Advisory Committee Scope and Objectives

The Grand Canyon Protection Act (Act) of October 30, 1992, Public Law 102-575, directs the Secretary to consult with the Governors of the Colorado River Basin States and with the general public, including members of the public with certain interests or affiliations, when preparing the requisite criteria and operating plans for Glen Canyon Dam. This group, designated the Glen Canyon Dam Adaptive Management Work Group or AMWG, provides advice and recommendations to the Secretary relative to the operation of the Glen Canyon Dam. The AMWG operates in accordance with the Federal Advisory Committee Act, as amended, 5 U.S.C. ch. 10.

The duties or roles and functions of the AMWG are in an advisory capacity

only. They are to: (1) establish AMWG operating procedures, (2) advise the Secretary in meeting environmental and cultural commitments including those contained in the Record of Decision for the Glen Canyon Dam Long-Term Experimental and Management Plan Final Environmental Impact Statement and subsequent related decisions, (3) recommend resource management objectives for development and implementation of a long-term monitoring plan, and any necessary research and studies required to determine the effect of the operation of Glen Canyon Dam on the values for which Grand Canyon National Park and Glen Canyon Dam National Recreation Area were established, including but not limited to, natural and cultural resources, and visitor use, (4) review and provide input on the report identified in the Act to the Secretary, the Congress, and the Governors of the Colorado River Basin States, (5) annually review long-term monitoring data to provide advice on the status of resources and whether the Adaptive Management Program (AMP) goals and objectives are being met, and (6) review and provide input on all AMP activities undertaken to comply with applicable laws, including permitting requirements.

Membership Criteria

Prospective members of AMWG need to have a strong capacity for advising individuals in leadership positions, teamwork, project management, tracking relevant Federal government programs and policy making procedures, and networking with and representing their stakeholder group. Membership from a wide range of disciplines and professional sectors is encouraged.

Members of the AMWG are appointed by the Secretary and are comprised of:

After consultation, the Secretary will appoint members to the AMWG. Members will be selected based on their individual qualifications, as well as the overall need to achieve a balanced representation of viewpoints, subject matter expertise, regional knowledge, and representation of communities of interest. AMWG member terms are limited to 3 years from their date of appointment. Following completion of their first term, an AMWG member may request consideration for reappointment to an additional term. Reappointment is not guaranteed.

Typically, AMWG will hold two in-person meetings and one webinar meeting per fiscal year. Between meetings, AMWG members are expected to participate in committee work via conference calls and email exchanges. Members of the AMWG and its subcommittees serve without pay. However, while away from their homes or regular places of business in the performance of services of the AMWG, members may be reimbursed for travel expenses, including per diem in lieu of subsistence, in the same manner as persons employed intermittently in the government service, as authorized by 5 U.S.C. 5703.

Nominations should include a resume that provides an adequate description of the nominee's qualifications, particularly information that will enable Interior to evaluate the nominee's potential to meet the membership requirements of the AMWG and permit Interior to contact a potential member. Please refer to the membership criteria stated in this notice.

Any interested person or entity may nominate one or more qualified individuals for membership on the AMWG. Nominations from the seven basin states, as identified in this notice, need to be submitted by the respective Governors of those states, or by a state representative formally designated by the Governor.
