Office of the Secretary

Renewal of Department of Defense Federal Advisory Committees—Department of the Air Force Scientific Advisory Board

AGENCY: Department of Defense (DoD).

ACTION: Renewal of Federal advisory committee.

SUMMARY: The DoD is publishing this notice to announce that it is renewing the Department of the Air Force Scientific Advisory Board (DAF SAB).

FOR FURTHER INFORMATION CONTACT: Jim Freeman, Advisory Committee Management Officer for DoD, 703-692-5952.

SUPPLEMENTARY INFORMATION: The DAF SAB is being renewed in accordance with chapter 10 of title 5, U.S.C. (commonly known as the "Federal Advisory Committee Act" or "FACA") and 41 Code of Federal Regulations (CFR) section 102-3.50(a). The charter and contact information for the DAF SAB's Designated Federal Officer (DFO) are found at <https://www.faca.database.gov/FACA/apex/FACAPublicAgencyNavigation>.

The DAF SAB provides the Secretary of Defense and Deputy Secretary of Defense with independent advice and recommendations on matters supporting the DAF's scientific and technical enterprise and specifically on matters pertaining to (a) conducting studies on topics deemed critical by the Secretary of the Air Force; (b) recommending applications of technology to improve DAF capabilities; and (c) providing independent reviews of the quality and relevance of the DAF science and technology (S&T) programs. The DAF SAB is composed of no more than 20 members who are eminent authorities in the fields of defense and/or S&T. These members come from varied backgrounds such as science, technology, manufacturing, acquisition, logistics, public or private sector business management, Federally Funded Research and Development Centers, National Laboratories, and academia (universities and colleges).

Individual members are appointed according to DoD policy and procedures and serve a term of service of one-to-

four years with annual renewals. One member will be appointed as Chair of the DAF SAB. No member, unless approved according to DoD policy and procedures, may serve more than two consecutive terms of service on the DAF SAB, or serve on more than two DoD Federal advisory committees at one time.

DAF SAB members who are not full-time or permanent part-time Federal civilian officers or employees, or active-duty members of the Uniformed Services, are appointed as experts or consultants, pursuant to 5 U.S.C. 3109, to serve as special government employee members. DAF SAB members who are full-time or permanent part-time Federal civilian officers or employees, or active-duty members of the Uniformed Services are appointed pursuant to 41 CFR 102-3.130(a), to serve as regular government employee members.

All DAF SAB members are appointed to provide advice based on their best judgment without representing any particular point of view and in a manner that is free from conflict of interest. Except for reimbursement of official DAF SAB-related travel and per diem, members serve without compensation.

The public or interested organizations may submit written statements about the DAF SAB's mission and functions. Written statements may be submitted at any time or in response to the stated agenda of planned meeting of the DAF SAB. All written statements shall be submitted to the DFO for the DAF SAB, and this individual will ensure that the written statements are provided to the membership for their consideration.

Dated: May 21, 2024.

Aaron T. Siegel,

Alternate OSD Federal Register Liaison Officer, Department of Defense.

SUPPLEMENTARY INFORMATION:

Full Text of Announcement

I. Funding Opportunity Description

Purpose of Program: In awarding the research grants, the Institute of Education Sciences (IES) intends to provide national leadership in expanding knowledge and understanding of (1) developmental and school readiness outcomes for infants and toddlers with or at risk for a disability, (2) education outcomes for all learners from early childhood education through postsecondary and adult education, and (3) employment and wage outcomes when relevant (such as for those engaged in career and technical, postsecondary, or adult education). The IES research grant programs are designed to provide interested individuals and the general public with reliable and valid information about education practices that support learning and improve academic achievement and access to education opportunities for all learners. These interested individuals include parents, educators, learners, researchers, and policymakers. In carrying out its grant programs, IES provides support for programs of research in areas of demonstrated national need. In awarding research training grant programs, IES aims to prepare individuals to conduct rigorous and relevant education and special education research that advances knowledge within the field and addresses issues important to education policymakers and practitioners.

Competitions in This Notice: IES is announcing four research competitions through two of its centers:

The IES National Center for Education Research (NCER) is announcing two competitions in the following areas: education research, and statistical and research methodology in education.

The IES National Center for Special Education Research (NCSER) is announcing two competitions—one competition in each of the following areas: special education research, and special education research training.

NCER Competitions

Education Research Grants Program (ALN 84.305A). Under this competition, NCER will consider only applications that address one of the following topics:
