Foreign-Trade Zones Board

[S–40–2024]

Approval of Subzone Status; Stoltzfus Logistics International, LLC; Atglen, Pennsylvania

On March 8, 2024, the Executive Secretary of the Foreign-Trade Zones (FTZ) Board docketed an application submitted by the FTZ Corp. of Southern Pennsylvania, grantee of FTZ 147, requesting subzone status subject to the existing activation limit of FTZ 147, on behalf of Stoltzfus Logistics International, LLC, in Atglen, Pennsylvania.

The application was processed in accordance with the FTZ Act and Regulations, including notice in the **Federal Register** inviting public comment (89 FR 19294, March 18, 2024). The FTZ staff examiner reviewed the application and determined that it meets the criteria for approval. Pursuant to the authority delegated to the FTZ Board Executive Secretary (15 CFR 400.36(f)), the application to establish Subzone 147H was approved on May 23, 2024, subject to the FTZ Act and the Board’s regulations, including section 400.13, and further subject to FTZ 147’s 2,000-acre activation limit.

Dated: May 23, 2024.

Elizabeth Whiteman,
Executive Secretary.

Sodium Hexametaphosphate From the People’s Republic of China: Final Results of the Expedited Third Sunset Review of the Antidumping Duty Order

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The U.S. Department of Commerce (Commerce) finds that revocation of the antidumping duty (AD) order on Sodium Hexametaphosphate (SHMP) from the People’s Republic of China (China) would be likely to lead to continuation or recurrence of dumping at the levels indicated in the “Final Results of Sunset Review” section of this notice.

DATES: Applicable May 29, 2024.

FOR FURTHER INFORMATION CONTACT:

Kabir Archuletta, AD/CVD Operations, Office V, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482–2593.

SUPPLEMENTARY INFORMATION:

Background

On March 19, 2008, Commerce published its AD order on SHMP from China.¹ On February 1, 2024, Commerce published the notice of initiation of the third five-year sunset review of the *Order*, pursuant to section 751(c) of the Tariff Act of 1930, as amended (the Act).² On February 15, 2024, Commerce received a notice of intent to participate in this review from ICL Specialty Products, Inc. and Innophos, Inc. (collectively, the petitioners) within the deadline specified in 19 CFR 351.218(d)(1)(i).³ The petitioners claimed interested party status under section 771(9)(C) of the Act as manufacturers of a domestic like product in the United States.

On March 1, 2024, the petitioners provided a complete substantive response for this review within the 30-day deadline specified in 19 CFR 351.218(d)(3)(i).⁴ We received no substantive responses from any other interested parties, nor was a hearing

requested. On March 22, 2024, Commerce notified the U.S. International Trade Commission that it did not receive an adequate substantive response from respondent interested parties.⁵ As a result, pursuant to section 751(c)(3)(B) of the Act and 19 CFR 351.218(e)(1)(ii)(C)(2), Commerce conducted an expedited (120-day) sunset review of this *Order*.

Scope of the Order

The merchandise subject to this *Order* is SHMP. It is imported under subheading 2835.39.5000 of the Harmonized Tariff Schedule of the United States (HTSUS). It may also be imported as a blend or mixture under subheading 3824.90.3900, HTSUS. The American Chemical Society, Chemical Abstract Service (CAS) has assigned the name “Polyphosphoric Acid, Sodium Salt” to SHMP. The CAS registry number is 68915–31–1. However, SHMP is commonly identified by CAS No. 10124–56–8 in the market. For purposes of the *Order*, the narrative description is dispositive, not the tariff heading, CAS registry number, or CAS name. For a complete description of the scope of the *Order*, see the Issues and Decision Memorandum.⁶

Analysis of Comments Received

All issues raised in this review, including the likelihood of continuation or recurrence of dumping in the event of revocation and the magnitude of the margins likely to prevail if the *Order* were revoked, are addressed in the accompanying Issues and Decision Memorandum. A list of topics discussed in the Issues and Decision Memorandum is included as an appendix to this notice. The Issues and Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance’s Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at <https://access.trade.gov>. In addition, a complete version of the Issues and Decision Memorandum can be accessed directly at <https://access.trade.gov/public/FRNoticesListLayout.aspx>.

Final Results of Sunset Review

Pursuant to sections 751(c)(1) and 752(c)(1) and (3) of the Act, Commerce
