

19. To such recipients and under such circumstances and procedures as are mandated by federal statute.

POLICIES AND PRACTICES FOR STORAGE OF RECORDS:

Records in this system are stored in electronic and/or paper format. Electronic records are stored in computerized databases on the Commission's servers as well as in secured FedRAMP-certified cloud environments. Paper records are stored in locked file rooms and/or file cabinets located in the Office of the General Counsel.

POLICIES AND PRACTICES FOR RETRIEVAL OF RECORDS:

Records are indexed and retrieved by a unique tracking number assigned to the request or appeal. Records are also retrieved by the requestor's or appellant's name, date, and the subject of the request.

POLICIES AND PRACTICES FOR RETENTION AND DISPOSAL OF RECORDS:

Records in this system are retained and disposed of in accordance with the General Records Schedules issued by the National Archives and Records Administration.

ADMINISTRATIVE, TECHNICAL, AND PHYSICAL SAFEGUARDS:

Records are safeguarded in a secured environment. The building where the records are stored has security cameras and security guard service. Access to the Commission's office in Washington, DC may be gained only by using an electronic key, which is provided only to Commission personnel. Paper records are kept in limited access areas during duty hours and in locked file cabinets and/or locked offices at all other times. Access is limited to those personnel whose official duties require access. Computerized records are safeguarded through use of information technology security controls, as dictated by the Federal Information Security Modernization Act (FISMA) and the National Institute of Standards and Technology (NIST), and access is limited to those personnel whose official duties require access. Contractors and other recipients providing services to the Commission shall be required to maintain the same or equivalent safeguards.

Agency Forms Undergoing Paperwork Reduction Act Review

In accordance with the Paperwork Reduction Act of 1995, the Centers for Disease Control and Prevention (CDC) has submitted the information collection request titled “Blood Lead Surveillance System (BLSS)” to the Office of Management and Budget (OMB) for review and approval. CDC previously published a “Proposed Data Collection Submitted for Public Comment and Recommendations” notice on November 27, 2023 to obtain comments from the public and affected agencies. CDC received one comment related to the previous notice. This notice serves to allow an additional 30 days for public and affected agency comments.

CDC will accept all comments for this proposed information collection project. The Office of Management and Budget is particularly interested in comments that:

(a) Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;

(b) Evaluate the accuracy of the agencies estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;

(c) Enhance the quality, utility, and clarity of the information to be collected;

(d) Minimize the burden of the collection of information on those who are to respond, including, through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses; and

(e) Assess information collection costs.
