Notice of Inventory Completion: HistoryMiami Museum, Miami, FL

AGENCY: National Park Service, Interior.

ACTION: Notice.

SUMMARY: In accordance with the Native American Graves Protection and Repatriation Act (NAGPRA), HistoryMiami Museum (HM) has completed an inventory of human remains and associated funerary objects and has determined that there is a cultural affiliation between the human remains and associated funerary objects and Indian Tribes or Native Hawaiian organizations in this notice.

DATES: Repatriation of the human remains and associated funerary objects in this notice may occur on or after June 20, 2024.

ADDRESSES: Natalia Crujeiras, HistoryMiami Museum, 101 West Flagler Street, Miami, FL 33130, telephone (305) 375-1492, email NCrujeiras@historymiami.org.

SUPPLEMENTARY INFORMATION: This notice is published as part of the National Park Service's administrative responsibilities under NAGPRA. The determinations in this notice are the sole responsibility of HM and additional information on the determinations in this notice, including the results of consultation, can be found in the inventory or related records. The National Park Service is not responsible for the determinations in this notice.

Abstract of Information Available

Based on the information available, human remains representing, at least, 188 individuals have been reasonably identified. The 1,105 associated funerary objects include pottery, shell, shell beads, bone, bone tools and beads, faunal bone, and lithic material. The funerary materials in this inventory include materials excavated throughout

south Florida. As the repository for archaeological materials found in Miami-Dade County, items were acquired directly from archeologists or through general museum donation. The materials are culturally affiliated to the Tequesta people, through the Seminole Tribe of Florida. No known hazardous material exists within the collection.

Cultural Affiliation

Based on the information available and the results of consultation, cultural affiliation is reasonably identified by the geographical location or acquisition history of the human remains and associated funerary objects described in this notice.

Determinations

HM has determined that:

- The human remains described in this notice represent the physical remains of 188 individuals of Native American ancestry.
- The approximately 1,105 objects described in this notice are reasonably believed to have been placed intentionally with or near individual human remains at the time of death or later as part of the death rite or ceremony.
- There is a reasonable connection between the human remains and associated funerary objects described in this notice and the Seminole Tribe of Florida.

Requests for Repatriation

Written requests for repatriation of the human remains and associated funerary objects in this notice must be sent to the authorized representative identified in this notice under **ADDRESSES**. Requests for repatriation may be submitted by:

1. Any one or more of the Indian Tribes or Native Hawaiian organizations identified in this notice.
2. Any lineal descendant, Indian Tribe, or Native Hawaiian organization not identified in this notice who shows, by a preponderance of the evidence, that the requestor is a lineal descendant or a culturally affiliated Indian Tribe or Native Hawaiian organization.

Repatriation of the human remains and associated funerary objects in this notice to a requestor may occur on or after June 20, 2024. If competing requests for repatriation are received HM must determine the most appropriate requestor prior to repatriation. Requests for joint repatriation of the human remains and associated funerary objects are considered a single request and not competing requests. HistoryMiami is responsible for sending a copy of this notice to the Indian Tribes and Native

Hawaiian organizations identified in this notice.

Authority: Native American Graves Protection and Repatriation Act, 25 U.S.C. 3003, and the implementing regulations, 43 CFR 10.10.

Dated: May 9, 2024.
