Certain Frozen Warmwater Shrimp From India: Notice of Initiation and Preliminary Results of Antidumping Duty Changed Circumstances Review

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The U.S. Department of Commerce (Commerce) is initiating a changed circumstances review (CCR) to determine if Varma Marine Private Limited (Varma) is the successor-in-interest to Varma Marine in the context of the antidumping duty (AD) order on certain frozen warmwater shrimp (shrimp) from India. We preliminarily determine that Varma is the successor-in-interest to Varma Marine.

DATES: Applicable May 13, 2024.

FOR FURTHER INFORMATION CONTACT: Whitley Herndon, AD/CVD Operations, Office IX, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482-6274.

SUPPLEMENTARY INFORMATION:**Background**

On February 1, 2005, Commerce published in the *Federal Register* the order on shrimp from India.¹ On March 19, 2024, Varma requested that, pursuant to section 751(b)(1) of the Tariff Act of 1930, as amended (the Act), 19 CFR 351.216, and 19 CFR 351.221(c)(3), Commerce conduct an expedited CCR² to determine that Varma is the successor-in-interest to Varma Marine and, accordingly, assign to it the cash deposit rate for Varma Marine.³ In its submission, Varma stated that, in 2023, Varma and Varma Marine signed a takeover agreement to transfer all of Varma Marine's assets and liabilities to Varma.⁴ Thus, Varma operates as essentially the same

business entity as Varma Marine with respect to the production and sale of subject merchandise.

Scope of the Order

The merchandise subject to the order is certain frozen warmwater shrimp. For a complete description of the scope of the Order, see the Preliminary Decision Memorandum.⁵

Initiation and Preliminary Results of CCR

Pursuant to section 751(b)(1)(A) of the Act and 19 CFR 351.216(d), Commerce will conduct a CCR upon receipt of information concerning, or a request from, an interested party for a review of an AD order which shows changed circumstances sufficient to warrant a review of the order. The information submitted by Varma supporting its claim that it is the successor-in-interest to Varma Marine demonstrates changed circumstances sufficient to warrant a review.⁶ Therefore, in accordance with section 751(b)(1)(A) of the Act and 19 CFR 351.216(d), we are initiating a CCR based upon the information contained in Varma's submission.

Section 351.221(c)(3)(ii) of Commerce's regulations permits Commerce to combine the notice of initiation of a CCR and the notice of preliminary results if Commerce concludes that expedited action is warranted.⁷ In this instance, because the record contains information necessary to make a preliminary finding, we find that expedited action is warranted and have combined the notice of initiation and the notice of preliminary results.⁸

In this CCR, pursuant to section 751(b) of the Act, Commerce conducted a successor-in-interest analysis. In making a successor-in-interest determination, Commerce examines several factors, including, but not limited to, changes in the following: (1) management; (2) production facilities; (3) supplier relationships; and (4) customer base.⁹ While no single factor

or combination of factors will necessarily provide a dispositive indication of a successor-in-interest relationship, generally, Commerce will consider the new company to be the successor to the previous company if the new company's resulting operation is not materially dissimilar to that of its predecessor.¹⁰ Thus, if the record evidence demonstrates that, with respect to the production and sale of the subject merchandise, the new company operates as the same business entity as the predecessor company, Commerce may assign the new company the cash deposit rate of its predecessor.¹¹

In accordance with 19 CFR 351.216, we preliminarily determine that Varma is the successor-in-interest to Varma Marine. Varma submitted record evidence which indicates that Varma operates as essentially the same business entity as Varma Marine with respect to the subject merchandise.¹²

For the complete successor-in-interest analysis, refer to the accompanying Preliminary Decision Memorandum. A list of the topics discussed in the Preliminary Decision Memorandum is included as an appendix to this notice. The Preliminary Decision Memorandum is a public document and is made available to the public via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at <https://access.trade.gov>.
