Abstract: The Attorney General is required by statute to “assure that any property transferred to a State or local law enforcement agency . . . will serve to encourage further cooperation between the recipient State or local agency and Federal law enforcement agencies.” 21 U.S.C. 881(e)(3). MLARS ensures such cooperation by requiring that all such “equitably shared” funds be used only for law enforcement purposes and not be distributed to other governmental agencies by the recipient law enforcement agencies. By requiring that law enforcement agencies that participate in the Equitable Sharing Program (Program) file an Equitable Sharing Agreement and Certification (ESAC), MLARS can readily ensure compliance with its statutory obligations.

The ESAC requires information regarding the receipt and expenditure of Program funds from the participating agency. Accordingly, it seeks

information that is exclusively in the hands of the participating agency and governing jurisdiction. This collection request is classified as a revision due to updated requirements incorporated in a revised version of the Guide to Equitable Sharing for State, Local, and Tribal Law Enforcement Agencies, in addition to format changes and deleting and relabeling some fields.
