Sodium Hexametaphosphate From the People’s Republic of China: Final Results of the Expedited Third Sunset Review of the Antidumping Duty Order

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The U.S. Department of Commerce (Commerce) finds that revocation of the antidumping duty (AD) order on Sodium Hexametaphosphate (SHMP) from the People’s Republic of China (China) would be likely to lead to continuation or recurrence of dumping at the levels indicated in the “Final Results of Sunset Review” section of this notice.

DATES: Applicable May 29, 2024.

Kabir Archuletta, AD/CVD Operations, Office V, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482–2593.

SUPPLEMENTARY INFORMATION:

Background

On March 19, 2008, Commerce published its AD order on SHMP from China.¹ On February 1, 2024, Commerce published the notice of initiation of the third five-year sunset review of the *Order*, pursuant to section 751(c) of the Tariff Act of 1930, as amended (the Act).² On February 15, 2024, Commerce received a notice of intent to participate in this review from ICL Specialty Products, Inc. and Innophos, Inc. (collectively, the petitioners) within the deadline specified in 19 CFR 351.218(d)(1)(i).³ The petitioners claimed interested party status under section 771(9)(C) of the Act as manufacturers of a domestic like product in the United States.

On March 1, 2024, the petitioners provided a complete substantive response for this review within the 30-day deadline specified in 19 CFR 351.218(d)(3)(i).⁴ We received no substantive responses from any other interested parties, nor was a hearing

requested. On March 22, 2024, Commerce notified the U.S. International Trade Commission that it did not receive an adequate substantive response from respondent interested parties.⁵ As a result, pursuant to section 751(c)(3)(B) of the Act and 19 CFR 351.218(e)(1)(ii)(C)(2), Commerce conducted an expedited (120-day) sunset review of this *Order*.

Scope of the Order

The merchandise subject to this *Order* is SHMP. It is imported under subheading 2835.39.5000 of the Harmonized Tariff Schedule of the United States (HTSUS). It may also be imported as a blend or mixture under subheading 3824.90.3900, HTSUS. The American Chemical Society, Chemical Abstract Service (CAS) has assigned the name “Polyphosphoric Acid, Sodium Salt” to SHMP. The CAS registry number is 68915–31–1. However, SHMP is commonly identified by CAS No. 10124–56–8 in the market. For purposes of the *Order*, the narrative description is dispositive, not the tariff heading, CAS registry number, or CAS name. For a complete description of the scope of the *Order*, see the Issues and Decision Memorandum.⁶

Analysis of Comments Received

All issues raised in this review, including the likelihood of continuation or recurrence of dumping in the event of revocation and the magnitude of the margins likely to prevail if the *Order* were revoked, are addressed in the accompanying Issues and Decision Memorandum. A list of topics discussed in the Issues and Decision Memorandum is included as an appendix to this notice. The Issues and Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance’s Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at <https://access.trade.gov>. In addition, a complete version of the Issues and Decision Memorandum can be accessed directly at <https://access.trade.gov/public/FRNoticesListLayout.aspx>.

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The U.S. Department of Commerce (Commerce) determines that certain paper shopping bags (paper bags) from Cambodia are being, or are likely to be, sold in the United States at less-than-fair value (LTFV). The period of investigation (POI) is April 1, 2022, through March 31, 2023.

DATES: Applicable May 29, 2024.

FOR FURTHER INFORMATION CONTACT: Charles Doss or Kyle Clahane, AD/CVD Operations, Office III, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482–4474 or (202) 482–1168, respectively.

SUPPLEMENTARY INFORMATION:

Background

On January 3, 2024, Commerce published in the **Federal Register** its preliminary affirmative determination in the LTFV investigation of paper bags from Cambodia, in which we also postponed the final determination until May 17, 2024.¹ We invited interested parties to comment on the *Preliminary Determination*.

A summary of the events that occurred since Commerce published the *Preliminary Determination*, as well as a full discussion of the issues raised by parties for this final determination, may be found in the Issues and Decision Memorandum.² The Issues and Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at <https://access.trade.gov>. In addition, a complete version of the Issues and Decision Memorandum can be accessed directly at <https://access.trade.gov/public/FRNoticesListLayout.aspx>.

Scope of the Investigation

The products covered by this investigation are paper bags from Cambodia. For a complete description of the scope of this investigation, see Appendix I.

¹ See *Certain Paper Shopping Bags from Cambodia: Preliminary Affirmative Determination of Sales at Less Than Fair Value, Preliminary Affirmative Determination of Critical Circumstances, in Part, Postponement of Final Determination, and Extension of Provisional Measures*, 89 FR 325 (January 3, 2024) (*Preliminary Determination*), and accompanying Preliminary Decision Memorandum (PDM).

² See Memorandum, "Decision Memorandum for the Final Affirmative Determination in the Less-Than-Fair-Value Investigation of Certain Paper Shopping Bags from Cambodia," dated concurrently with, and hereby adopted by, this notice (Issues and Decision Memorandum).

Scope Comments

During the course of this investigation, Commerce received scope comments from parties. Commerce issued a Preliminary Scope Decision Memorandum to address these comments and set aside a period of time for parties to address scope issues in scope-specific case and rebuttal briefs.³ We received comments from interested parties on the Preliminary Scope Decision Memorandum, which we addressed in the Final Scope Decision Memorandum.⁴ We made no changes to the scope of the investigation from the scope published in the *Preliminary Determination*, as noted in Appendix I to this notice.

Final Affirmative Determination of Critical Circumstances, in Part

We continue find that that critical circumstances do not exist with respect to imports of paper bags from Cambodia for Nice Packaging (Cambodia) Co., Ltd. (Nice), UUPak, and all other producers and exporters, but do exist with respect to imports of paper bags from Pan Pacific. For a full description of the methodology and results of Commerce's critical circumstances analysis, see the Issues and Decision Memorandum.

Verification

As provided in section 782(i) of the Tariff Act of 1930, as amended (the Act), we conducted verifications of the sales and cost information submitted by Nice Packaging (Cambodia) Co., Ltd. (Nice) for use in our final determination.⁵ In addition, Commerce was unable to conduct an on-site verification of the information relied upon in making its final determination with respect to UUPak Company Limited (UUPak). However, from February 21 through 22, 2024, we took additional steps, in lieu of an on-site verification to verify the information relied upon in making this final determination, in accordance with section 782(i) of the Act, by conducting virtual verification of UUPak.⁶
