In accordance with section 782(b) of the Act, any party submitting factual information in an AD/CVD proceeding must certify to the accuracy and completeness of that information. Parties must use the certification formats provided in 19 CFR 351.303(g). Commerce intends to reject factual submissions if the submitting party does not comply with applicable revised certification requirements.

Letters of Appearance and Administrative Protective Orders

Pursuant to 19 CFR 351.103(d), Commerce will maintain and make available a public service list for these proceedings. Parties wishing to participate in any of these five-year reviews must file letters of appearance as discussed at 19 CFR 351.103(d). To facilitate the timely preparation of the public service list, it is requested that those seeking recognition as interested parties to a proceeding submit an entry of appearance within 10 days of the publication of the Notice of Initiation. Because deadlines in Sunset Reviews can be very short, we urge interested parties who want access to proprietary information under administrative protective order (APO) to file an APO application immediately following publication in the **Federal Register** of this notice of initiation. Commerce's regulations on submission of proprietary information and eligibility to receive access to business proprietary information under APO can be found at 19 CFR 351.304–306. Note that Commerce has amended certain of its requirements pertaining to the service of documents in 19 CFR 351.303(f).¹

Information Required From Interested Parties

Domestic interested parties, as defined in sections 771(9)(C), (D), (E), (F), and (G) of the Act and 19 CFR 351.102(b), wishing to participate in a Sunset Review must respond not later than 15 days after the date of publication in the **Federal Register** of this notice of initiation by filing a notice of intent to participate. The required contents of the notice of intent to participate are set forth at 19 CFR 351.218(d)(1)(ii). In accordance with Commerce's regulations, if we do not

receive a notice of intent to participate from at least one domestic interested party by the 15-day deadline, Commerce will automatically revoke the order without further review.²

If we receive an order-specific notice of intent to participate from a domestic interested party, Commerce's regulations provide that *all parties* wishing to participate in a Sunset Review must file complete substantive responses not later than 30 days after the date of publication in the **Federal Register** of this notice of initiation. The required contents of a substantive response, on an order-specific basis, are set forth at 19 CFR 351.218(d)(3). Note that certain information requirements differ for respondent and domestic parties. Also, note that Commerce's information requirements are distinct from the ITC's information requirements. Consult Commerce's regulations for information regarding Commerce's conduct of Sunset Reviews. Consult Commerce's regulations at 19 CFR part 351 for definitions of terms and for other general information concerning antidumping and countervailing duty proceedings at Commerce.

This notice of initiation is being published in accordance with section 751(c) of the Act and 19 CFR 351.218(c).

SUPPLEMENTARY INFORMATION:

Background

On September 6, 2023, Commerce published in the **Federal Register** a notice of opportunity to request an administrative review of the CVD order on steel racks from China.¹ Commerce received a timely request for review of the order from the following exporters of subject merchandise: (1) Jiangsu JISE Intelligent Storage Equipment Co., Ltd. (Jiangsu JISE); (2) Jiangsu Nova Intelligent Logistics Equipment Co., Ltd (Jiangsu Nova); (3) Jiangsu Starshine Industry Equipment Co., Ltd. (Starshine); (4) Nanjing Dongsheng Shelf Manufacturing Co., Ltd. (Dongsheng); (5) Nanjing Ironstone Storage Equipment Co., Ltd. (Nanjing Ironstone); (6) Ningbo Xinguang Rack Co., Ltd. (Xinguang Rack); and (7) Xiamen Luckyroc Industry Co., Ltd. (Luckyroc).² We received no other requests for review. On November 15, 2023, Commerce published in the **Federal Register** a notice of initiation of an administrative review with respect to Dongsheng, Jiangsu JISE, Jiangsu Nova, Luckyroc, Nanjing Ironstone, Starshine, and Xinguang Rack, in accordance with section 751(a) of the Tariff Act of 1930, as amended (the Act).³ On December 13, 2023, Commerce placed U.S. Customs and Border Protection (CBP) entry data for U.S. imports of the subject merchandise during the POR on the record for respondent selection purposes.⁴

On January 10, 2024, Commerce selected Dongsheng as the sole mandatory respondent, having accounted for all suspended entries of

subject merchandise for all companies under review.⁵ Between January 30, 2024, and February 13, 2024, Dongsheng, Luckyroc, and Xinguang Rack timely withdrew their requests for administrative review.⁶ On March 18, 2024, Commerce notified all interested parties that in the absence of any suspended entries during the POR for Nanjing Ironstone, Jiangsu JISE, Starshine, and Jiangsu Nova, which are the only remaining companies subject to the instant administrative review, Commerce intended to rescind this review.⁷ Commerce provided all parties an opportunity to comment on CBP's findings.⁸ No parties submitted comments.

Rescission of Review

Pursuant to 19 CFR 351.213(d)(3), it is Commerce's practice to rescind an administrative review of a CVD order where it concludes that there were no reviewable entries of subject merchandise during the POR.⁹ Normally, upon completion of an administrative review, the suspended entries are liquidated at the CVD assessment rate for the review period.¹⁰ Therefore, for an administrative review to be conducted, there must be a reviewable, suspended entry that Commerce can instruct CBP to liquidate at the calculated CVD assessment rate for the review period.¹¹ As noted above, CBP data showed that there were no entries of subject merchandise during the POR with respect to Jiangsu JISE, Jiangsu Nova, Nanjing Ironstone, and Starshine, the companies remaining subject to this review. Accordingly, in the absence of reviewable, suspended entries of subject merchandise during the POR for any companies remaining under review and for which review requests have not been withdrawn, we are rescinding this administrative

Cash Deposit Requirements

As Commerce has proceeded to a final rescission of this administrative review, no cash deposit rates will change. Accordingly, the current cash deposit requirements shall remain in effect until further notice.

Assessment

Commerce will instruct CBP to assess countervailing duties on all appropriate entries. Notification Regarding Administrative Protective Order
