*B. Submitting Comments*

Written comments and recommendations for the proposed information collection should be sent within 30 days of publication of this notice to <https://www.reginfo.gov/public/do/PRAMain>. Find this particular information collection by selecting “Currently under Review—Open for Public Comments” or by using the search function.

The NRC cautions you not to include identifying or contact information in comment submissions that you do not want to be publicly disclosed in your comment submission. All comment submissions are posted at <https://www.regulations.gov> and entered into ADAMS. Comment submissions are not routinely edited to remove identifying or contact information.

If you are requesting or aggregating comments from other persons for submission to the OMB, then you should inform those persons not to include identifying or contact information that they do not want to be publicly disclosed in their comment submission. Your request should state that comment submissions are not routinely edited to remove such information before making the comment submissions available to the public or entering the comment into ADAMS.

**II. Background**

Under the provisions of the Paperwork Reduction Act of 1995 (44 U.S.C. chapter 35), the NRC recently submitted a request for renewal of an existing collection of information to OMB for review entitled, “10 CFR part 62, Criteria and Procedures for Emergency Access to Non-Federal and Regional Low-Level Waste Disposal Facilities.” The NRC hereby informs potential respondents that an agency may not conduct or sponsor, and that a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.

The NRC published a **Federal Register** notice with a 60-day comment

period on this information collection on December 21, 2023, 88 FR 88421.

1. *The title of the information collection:* 10 CFR part 62, Criteria and Procedures for Emergency Access to Non-Federal and Regional Low-Level Waste Disposal Facilities.

2. *OMB approval number:* 3150–0143.

3. *Type of submission:* Extension.

4. *The form number, if applicable:*

Not applicable.

5. *How often the collection is required or requested:* On occasion.

6. *Who will be required or asked to respond:* Any low-level waste generator or governor of a State on behalf of generators seeking emergency access to an operating low-level waste disposal facility or an exemption from the requirements in part 62 of title 10 of the Code of Federal Regulations (10 CFR).

7. *The estimated number of annual responses:* 2.

8. *The estimated number of annual respondents:* 1.

9. *The estimated number of hours needed annually to comply with the information collection requirement or request:* 233.

10. *Abstract:* 10 CFR part 62 sets out the information that must be provided to the NRC by any low-level waste generator or governor of a State on behalf of generators seeking emergency access to an operating low-level waste disposal facility. The information is required to allow the NRC to determine if denial of disposal constitutes a serious and immediate threat to public health and safety or common defense and security. 10 CFR part 62 also provides that the Commission may grant an exemption from the requirements in this part upon application of an interested person or upon its own initiative.

## OFFICE OF PERSONNEL MANAGEMENT

### Submission for Review: Renewal of an Existing Information Collection, (Generic Clearance for Improving Customer Experience), OMB Control No. 3206–0276

**AGENCY:** Office of Personnel Management (OPM).

**ACTION:** 30-Day notice and request for comments.

**SUMMARY:** In accordance with the Paperwork Reduction Act of 1995, OPM is proposing revisions to a currently approved information collection, OMB Control Number, 3206–0276: Generic Clearance for Improving Customer Service.

**DATES:** Comments are encouraged and will be accepted until June 20, 2024.

**ADDRESSES:** Written comments and recommendations for proposed information collection requests should be sent within 30 days of publication of this notice to [www.reginfo.gov/public/do/PRAMain](http://www.reginfo.gov/public/do/PRAMain). Find this particular information collection request by selecting “Office of Personnel Management” under “Currently Under Review,” then check “Only Show ICR for Public Comment” checkbox.

**FOR FURTHER INFORMATION CONTACT:** For specific questions related to this information collection activities, please contact Human Resources Solution, Office of Personnel Management, 1900 E. Street NW, Washington, DC 20415, Attention: Michelle Earley, or via electronic mail to [michelle.earley@opm.gov](mailto:michelle.earley@opm.gov) or phone at 202–936–2034.

**SUPPLEMENTARY INFORMATION:** OPM, in accordance with the Paperwork Reduction Act of 1995 (PRA) (44 U.S.C. 3506(c)(2)(A)), provides the public with an opportunity to comment on proposed, revised, and continuing collections of information. This helps the Agency assess the impact of its information collection requirements and minimize the public’s reporting burden. It also helps the public understand the Agency’s information collection requirements and provides the requested data in the desired format.

OPM is soliciting comments on the proposed information collection request (ICR) that is described below. OPM has revised language to conform with revisions to OMB Circular A–11 Section 280 regarding customer satisfaction surveys and updated the number of respondents and total burden hours included under this generic clearance for the following types of collections: customer interviews, focus groups, feedback surveys, user testing (rapid feedback), and user testing (deep dives). This ICR was previously published in the **Federal Register** on October 31, 2023, at 88 FR 74540 allowing for a 60-day public comment period. No comments were received for this ICR. The purpose of this notice is to allow an additional 30 days for public comments. The Agency is especially interested in public comment addressing the following issues: (1) whether this collection is necessary to the proper functions of the Agency; (2) whether

this information be processed and used in a timely manner; (3) the accuracy of the burden estimate; (4) ways the Agency can enhance the quality, utility, and clarity of the information to be collected; and (5) ways the Agency can minimize the burden of this collection on the respondents, including through the use of information technology. Written comments received in response to this notice will be considered public records.
