## SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-100247; File No. SR-MEMX-2024-21]

### Self-Regulatory Organizations; MEMX LLC; Notice of Filing and Immediate Effectiveness of a Proposed Rule Change To Implement an Equity Rights Program

May 30, 2024.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (“Act”),<sup>1</sup> and Rule 19b-4 thereunder,<sup>2</sup> notice is hereby given that on May 22, 2024, MEMX LLC (“MEMX” or “Exchange”) filed with the Securities and Exchange Commission (“Commission”) the proposed rule change as described in Items I, II, and III below, which Items have been prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

#### I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

The Exchange is filing with the Commission a proposed rule change to implement an equity rights program (the “Warrants Program” or the “Jump Ball Program”) related to fees charged for the trading of options on the Exchange’s options platform (“MEMX Options”). The Exchange proposes to implement the changes to the Fee Schedule pursuant to this proposal immediately.

#### II. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set

forth in sections A, B, and C below, of the most significant aspects of such statements.

#### A. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

##### 1. Purpose

The Exchange proposes to implement the Warrants Program pursuant to which warrants representing the right to acquire equity in the Exchange’s parent holding company upon vesting would be issued to participants on MEMX Options who also participate in the Warrants Program (“Participants”), in exchange for payment of the initial prepayment fee (“Prepayment Fee”) and the achievement of certain liquidity volume thresholds on the Exchange’s options platform (“MEMX Options”) over a 24-month period (the “Term”). The Warrants Program commenced on May 1, 2024 (the “Effective Date”) and will end on May 1, 2026.<sup>3</sup> The purpose of the Warrants Program is to promote the long-term interests of MEMX by providing incentives designed to encourage MEMX market participants to contribute to the growth and success of MEMX Options via actively providing and taking liquidity on the MEMX Options market. Participants in the Warrants Program will be able to vest their warrants through the process described in the following paragraphs and consequently will have the opportunity to share in the benefits of MEMX’s increased enterprise value.

Participants who executed a Purchase Agreement and who provide a Prepayment Fee in the amount of \$500,000 in advance of April 30, 2024 (the “Commitment Deadline”) or such later date specified by the Exchange were issued a “ticket” indicating that the Participant has been accepted into the Warrants Program. Participants may purchase more than one ticket. The total number of tickets available for purchase is capped at 25 tickets. Upon making the Prepayment Fee corresponding to the number of tickets purchased, a Participant will be able to apply the Prepayment Fee to various fees for trading on MEMX Options, including

MEMX Options connectivity fees,<sup>4</sup> MEMX Options market data fees,<sup>5</sup> MEMX Options membership fees,<sup>6</sup> and MEMX Options transaction fees.<sup>7</sup> The Prepayment Fee does not expire and a Participant may apply the Prepayment Fee to any of the above listed fees at any time. A Participant will obtain 279,600 unvested warrants per ticket that will vest on an equalized basis each calendar month during the Term (each such calendar month during the Term of the Warrants Program, a “Measurement Period”) if such Participant satisfies certain volume commitments on MEMX Options, as described below.

Participants shall vest warrants on a pro-rata basis based upon meeting or outperforming volume commitments during each Measurement Period, as is discussed below. The volume commitments may be met by trading activity in any listed equity option or exchange-traded fund option on MEMX Options.<sup>8</sup> Participants that trade options which are not in the Penny Program<sup>9</sup> (such options, “Non-Penny” options) will receive double credit for such Non-Penny activity for purposes of calculating the Participant’s performance during the Measurement Period. Each vested warrant entitles a Participant to purchase equity ownership of one Nonvoting Common Unit<sup>10</sup> of Holdco at a particular strike price. Only vested warrants are eligible to be exercised, and un-vested warrants are not exercisable. The total equity ownership of Holdco Units, including any purchased through the exercise of vested warrants, shall be subject to the ownership limitations of the Seventh Amended and Restated Limited Liability Company Agreement of MEMX Holdings LLC, as amended (the “Holdco LLC Agreement”).<sup>11</sup>

<sup>8</sup> The Exchange does not currently list or trade index options.

<sup>9</sup> See Exchange Rule 21.5(d).

<sup>10</sup> “Nonvoting Common Units” is defined in Section 3.2(g)(iii) of the Seventh Amended and Restated Limited Liability Company Agreement of MEMX Holdings LLC.

<sup>11</sup> See, e.g., Section 3.5(a)(ii) of the Holdco LLC Agreement, which states that “[n]o Exchange Member, either alone or together with its Related Persons, may own, directly or indirectly, of record or beneficially, Units constituting more than twenty percent (20%) of any class of Units.”

<sup>3</sup> The Exchange initially filed the proposal to implement the Warrants Program on April 25, 2024 (SR-MEMX-2024-15) (the “Initial Proposal”). On May 10, 2024, the Exchange withdrew the Initial Proposal and replaced the proposal with SR-MEMX-2024-18 (the “Second Proposal”). The Exchange recently withdrew the Second Proposal and is replacing it with the current filing (SR-MEMX-2024-21).
