SUPPLEMENTARY INFORMATION:

I. Background

AGOA (Title I of the Trade and Development Act of 2000, Public Law 106-200) (19 U.S.C. 2466a *et seq.*), as amended, authorizes the President to designate sub-Saharan African countries as beneficiaries eligible for duty-free treatment for certain additional products not included for duty-free treatment under the Generalized System of Preferences (GSP) (Title V of the Trade Act of 1974 (19 U.S.C. 2461 *et seq.*) (1974 Act), as well as for the preferential treatment for certain textile and apparel articles. The President may designate a country as a beneficiary sub-Saharan African country eligible for AGOA benefits if he determines that the country meets the eligibility criteria set forth in section 104 of AGOA (19 U.S.C. 3703) and section 502 of the 1974 Act (19 U.S.C. 2462).

Section 104 of AGOA includes requirements that the country has established or is making continual

progress toward establishing, among other things:

- a market-based economy
- the rule of law
- political pluralism
- the right to due process
- the elimination of barriers to U.S. trade and investment
- economic policies to reduce poverty
- a system to combat corruption and bribery
- protection of internationally recognized worker rights

In addition, the country may not engage in activities that undermine U.S. national security or foreign policy interests or engage in gross violations of internationally recognized human rights. Section 502 of the 1974 Act provides for country eligibility criteria under GSP. For a complete list of the AGOA eligibility criteria and a list of the GSP criteria, see section 104 of the AGOA and section 502 of the 1974 Act.

Section 506A of the 1974 Act requires the President to monitor and annually review the progress of each sub-Saharan African country in meeting the foregoing eligibility criteria in order to determine if a beneficiary sub-Saharan African country should continue to be eligible, and if a sub-Saharan African country that currently is not a beneficiary, should be designated as a beneficiary. If the President determines that a beneficiary sub-Saharan African country is not making continual progress in meeting the eligibility requirements, the President must terminate the designation of the country as a beneficiary sub-Saharan African country. The President also may withdraw, suspend or limit the application of duty-free treatment with respect to specific articles from a country if the President determines that it would be more effective in promoting compliance with AGOA eligibility requirements than terminating the designation of the country as a beneficiary sub-Saharan African country.

For 2024, the President designated the following 32 countries as beneficiary sub-Saharan African countries:

1. Angola
2. Benin
3. Botswana
4. Cabo Verde
5. Chad
6. Comoros
7. Democratic Republic of Congo
8. Republic of Congo
9. Cote d'Ivoire
10. Djibouti

14. Guinea-Bissau

15. Kenya
16. Lesotho
17. Liberia
18. Madagascar
19. Malawi
20. Mauritania
21. Mauritius
22. Mozambique
23. Namibia
24. Nigeria
25. Rwanda (AGOA apparel benefits suspended effective July 31, 2018)
26. Sao Tome & Principe
27. Senegal
28. Sierra Leone
29. South Africa
30. Tanzania
31. Togo
32. Zambia

The President did not designate the following sub-Saharan African countries as beneficiary sub-Saharan African countries for 2024:

1. Burkina Faso
2. Burundi
3. Cameroon
4. Central African Republic
5. Equatorial Guinea (graduated from GSP)

The AGOA TPSC Subcommittee is requesting written public comments and will conduct a virtual public hearing for this review to develop recommendations in connection with the annual review of sub-Saharan African countries' eligibility for AGOA benefits. The Secretary of Labor may consider comments related to the child labor criteria to prepare the U.S. Department of Labor's report on child labor as required under section 504 of the 1974 Act.

II. Hearing Participation

The AGOA TPSC Subcommittee will convene a virtual public hearing to receive oral testimony related to sub-Saharan African countries' eligibility for AGOA benefits via WebEx on Monday, June 27, 2024, beginning at 10:00 a.m. EDT. If you want to observe the public hearing, you will find a link on USTR's web page for sub-Saharan Africa on the day of the hearing at <https://ustr.gov/countries-regions/africa>.

Number USTR–2024–0006. Instructions for submission are in sections III and IV below. Because the hearing will be public, testimony should not include any business confidential information (BCI). USTR will provide a link in advance of the virtual hearing to persons who have submitted requests to testify.

The AGOA TPSC Subcommittee requests small businesses (generally defined by the Small Business Administration as firms with fewer than 500 employees) or organizations representing small business members that submit comments to self-identify as such, so that AGOA TPSC Subcommittee may be aware of issues of particular interest to small businesses.

III. Procedures for Written Submissions

To be assured of consideration, submit your pre hearing written comments, requests to testify, and written testimony by the June 6, 2024, 11:59 p.m. EDT deadline, and submit post hearing written comments by the July 11, 2024, 5:00 p.m. EDT deadline. Federal Motor Carrier Safety Administration

[Docket No. FMCSA-2018-0346]

Safe Driver Apprenticeship Pilot Program To Allow Persons Ages 18, 19, and 20 To Operate Commercial Motor Vehicles in Interstate Commerce; Revision to Program Requirements

AGENCY: Federal Motor Carrier Safety Administration (FMCSA), Department of Transportation (DOT).

ACTION: Notice of revision to pilot program.

SUMMARY: The Infrastructure Investment and Jobs Act (IIJA), which was signed into law on November 15, 2021, required FMCSA to establish a pilot program that would allow employers to establish an apprenticeship program for certain 18-, 19-, and 20-year-old drivers to operate commercial vehicles in interstate commerce. FMCSA announced the establishment of the Safe Driver Apprenticeship Pilot (SDAP) Program in the *Federal Register* on January 14, 2022, including the requirements for motor carriers wishing to participate. This notice revises those requirements, as directed by Congress in the Consolidated Appropriations Act, 2024.

FOR FURTHER INFORMATION CONTACT: Ms. Nikki McDavid, Commercial Driver’s License Division, Federal Motor Carrier Safety Administration, 1200 New Jersey Avenue SE, Washington, DC 20590-0001, nikki.mcdavid@dot.gov, (202) 366-0831. If you have questions about viewing or submitting material to the docket, call DOT Dockets Operations, (202) 366-9826.

SUPPLEMENTARY INFORMATION:

I. Background

FMCSA announced the SDAP Program in the *Federal Register* on January 14, 2022 (87 FR 2477). In that notice, FMCSA included motor carrier requirements for participation, including installation and use of inward

facing cameras. FMCSA also included a requirement that motor carriers receive approval as a Registered Apprenticeship Program from the Department of Labor (DOL), in accordance with 29 CFR part 29.

On March 9, 2024, the President signed the Consolidated Appropriations Act, 2024 (Pub. L. 118-42). Section 422 of that Act states that FMCSA may not require motor carriers, wishing to participate in the SDAP Program, use inward facing cameras, or require them to become Registered Apprenticeships under DOL regulations.

II. Revision

In accordance with the Consolidated Appropriations Act, 2024, FMCSA will no longer require that motor carriers wishing to participate in the SDAP Program install or use inward facing cameras. Additionally, motor carriers will not be required to obtain a Registered Apprenticeship number from the Department of Labor before they will be allowed to participate in the SDAP Program.

III. Pilot Program Requirements and Procedures

Information Collection Approval

In accordance with the Paperwork Reduction Act (PRA) of 1995, FMCSA is requesting that the Office of Management and Budget (OMB) grant emergency clearance for a revision to the approved information collection titled, “Safe Driver Apprenticeship Pilot Program,” ICR Control Number 2126-0075. The emergency request updates the collection to reflect the Consolidated Appropriations Act, 2024, but notes that the expected data collection burdens on participants in the pilot program are not expected to change from those included in the collection that was approved in 2022. FMCSA requested that OMB approve the revision by April 15, 2024, to allow the changes to be in place in time for the next monthly reports for currently approved motor carriers. FMCSA is not requesting that OMB extend the approval of the collection beyond the currently approved expiration date of October 31, 2025.

Announcement of Revision to the Safe Driver Apprenticeship Pilot Program

In accordance with the Consolidated Appropriations Act, 2024, FMCSA will no longer require motor carriers wishing to participate in the SDAP Program install or use inward facing cameras. Additionally, motor carriers will not be required to obtain a Registered Apprenticeship number from the Department of Labor before they will be
