

Advisory Committee for Science Quality and Integrity (Committee). The Committee will advise the Secretary of the Interior and the USGS Director on matters related to the responsibilities of the USGS Office of Science Quality and Integrity (OSQI) including monitoring and enhancing the integrity, quality, and health of all USGS science. This is a second 30-day extension of the call for nominations published in the **Federal Register** on February 26, 2024.

DATES: The nomination period announced on April 10, 2024 (89 FR 25279) is extended. Nominations for membership on the Committee must be received no later than June 17, 2024.

ADDRESSES: You may submit nominations by any of the following methods: Mail nominations to Joanne Taylor, U.S. Geological Survey, Office of Science Quality and Integrity, 12201 Sunrise Valley Drive, Mailstop 911, Reston, VA 20192; or email nominations to jctaylor@usgs.gov.

FOR FURTHER INFORMATION CONTACT: Joanne Taylor, by mail at the U.S. Geological Survey, 12201 Sunrise Valley Drive, Mailstop 911, Reston, VA 20192; by telephone at 703-648-6837; or by email at jctaylor@usgs.gov.

SUPPLEMENTARY INFORMATION: The Committee is established under the authority of the Secretary of the Interior (Secretary) and regulated by the Federal Advisory Committee Act, as amended (5 U.S.C. ch. 10). The Committee's duties are strictly advisory and will include advising on: (a) Identification of key scientific quality and integrity processes to advance the USGS mission; (b) effective mechanisms for engaging the next-generation USGS workforce and others through the Youth and Education in Science (YES) program and with other Federal agencies in STEM and underserved communities; (c) the nature and effectiveness of mechanisms to provide oversight of science quality within USGS laboratories; and (d) mechanisms that may be employed by the USGS to ensure high standards of science quality and integrity in its programs and products.

The Committee will meet approximately one to two times per year. The Committee will consist of no more than 15 members appointed by the Secretary who represent the diversity of this nation's constituencies, and include the following interests:

- Local and State governments;
- Non-governmental organizations;
- Native American, Native Alaskan, and Native Hawaiian organizations, including representatives from Tribal governments and Tribal colleges;
- Academia; and

- Other stakeholders and sectors, including private industry, that make use of USGS science including, but not limited to, areas including laboratory sciences, natural resource managers, natural hazards protections, and wildlife organizations.

The Committee may include scientific experts and will include rotating representation from one or more local, Tribal, State, regional, and/or national organizations.

Nominations should include a resume providing an adequate description of the nominee's qualifications, including information that would enable the Department of the Interior (DOI) to make an informed decision regarding meeting the membership requirements of the Committee and to permit a potential member to be contacted.

Members of the Committee serve without compensation. However, while away from their homes or regular places of business, Committee and subcommittee members engaged in Committee or subcommittee business that the DFO approves may be allowed travel expenses, including per diem in lieu of subsistence, as authorized by 5 U.S.C. 5703, in the same manner as persons employed intermittently in Federal Government service.

The original call for nominations was published in the **Federal Register** (89 FR 14086) on February 26, 2024, with a 45-day nomination period ending April 11, 2024. The nomination period was then extended to May 10, 2024 (89 FR 25279). This notice provides additional time for nominations (see **DATES**, above).

Authority: 5 U.S.C. ch. 10.

Craig R. Robinson,

*Director, Office of Science Quality & Integrity,
U.S. Geological Survey.*

BILLING CODE 4338-11-P

INTERNATIONAL TRADE COMMISSION

[Investigation Nos. 731-TA-1675-1678 (Preliminary)]

Diocetyl Terephthalate (DOTP) From Malaysia, Poland, Taiwan, and Turkey; Determinations

On the basis of the record¹ developed in the subject investigations, the United States International Trade Commission ("Commission") determines, pursuant to the Tariff Act of 1930 ("the Act"), that there is a reasonable indication that

¹ The record is defined in § 207.2(f) of the Commission's Rules of Practice and Procedure (19 CFR 207.2(f)).

an industry in the United States is materially injured by reason of imports of diocetyl terephthalate ("DOTP") from Malaysia, Poland, Taiwan, and Turkey, provided for in subheadings 2917.39.20, 2917.39.70, and 3812.20.10 of the Harmonized Tariff Schedule of the United States, that are alleged to be sold in the United States at less than fair value ("LTFV").²

Commencement of Final Phase Investigations

Pursuant to section 207.18 of the Commission's rules, the Commission also gives notice of the commencement of the final phase of its investigations. The Commission will issue a final phase notice of scheduling, which will be published in the **Federal Register** as provided in section 207.21 of the Commission's rules, upon notice from the U.S. Department of Commerce ("Commerce") of affirmative preliminary determinations in the investigations under § 733(b) of the Act, or, if the preliminary determinations are negative, upon notice of affirmative final determinations in those investigations under § 735(a) of the Act. Parties that filed entries of appearance in the preliminary phase of the investigations need not enter a separate appearance for the final phase of the investigations. Any other party may file an entry of appearance for the final phase of the investigations after publication of the final phase notice of scheduling. Industrial users, and, if the merchandise under investigation is sold at the retail level, representative consumer organizations have the right to appear as parties in Commission antidumping investigations. The Secretary will prepare a public service list containing the names and addresses of all persons, or their representatives, who are parties to the investigations. As provided in section 207.20 of the Commission's rules, the Director of the Office of Investigations will circulate draft questionnaires for the final phase of the investigations to parties to the investigations, placing copies on the Commission's Electronic Document Information System (EDIS, <https://edis.usitc.gov>), for comment.

Background

On March 26, 2024, Eastman Chemical Company, Kingsport, Tennessee, filed petitions with the Commission and Commerce, alleging that an industry in the United States is materially injured or threatened with material injury by reason of LTFV imports of DOTP from Malaysia, Poland,

² 89 FR 29285, April 22, 2024.

Taiwan, and Turkey. Accordingly, effective March 26, 2024, the Commission instituted antidumping duty investigation Nos. 731-TA-1675-1678 (Preliminary).

Notice of the institution of the Commission's investigations and of a public conference to be held in connection therewith was given by posting copies of the notice in the Office of the Secretary, U.S. International Trade Commission, Washington, DC, and by publishing the notice in the **Federal Register** of April 1, 2024 (89 FR 22450). The Commission conducted its conference on April 16, 2024. All persons who requested the opportunity were permitted to participate.

The Commission made these determinations pursuant to § 733(a) of the Act (19 U.S.C. 1673b(a)). It completed and filed its determinations in these investigations on May 10, 2024. The views of the Commission are contained in USITC Publication 5505 (May 2024), entitled *Diocetyl Terephthalate from Malaysia, Poland, Taiwan, and Turkey: Investigation Nos. 731-TA-1675-1678 (Preliminary)*.

By order of the Commission.

Issued: May 10, 2024.

Lisa Barton,

Secretary to the Commission.

BILLING CODE 7020-02-P

DEPARTMENT OF JUSTICE

[OMB Number 1110-0060]

Agency Information Collection Activities; Proposed eCollection eComments Requested; CJIS Biographic Verification Request

AGENCY: Federal Bureau of Investigation (FBI), Department of Justice (DOJ).

ACTION: 30-Day notice.

SUMMARY: The Criminal Justice Information Services (CJIS) Division, FBI, DOJ, will be submitting the following information collection request to the Office of Management and Budget (OMB) for review and approval in accordance with the Paperwork Reduction Act of 1995. The proposed information collection was previously published in the **Federal Register** on March 20, 2024, allowing a 60-day comment period.

DATES: Comments are encouraged and will be accepted for 30 days until June 17, 2024.

FOR FURTHER INFORMATION CONTACT: If you have comments especially on the estimated public burden or associated

response time, suggestions, or need a copy of the proposed information collection instrument with instructions or additional information, please contact: Christopher G. Vandevender, Processing Manager, FBI, CJIS, Biometric Services Section, Biometric Identification and Analysis Unit, BTC-4, 1000 Custer Hollow Road, Clarksburg, WV 26306, phone: 304-625-5789 or email: CJISBioVerify@fbi.gov.

SUPPLEMENTARY INFORMATION: Written comments and suggestions from the public and affected agencies concerning the proposed collection of information are encouraged. Your comments should address one or more of the following four points:

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
- Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
- Enhance the quality, utility, and clarity of the information to be collected; and/or
- Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, *e.g.*, permitting electronic submission of responses.

Written comments and recommendations for this information collection should be submitted within 30 days of the publication of this notice on the following website www.reginfo.gov/public/do/PRAMain. Find this particular information collection by selecting "Currently under 30-day Review—Open for Public Comments" or by using the search function and entering either the title of the information collection or the OMB Control Number 1110-0060. This information collection request may be viewed at www.reginfo.gov. Follow the instructions to view Department of Justice, information collections currently under review by OMB.

DOJ seeks PRA authorization for this information collection for three (3) years. OMB authorization for an ICR cannot be for more than three (3) years without renewal. The DOJ notes that information collection requirements submitted to the OMB for existing ICRs receive a month-to-month extension while they undergo review.

Overview of This Information Collection

1. *Type of Information Collection:* Extension of a previously approved collection.
 2. *Title of the Form/Collection:* CJIS Biographic Verification Request.
 3. *Agency form number, if any, and the applicable component of the Department of Justice sponsoring the collection:* I-791; CJIS, FBI, DOJ.
 4. *Affected public who will be asked or required to respond, as well as a brief abstract:* The form is used when an authorized noncriminal justice agency requests that the CJIS Division complete a Biographic Verification. Title 28, Code of Federal Regulations (CFR), Section 0.85 (j) sets forth the Attorney General's delegation to the FBI to implement the exchange of identity history information for noncriminal justice purposes. Additionally, 28 CFR 20.33 (a)(3) and 50.12 both further explain the dissemination of identity history information for noncriminal justice purposes. The FBI's Criminal Justice Information Services (CJIS) Division currently offers a Biographic Verification Service to noncriminal justice agencies as a way to obtain adjudicated criminal history information in cases where the required fingerprint image quality could not be achieved after two attempts for a fingerprint-based search. The service was implemented to ensure that individuals with poor quality fingerprints not be denied benefits, licensing, or employment opportunities due to non-discernible fingerprints. The information collected on the CJIS Biographic Verification Request form is required to ensure the agency requesting the service has the authority to request and obtain the results and to verify fingerprints were submitted and rejected twice for the individual of the request.
 5. *Obligation to Respond:* The obligation is strictly voluntary; however, the form is required to obtain the benefit of the CJIS Biographic Verification Service.
 6. *Total Estimated Number of Respondents:* Approximately 36,000.
 7. *Estimated Time per Respondent:* 2 minutes.
 8. *Frequency:* The frequency of submission is not mandated; the form should be used whenever a CJIS Biographic Verification is requested.
 9. *Total Estimated Annual Time Burden:* Approximately 1,200 hours.
 10. *Total Estimated Annual Other Costs Burden:* \$0.
