including your address, phone number, email address, or other personal identifying information in your comment, you should be aware that your entire comment—including your personal identifying information—may be made publicly available at any time. While you can include in your comment a request to withhold your personal identifying information from public review, the agencies cannot guarantee that they will be able to do so.

BILLING CODE 7020-02-P

DEPARTMENT OF LABOR**Employment and Training Administration****Agency Information Collection Activities; Comment Request; National Agricultural Workers Survey**

ACTION: Notice.

SUMMARY: The Department of Labor's (DOL's) Employment and Training Administration (ETA) is soliciting comments concerning a proposed revision for the authority to conduct the information collection request (ICR) titled, "National Agricultural Workers Survey." This comment request is part of continuing Departmental efforts to reduce paperwork and respondent burden in accordance with the

Paperwork Reduction Act of 1995 (PRA).

DATES: Consideration will be given to all written comments received by July 9, 2024.

ADDRESSES: A copy of this ICR with applicable supporting documentation, including a description of the likely respondents, proposed frequency of response, and estimated total burden, may be obtained free by contacting Mr. Daniel Carroll by telephone at 202-693-2795 (this is not a toll-free number) or by email at carroll.daniel@dol.gov. For persons with a hearing or speech disability who need assistance to use the telephone system, please dial 711 to access telecommunications relay services.

Submit written comments about, or requests for a copy of, this ICR by mail or courier to the U.S. Department of Labor, Employment and Training Administration, Office of Policy Development and Research, Room N-5641, 200 Constitution Ave. NW, Washington, DC 20210; by email: carroll.daniel@dol.gov; or by Fax 202-693-2766.

FOR FURTHER INFORMATION CONTACT: Mr. Wayne Gordon by telephone at 202-693-3179 (this is not a toll-free number) or by email at gordon.wayne@dol.gov.

Authority: 44 U.S.C. 3506(c)(2)(A).

SUPPLEMENTARY INFORMATION: DOL, as part of continuing efforts to reduce paperwork and respondent burden, conducts a pre-clearance consultation program to provide the general public and Federal agencies an opportunity to comment on proposed and/or continuing collections of information before submitting them to the Office of Management and Budget (OMB) for final approval. This program helps to ensure requested data can be provided in the desired format, reporting burden (time and financial resources) is minimized, collection instruments are clearly understood, and the impact of collection requirements can be properly assessed.

The National Agricultural Workers Survey (NAWS) is an employment-based, annual survey of the demographic, employment, and health characteristics of hired crop workers, including those who employers hire indirectly through labor contractors. The survey began in 1988. It is distinct from other farm labor information sources, such as the United States Department of Agriculture's Farm Labor Survey, in that it collects information directly from crop workers. Each year the NAWS contractor interviews between 1,500 and 3,500 crop workers. The contractor interviews crop workers
