

of 18 under the menace of any penalty for its nonperformance and for which the worker does not offer himself voluntarily; or (2) performed by any person under the age of 18 pursuant to a contract the enforcement of which can be accomplished by process or penalties.”

Pursuant to E.O. 13126, and following public notice and comment, the Department of Labor published in the January 18, 2001 **Federal Register** the first E.O. List of products, along with their respective countries of origin, that DOL, in consultation and cooperation with the Department of State and the Department of the Treasury (whose relevant responsibilities are now within the Department of Homeland Security), had a reasonable basis to believe might have been mined, produced or manufactured with forced or indentured child labor (66 FR 5353). This list included 11 goods produced in 12 countries. DOL also published the Procedural Guidelines on January 18, 2001, which provide procedures for the maintenance, review, and, as appropriate, revision of the E.O. List (66 FR 5351).

The Procedural Guidelines provide that the E.O. List may be revised through consideration of submissions by individuals and on the three Departments’ own initiative. When proposing a revision to the E.O. List, DOL must publish in the **Federal Register** a notice of initial determination, which includes any proposed alteration to the E.O. List. The three Departments will consider all public comments prior to the publication of a final determination of a revised E.O. List.

On January 18, 2001, pursuant to Section 3 of E.O. 13126, the Federal Acquisition Regulatory Council published a final rule to implement specific provisions of E.O. 13126 that require, among other things, that Federal contractors who supply products that appear on the list certify to the contracting officer that the contractor, or, in the case of an incorporated contractor, a responsible official of the contractor, has made a good faith effort to determine whether forced or indentured child labor was used to mine, produce, or manufacture any product furnished under the contract and that, on the basis of those efforts, the contractor is unaware of any such use of forced or indentured child labor (48 CFR subpart 22.15).

On September 11, 2009, the Department of Labor published an initial determination in the **Federal Register** proposing to revise the E.O. List to include 29 products from 21

countries. The Notice requested public comments for a period of 90 days. Public comments were received and reviewed by all relevant agencies and a final determination was issued on July 20, 2010. Following the same process, the E.O. List was revised again in 2011, 2012, 2013, 2014, 2019, and 2022. The most recent E.O. List, finalized on July 13, 2022, includes 34 products from 26 countries.

The current E.O. List and the Procedural Guidelines can be accessed at <https://www.dol.gov/agencies/ilab/reports/child-labor/list-of-products> or can be obtained from: OCFT, Bureau of International Labor Affairs, Room S-5313, U.S. Department of Labor, 200 Constitution Avenue NW, Washington, DC 20210; telephone: (202) 693-4843; fax (202) 693-4830.
