

Commerce assists travel industry enterprises to increase international travel and passenger fare exports and imports for the country as well as travel on U.S. and foreign carriers. The Survey program provides the only available estimates of nonresident visitation to the states and cities within the United States, as well as U.S. resident travel abroad.

A revised (major) survey instrument (questionnaire) (English version plus its translations into eleven foreign languages) was implemented in 2012. It reflects input from over 70 respondents, including: Travel Industry (airlines, travel associations, destinations, lodging); Consultants; Financial Firms; Educational Institutions; and other U.S. Government Agencies. A minor ('non-substantive') change was implemented in 2016 to better reflect the visitor's entry experience into the United States. This was requested by the United States Travel and Tourism Advisory Board to measure compliance with U.S. National Goals.

The 2012 and 2016 revised Survey questionnaire reflect changes in various questions relating to: trip purpose; payment methods; booking/information sources; additional package components, health care/vaccinations, travel insurance information, additional transportation utilized, assessment of the visitor's entry and overall experience; and intentions for further travel to the United States; and ethnicity/race. Several questions from the pre-existing 1996 questionnaire were eliminated to further streamline the survey.

Changes envisioned are: (1) enhanced testing of the QR code/Mobile phone approach to leverage international airlines' growing capability of offering international Wi-Fi to its on-board passengers; (2) further evaluation of a 'short form' version of the paper questionnaire (23 of the existing 33 questions) to reduce burden and improve passenger response rates when time is limited in the boarding area or in markets that tend to be less responsive; (3) evaluation of 'incentives' that could be utilized to encourage an increased number of passenger responses. (4) Recommendations from the United States Travel & Tourism Advisory Board (TTAB).

## II. Method of Collection

The survey instrument/questionnaire ('Survey of International Air Travelers', a/k/a SIAT) continues to be in paper format and is self-administered by the passenger who volunteers to take the survey, either while in the departure gate area or on-board the flight. The

flights are randomly selected, and this approach is described as 'cluster sampling.' The majority (95%) of the passenger surveys are collected in U.S. airport departure gate areas. About 5% of all the passenger surveys are collected during flight (on-board) post departure (Canada-air has been included as part of the program in 2020). U.S. and foreign flag airlines that volunteer to participate in the Survey program enable the collection in U.S. departure gate areas and on-board flights.

NTTO is planning to change the format to electronic/digital or to an equally statistically valid process once compelling results have been attained. To date there have been five 'e-Survey' tests: The first test was in partnership with Global Distribution Systems (GDS); the second and third tests were with major airlines in their respective boarding areas to leverage passenger's personal electronic devices (PED) and Wi-Fi capabilities in the airports and on-board certain flights; the fourth test used 'tablet' devices to capture passenger responses in the airport gate area at a major gateway airport; and the fifth test again tested passenger PEDs (mobile phone) through use of a 'QR' code since there have been improvements in Wi-Fi capabilities. The latter approach (QR/Mobile) was used to a limited degree during the 2020–2021 Pandemic period with negligible results due more to passenger reluctance to physical contact rather than adverse reaction to the collection method. Other tests are planned in the foreseeable future based on recommendations from the United States Travel and Tourism Advisory Board (TTAB).

#### Large Diameter Welded Pipe From Canada: Preliminary Results and Rescission, in Part, of Antidumping Duty Administrative Review; 2022–2023

**AGENCY:** Enforcement and Compliance, International Trade Administration, Department of Commerce.

**SUMMARY:** The U.S. Department of Commerce (Commerce) preliminarily finds that large diameter welded pipe (LDWP) from Canada was sold in the United States at less than normal value (NV) during the period of review (POR) of May 1, 2022, through April 30, 2023. Additionally, Commerce is rescinding this administrative review, in part, with respect to certain companies that had no entries of subject merchandise during

the POR. We invite interested parties to comment on these preliminary results.

**DATES:** Applicable May 21, 2024.

**FOR FURTHER INFORMATION CONTACT:** Caroline Carroll, AD/CVD Operations, Office IX, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482-4948.

**SUPPLEMENTARY INFORMATION:**

**Background**

On May 2, 2019, Commerce published in the **Federal Register** the antidumping duty order on LDWP from Canada.<sup>1</sup> On May 2, 2023, Commerce published in the **Federal Register** a notice of opportunity to request an administrative review of the *Order*.<sup>2</sup> On July 12, 2023, based on timely requests for review, in accordance with 19 CFR 351.221(c)(1)(i), we initiated an administrative review of the *Order* covering 40 exporters and/or producers.<sup>3</sup> We selected Pipe & Piling as the sole mandatory respondent in this administrative review.<sup>4</sup> Commerce extended the time limit for completing the preliminary results of this review until May 10, 2024.<sup>5</sup>

**Scope of the Order**

The product subject to the *Order* is LDWP from Canada. A complete description of the scope of the *Order* is contained in the Preliminary Decision Memorandum.<sup>6</sup>

**Methodology**

Commerce is conducting this review in accordance with sections 751(a)(1)(B) and (2) of the Tariff Act of 1930, as

<sup>1</sup> See *Large Diameter Welded Pipe from Canada: Antidumping Duty Order*, 84 FR 18775 (May 2, 2019) (*Order*).

<sup>2</sup> See *Antidumping or Countervailing Duty Order, Finding, or Suspended Investigation; Opportunity to Request Administrative Review and Join Annual Inquiry Service List*, 88 FR 27445 (May 2, 2023).

<sup>3</sup> See *Initiation of Antidumping and Countervailing Duty Administrative Reviews*, 88 FR 44262 (July 12, 2023); see also *Initiation of Antidumping and Countervailing Duty Administrative Reviews*, 88 FR 62322 (September 11, 2023) (*Initiation Notice*) (correcting the spelling of the name of one company under review). We note that Commerce initiated reviews on two name variations for Pipe & Piling Supplies Ltd. (Pipe & Piling): Pipe & Piling Sply Ltd.; and Pipe & Piling Supplies.

<sup>4</sup> See Commerce’s Letter, “Respondent Selection,” dated August 7, 2023.

<sup>5</sup> See Memorandum, “Extension of Deadline for Preliminary Results of 2022–2023 Antidumping Duty Administrative Review,” dated January 11, 2024.

<sup>6</sup> See Memorandum, “Decision Memorandum for the Preliminary Results of the Administrative Review of the Antidumping Duty Order of Large Diameter Welded Pipe from Canada; 2022–2023,” dated concurrently with, and hereby adopted by, this notice (Preliminary Decision Memorandum).

amended (the Act). Pursuant to sections 776(a) and (b) of the Act, Commerce preliminarily relied entirely upon facts otherwise available with adverse inferences for Pipe & Piling.

For a complete description of the methodology underlying our conclusions, see the Preliminary Decision Memorandum. A list of topics discussed in the Preliminary Decision Memorandum is attached in Appendix I of this notice. The Preliminary Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance’s Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at <https://access.trade.gov>. In addition, a complete version of the Preliminary Decision Memorandum is available at <https://access.trade.gov/public/FRNoticesListLayout.aspx>.

**Rescission of Review, in Part**

Pursuant to 19 CFR 351.213(d)(3), it is Commerce’s practice to rescind an administrative review of an antidumping duty order when there are no reviewable entries of subject merchandise during the POR for which liquidation is suspended.<sup>7</sup> Normally, upon completion of an administrative review, the suspended entries are liquidated at the antidumping duty assessment rate calculated for the review period.<sup>8</sup> Therefore, for an administrative review to be conducted, there must be at least one reviewable, suspended entry that Commerce can instruct U.S. Customs and Border Protection (CBP) to liquidate at the antidumping duty assessment rate calculated for the review period.<sup>9</sup> Because there were no entries in the CBP data for the 38 companies listed in Appendix II, on December 21, 2023, Commerce notified all interested parties of its intent to rescind this review, in part, with respect to these companies and received no comments.<sup>10</sup> Accordingly, Commerce is rescinding this review, in part, with respect to these 38 companies.

<sup>7</sup> See, e.g., *Diocetyl Terephthalate from the Republic of Korea: Rescission of Antidumping Administrative Review; 2021–2022*, 88 FR 24758 (April 24, 2023); see also *Certain Carbon and Alloy Steel Cut- to Length Plate from the Federal Republic of Germany: Rescission of Antidumping Administrative Review; 2020–2021*, 88 FR 4157 (January 24, 2023).

<sup>8</sup> See 19 CFR 351.212(b)(1).

<sup>9</sup> See 19 CFR 351.213(d)(3).

<sup>10</sup> See Memorandum, “Notice of Intent to Rescind Review, in Part,” dated December 21, 2023.

**Preliminary Affiliation and Collapsing Determination**

Based on record evidence in this review, Commerce preliminarily finds that the following companies are affiliated, pursuant to section 771(33)(F) of the Act: Pipe & Piling; 1045761 Ontario Ltd. (Operated as Canadian Phoenix Steel Products) (Phoenix); and Spiralco Inc. (Spiralco). Furthermore, pursuant to 19 CFR 351.401(f)(1)–(2), we find that Pipe & Piling Supplies Ltd., Phoenix, and Spiralco should be collapsed and treated as a single entity (collectively, Pipe & Piling).<sup>11</sup>

**Preliminary Results of Review**

Commerce preliminarily determines that the following estimated weighted-average dumping margin exists for the period May 1, 2022, through April 30, 2023:

Producer and/or exporter	Weighted-average dumping margin (percent)
Pipe & Piling Supplies Ltd.; 1045761 Ontario Ltd.; Spiralco Inc .....	50.89

**Disclosure**

Normally, Commerce discloses to interested parties the calculations performed in connection with the preliminary results within five days of any public announcement or, if there is no public announcement, within five days of the date of publication of the notice of preliminary results in the **Federal Register**, in accordance with 19 CFR 351.224(b). However, because Commerce preliminarily applied total adverse facts available to the sole mandatory respondent, in accordance with section 776 of the Act, there are no calculations to disclose.

**Public Comment**

Pursuant to 19 CFR 351.309(c), interested parties may submit case briefs to Commerce no later than 30 days after the date of publication of this notice.<sup>12</sup> Rebuttal briefs, limited to issues raised in the case briefs, may be filed no later than five days after the date for filing case briefs.<sup>13</sup> Interested parties who

<sup>11</sup> See Memorandum, “Preliminary Affiliation and Collapsing Memorandum,” dated December 8, 2023 (Affiliation and Collapsing Memorandum), for further discussion.

<sup>12</sup> See 19 CFR 351.303 (for general filing requirements).

<sup>13</sup> See 19 CFR 351.309(d); see also *Administrative Protective Order, Service, and Other Procedures in Antidumping and Countervailing Duty Proceedings*, 88 FR 67069, 67077 (September 29, 2023) (*APO and Service Final Rule*).

submit case briefs or rebuttal briefs in this proceeding must submit: (1) a table of contents listing each issue; and (2) a table of authorities.<sup>14</sup> All briefs must be filed electronically using ACCESS. An electronically filed document must be received successfully in its entirety in ACCESS by 5:00 p.m. Eastern Time on the established deadline.

As provided under 19 CFR 351.309(c)(2) and (d)(2), in prior proceedings we have encouraged interested parties to provide an executive summary of their brief that should be limited to five pages total, including footnotes. In this review, we instead request that interested parties provide at the beginning of their briefs a public, executive summary for each issue raised in their briefs.<sup>15</sup> Further, we request that interested parties limit their public executive summary of each issue to no more than 450 words, not including citations. We intend to use the public executive summaries as the basis of the comment summaries included in the issues and decision memorandum that will accompany the final determination in this review. We request that interested parties include footnotes for relevant citations in the public executive summary of each issue. Note that Commerce has amended certain of its requirements pertaining to the service of documents in 19 CFR 351.303(f).<sup>16</sup>

Pursuant to 19 CFR 351.310(c), interested parties who wish to request a hearing must submit a written request to the Assistant Secretary for Enforcement and Compliance, filed electronically via ACCESS, by 5 p.m. Eastern time, within 30 days after the date of publication of this notice. Requests should contain: (1) the party's name, address, and telephone number; (2) the number of participants; and (3) a list of issues to be discussed. Issues raised in the hearing will be limited to those raised in the respective case briefs. If a request for a hearing is made, Commerce will inform interested parties of the scheduled date for the hearing.<sup>17</sup>

#### Assessment Rates

Upon completion of the final results, Commerce shall determine and CBP shall assess, antidumping duties on all appropriate entries covered by this review.<sup>18</sup>

With respect to the companies for which are rescinding this review, Commerce intends to instruct CBP to assess antidumping duties on all appropriate entries at rates equal to the cash deposit rate of estimated antidumping duties required at the time of entry, or withdrawal from warehouse, for consumption, during the POR, in accordance with 19 CFR 351.212(c)(1)(i).

Commerce intends to issue assessment instructions to CBP no earlier than 41 days after the date of publication of the final results of this review in the **Federal Register**, in accordance with 19 CFR 356.8(a). If a timely summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for a statutory injunction has expired (*i.e.*, within 90 days of publication).

#### Cash Deposit Requirements

The following cash deposit requirements will be effective for all shipments of subject merchandise entered, or withdrawn from warehouse, for consumption on or after the date of publication in the **Federal Register** of the notice of final results of administrative review, as provided by section 751(a)(2)(C) of the Act: (1) the cash deposit rate for Pipe & Piling will be equal to the weighted-average dumping margin established in the final results of this review; (2) for merchandise exported by a company not covered in this review but covered in a prior segment of the proceeding, the cash deposit rate will continue to be the company-specific rate published for the most recently completed segment in which they were reviewed; (3) if the exporter is not a firm covered in this review or another completed segment of this proceeding, but the producer is, then the cash deposit rate will be the company-specific rate established for the completed segment for the most recent period for the producer of the merchandise; and (4) the cash deposit rate for all other producers or exporters will continue to be 12.32 percent, the all-others rate established in the final determination of the less-than-fair value investigation.<sup>19</sup> These cash deposit requirements, when imposed, shall remain in effect until further notice.

#### Final Results of Review

Unless the deadline is otherwise extended, Commerce intends to issue the final results of this administrative review, including the results of its

analysis of the issues raised by interested parties in written briefs, within 120 days after the date of publication of this notice in the **Federal Register**, pursuant to section 751(a)(3)(A) of the Act and 19 CFR 351.213(h)(1).

#### Notification to Importers

This notice serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this POR. Failure to comply with this requirement could result in Commerce's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

#### Notification to Interested Parties

We are issuing and publishing these preliminary results in accordance with sections 751(a)(1)(B) and 777(i)(1) of the Act, and 19 CFR 351.213(h) and 351.221(b)(4).

#### **Polyethylene Terephthalate Film, Sheet, and Strip From India: Final Results of Antidumping Duty Changed Circumstances Review**

**AGENCY:** Enforcement and Compliance, International Trade Administration, Department of Commerce.

**SUMMARY:** On February 26, 2024, the U.S. Department of Commerce (Commerce) published the preliminary results of the changed circumstances review (CCR) of the antidumping duty (AD) order on polyethylene terephthalate film, sheet, and strip (PET film) from India. For these final results, Commerce continues to find that Garware Hi-Tech Films Limited (Garware Hi-Tech) is the successor-in-interest to Garware Polyester Limited (Garware Polyester).

**DATES:** Applicable May 21, 2024.

**FOR FURTHER INFORMATION CONTACT:** Jacqueline Arrowsmith, AD/CVD Operations, Office VII, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482–5255.

#### **SUPPLEMENTARY INFORMATION:**

##### **Background**

On August 22, 2023, Commerce published the notice of initiation of the requested CCR.<sup>1</sup> On February 26, 2024, Commerce published the preliminary results of this CCR, determining that Garware Hi-Tech is the successor-in-interest to Garware Polyester and should be assigned the same AD cash deposit

rate assigned to Garware Polyester in the AD order on PET film from India,<sup>2</sup> and provided all interested parties with an opportunity to comment.<sup>3</sup> No interested party submitted comments on the *Preliminary Results*. Accordingly, the final results remain unchanged from the *Preliminary Results*.

##### **Scope of the Order**

The products covered by the order are all gauges of raw, pretreated, or primed PET film, whether extruded or coextruded. Excluded are metallized films and other finished films that have had at least one of their surfaces modified by the application of a performance-enhancing resinous or inorganic layer of more than 0.00001 inches thick. Imports of PET film are currently classifiable in the Harmonized Tariff Schedule of the United States (HTSUS) under item number 3920.62.00.90. HTSUS subheadings are provided for convenience and customs purposes. The written description of the scope of this order is dispositive.

##### **Final Results of CCR**

For the reasons stated in the *Preliminary Results*, and because we received no comments from interested parties challenging our preliminary finding, Commerce continues to find that Garware Hi-Tech is the successor-in-interest to Garware Polyester. As a result of this determination and consistent with our established practice, we find that Garware Hi-Tech should receive the AD cash deposit rate currently assigned to Garware Polyester with respect to entries of subject merchandise in the above-noted proceeding.<sup>4</sup> Because there are no changes from the *Preliminary Results*, there is no decision memorandum accompanying this notice and we are adopting the *Preliminary Results* as the final results of this CCR.

Consequently, Commerce will instruct U.S. Customs and Border Protection to suspend liquidation of all shipments of subject merchandise produced and/or exported by Garware Hi-Tech and entered, or withdrawn from warehouse, for consumption on or after the publication date of this notice in the **Federal Register** at 4.45 percent, which

is the current AD cash deposit rate for Garware Polyester.<sup>5</sup> This cash deposit requirement shall remain in effect until further notice.

##### **Administrative Protective Order**

This notice serves as the only reminder to parties subject to an administrative protective order (APO) of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3). Timely written notification of return or destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a sanctionable violation.

##### **Notification to Interested Parties**

We are issuing this determination and publishing these final results and notice in accordance with sections 751(b)(1) and 777(i)(1) and (2) of the Tariff Act of 1930, as amended, and 19 CFR 351.216(e), 351.221(b), and 351.221(c)(3).
