SUPPLEMENTARY INFORMATION:

I. Background and Public Meeting Notice

On March 21, 2024, Capital One, National Association, McLean, Virginia (Capital One Bank), applied to the OCC to merge Discover Bank, Greenwood, Delaware, with and into Capital One Bank pursuant to section 18(c) of the Federal Deposit Insurance Act (12 U.S.C. 1828(c)) (Bank Application). On March 21, 2024, the Board received an application from Capital One Financial Corporation (Capital One), McLean, Virginia, to acquire Discover Financial Services, Riverwoods, Illinois, parent of Discover Bank, pursuant to section 3 of the Bank Holding Company Act (12 U.S.C. 1842) (Section 3 Application) and a notice from Capital One to acquire certain nonbanking companies pursuant to sections 4(c)(8) and 4(j) of the Bank Holding Company Act (12 U.S.C. 1843(c)(8) and 1843(j)) (Section 4 Notice, and together with the Section 3 Application, Holding Company

Filings).¹ The Board and OCC (agencies) hereby announce that a public meeting on the Bank Application and the Holding Company Filings (together, the applications) will be held, as described below.

II. Purpose and Procedures

The public meeting will be held virtually. The virtual format will expand public access to the proceedings for both viewers and those who testify, and it will reduce travel and related costs associated with attending in-person proceedings.

The purpose of the public meeting is to collect information relating to the factors that the agencies consider under the applicable statutes in acting on the applications. These factors include the effects of the proposal on the convenience and needs of the communities to be served by the combined organization; the insured depository institutions' performance under the Community Reinvestment Act; the impact of the proposal on competition in the relevant markets; the effects of the proposal on the stability of the U.S. banking or financial system; the financial and managerial resources and future prospects of the companies and banks involved in the proposal; and the effectiveness of the companies and banks in combatting money laundering activities. In addition, in acting on the Section 4 Notice, the Board considers whether the proposed acquisition of the Nonbanking Companies can reasonably be expected to produce benefits to the public, such as greater convenience, increased competition, or gains in efficiency, that outweigh possible adverse effects, such as undue concentration of resources, decreased or unfair competition, conflicts of interests, unsound banking practices, or risk to the stability of the United States banking or financial system. Witnesses may present oral testimony in support of the proposed transactions, in opposition to the proposed transactions, or without taking a position in support or opposition.

Testimony at the public meeting will be presented virtually to a panel consisting of Presiding Officers and other panel members appointed by the Presiding Officers. The Presiding Officers will have the authority and discretion to ensure that the meeting proceeds in a fair and orderly manner.

¹ As of the date of publication of this notice, these nonbanking companies are: DFS Services LLC, Riverwoods, Illinois; Discover Financial Services (Canada), Inc., Vancouver, British Columbia, Canada; PULSE Network LLC, Houston, Texas; and Diners Club International Ltd., Riverwoods, Illinois (collectively, Nonbanking Companies).

The rules for taking evidence in an administrative proceeding will not apply to the public meeting. In general, the role of the panel members will be to listen to the oral testimony. The panel members may ask questions of those who testify; however, the questions generally will be limited to seeking clarification of statements made. Panel members may question witnesses, but no cross-examination of witnesses will be permitted. The public meeting will be transcribed, and the transcript will be posted on the respective public websites of the Board and the OCC.²

Information for Persons Wishing To Testify

All persons wishing to testify at the public meeting must submit a written request to testify no later than 12 p.m. EDT on June 28, 2024, through a link to the online registration website that will be made available on the following web page by May 28, 2024: <https://www.federalreserve.gov/foia/capital-one-discover-application-materials.htm>. The Board will provide the OCC with a copy of each request to testify.

The online registration site will collect the following information from persons requesting to testify: (i) the name, city and state, telephone number, organization (if applicable), and email address of the person testifying; (ii) a brief statement of the nature of the expected testimony (including whether the testimony will support, oppose, or neither support nor oppose the proposed transactions); and (iii) the identification of any special needs, such as translation services, or disabilities requiring assistance. Translators or interpreters will be provided to the extent available if a need for such services is noted in the request to testify.

Persons who wish to testify must be able to access the online meeting platform using a computer, tablet, smart phone, or similar mobile device and have a video camera on their computer or mobile device. Persons who have registered to testify will be contacted by agency staff prior to the meeting and provided with specific instructions on participation (e.g., how to connect to the online meeting), as well as an opportunity to attend a technical session on how to connect to audio and video for the meeting.

² Materials related to the applications are available on the Board's website at <https://www.federalreserve.gov/foia/capital-one-discover-application-materials.htm> and the OCC's website at <https://occ.gov/topics/charters-and-licensing/public-comment/business-combination-or-merger-applications-comments.html>.

In order to verify the identity of persons who have registered to testify at the public meeting, each person will be required to attend an identity verification session in advance of the public meeting, where they must present a valid, government-issued photo identification to agency staff using the video camera feature. Individuals who register to testify will be contacted by email to schedule their identity verification sessions.

Those wishing to submit a written version of their oral testimony may, but need not, file the written submission with the Presiding Officers via email to both Comments.applications@rich.frb.org and to LicensingPublicComments@occ.treas.gov before the meeting begins, or within three business days after the date of the meeting, and the subject line of the email should state "PUBLIC MEETING." No presentation materials will be permitted to be used during the public meeting due to technical considerations associated with a virtual format.³

Persons listening to the public meeting via telephone will not be able to provide testimony and will not have the ability to view the speakers or any other information that may be shown on screen during the meeting.

³ The agencies will review written materials submitted through the comment submission process and, as described below, written comments relating to the application will be posted to the agencies' respective public websites.

Transcript of the Meeting

The agencies anticipate that a transcript of the public meeting will be posted on each agency's respective public website. An audio or video recording of the public meeting will not be retained by the agencies.

Meeting Procedures

The Presiding Officers will prepare a schedule of the speakers who are expected to testify and establish the order of presentation. To ensure an opportunity for all interested commenters to present their views, the Presiding Officers may limit the time for providing oral comments and may establish other procedures related to the conduct of the public meeting as appropriate. For instance, each person may be permitted up to three minutes to testify. The Presiding Officers may extend the end time of the meeting beyond 5 p.m. EDT, if additional time is needed to accommodate demonstrated public interest.

Reasonable Accommodations

Persons who wish to request reasonable accommodations should submit a request through the online registration website that will be made available on the following web page by May 28, 2024: <https://www.federalreserve.gov/foia/capital-one-discover-application-materials.htm>; or by calling Katherine Eike, Senior Analyst in the Federal Reserve Bank of Richmond's Department of Supervision, Regulation and Credit/Community and Regional/Consumer Affairs/Applications, at (804) 697-8971.
