Forest Service

Proposed New Recreation Fee Sites

AGENCY: Forest Service, Agriculture (USDA).

ACTION: Notice.

SUMMARY: The National Forests in Alabama are proposing to establish several new recreation fee sites. Recreation fee revenues collected at the new recreation fee sites would be used for operation, maintenance, and improvement of the sites. An analysis of nearby recreation fee sites with similar amenities shows the recreation fees that would be charged at the new recreation fee sites are reasonable and typical of similar recreation fee sites in the area.

DATES: If approved, the new recreation fees would be implemented no earlier

than six months following the publication of this notice in the **Federal Register**.

ADDRESSES: National Forests in Alabama, 2946 Chestnut Street, Montgomery, Alabama 36107.

FOR FURTHER INFORMATION CONTACT: Daks Kennedy, Recreation Staff Officer, at (344) 241-4470 or by email at brian.kennedy@usda.gov.

SUPPLEMENTARY INFORMATION: The Federal Lands Recreation Enhancement Act (16 U.S.C. 6803(b)) requires the Forest Service to publish a six-month advance notice in the **Federal Register** of establishment of new recreation fee sites. In accordance with Forest Service Handbook 2309.13, chapter 30, the Forest Service will publish the proposed new recreation fee sites in local newspapers and other local publications for public comment. Most of the new recreation fee revenues would be spent where they are collected to enhance the visitor experience at the new recreation fee sites.

A standard amenity recreation fee of \$5 per day per vehicle would be charged at Natural Bridge Picnic Area developed recreation site. The America the Beautiful—the National Parks and Federal Recreational Lands Pass would be honored at these standard amenity recreation fee sites. A special recreation permit recreation fee of \$5 per person per day is proposed at the Conecuh Westside Shooting Range.

Expenditures from recreation fee revenues collected at the new recreation fee sites would enhance recreation opportunities, improve customer service, and address maintenance needs. Once public involvement is complete, these new recreation fees will be reviewed by a Resource Advisory Committee prior to a final decision and implementation.

Dated: June 3, 2024.

Jacqueline Emanuel,

Associate Deputy Chief, National Forest System.
