SUPPLEMENTARY INFORMATION: On June 15, 1984, OMB delegated to the Board authority under the Paperwork Reduction Act (PRA) to approve and assign OMB control numbers to collections of information conducted or sponsored by the Board. In exercising this delegated authority, the Board is directed to take every reasonable step to solicit comment. In determining whether to approve a collection of information, the Board will consider all comments received from the public and other agencies.

During the comment period for this proposal, a copy of the proposed PRA OMB submission, including the draft reporting form and instructions, supporting statement (which contains more detail about the information collection and burden estimates than this notice), and other documentation, will be made available on the Board's public website at <https://>

www.federalreserve.gov/apps/reportingforms/home/review or may be requested from the agency clearance officer, whose name appears above. Final versions of these documents will be made available at <https://www.reginfo.gov/public/do/PRAMain>, if approved.

Request for Comment on Information Collection Proposal

The Board invites public comment on the following information collection, which is being reviewed under authority delegated by the OMB under the PRA. Comments are invited on the following:

a. Whether the proposed collection of information is necessary for the proper performance of the Board's functions, including whether the information has practical utility;

b. The accuracy of the Board's estimate of the burden of the proposed information collection, including the validity of the methodology and assumptions used;

c. Ways to enhance the quality, utility, and clarity of the information to be collected;

d. Ways to minimize the burden of information collection on respondents, including through the use of automated collection techniques or other forms of information technology; and

e. Estimates of capital or startup costs and costs of operation, maintenance, and purchase of services to provide information.

At the end of the comment period, the comments and recommendations received will be analyzed to determine the extent to which the Board should modify the proposal.

Proposal Under OMB Delegated Authority To Extend for Three Years, Without Revision, the Following Information Collection

Collection title: Reporting, Recordkeeping, and Disclosure Requirements Associated with the CFPB's Home Mortgage Disclosure Act Loan/Application Register Required by Regulation C.

Collection identifier: FR HMDA LAR.
OMB control number: 7100-0247.

General description of collection: The Home Mortgage Disclosure Act (HMDA) was enacted in 1975 and is implemented by Regulation C. Generally, the HMDA requires certain depository and non-depository institutions that make certain mortgage loans to collect, report, and disclose data about originations and purchases of mortgage loans, as well as loan applications that do not result in

originations (for example, applications that are denied or withdrawn).

The FR HMDA LAR is the Board's information collection associated with the Consumer Financial Protection Bureau's (CFPB's) Regulation C. The FR HMDA LAR is used to (1) help determine whether financial institutions are serving the housing needs of their communities, (2) assist public officials in distributing public-sector investments so as to attract private investment to areas where it is needed, and (3) assist in identifying possible discriminatory lending patterns and enforcing anti-discrimination statutes.

Frequency: Quarterly and annually.

Respondents: Except those that are supervised by the CFPB: state member banks, their subsidiaries, subsidiaries of bank holding companies, subsidiaries of savings and loan holding companies, U.S. branches and agencies of foreign banks (other than federal branches, federal agencies, and insured state branches of foreign banks), commercial lending companies owned or controlled by foreign banks, and organizations operating under section 25 or 25A of the Federal Reserve Act (12 U.S.C. 601-604a; 611-631).

Total estimated number of respondents: 654.

Total estimated annual burden hours: 960,235.

SUPPLEMENTARY INFORMATION: On June 15, 1984, OMB delegated to the Board authority under the Paperwork Reduction Act (PRA) to approve and assign OMB control numbers to collections of information conducted or sponsored by the Board. In exercising this delegated authority, the Board is directed to take every reasonable step to solicit comment. In determining whether to approve a collection of information, the Board will consider all comments received from the public and other agencies.

During the comment period for this proposal, a copy of the proposed PRA OMB submission, including the draft reporting form and instructions, supporting statement (which contains more detail about the information collection and burden estimates than this notice), and other documentation, will be made available on the Board's public website at <https://www.federalreserve.gov/apps/reportingforms/home/review> or may be requested from the agency clearance officer, whose name appears above. Final versions of these documents will be made available at <https://www.reginfo.gov/public/do/PRAMain>, if approved.

Request for Comment on Information Collection Proposal

The Board invites public comment on the following information collection, which is being reviewed under authority delegated by the OMB under the PRA. Comments are invited on the following:

a. Whether the proposed collection of information is necessary for the proper performance of the Board's functions, including whether the information has practical utility;

b. The accuracy of the Board's estimate of the burden of the proposed information collection, including the validity of the methodology and assumptions used;

c. Ways to enhance the quality, utility, and clarity of the information to be collected;

d. Ways to minimize the burden of information collection on respondents, including through the use of automated collection techniques or other forms of information technology; and

e. Estimates of capital or startup costs and costs of operation, maintenance, and purchase of services to provide information.

At the end of the comment period, the comments and recommendations received will be analyzed to determine the extent to which the Board should modify the proposal.

Proposal Under OMB Delegated Authority To Extend for Three Years, With Revision, the Following Information Collection

Collection title: Financial Statements for Holding Companies.

Collection identifier: FR Y-9 reports.

OMB control number: 7100-0128.

General description of collection: The Board requires bank holding companies, most savings and loan holding companies, securities holding companies, and U.S. intermediate holding companies (collectively, HCs) to

provide standardized financial statements through one or more of the FR Y-9 reports. The information collected on the FR Y-9 reports is necessary for the Board to identify emerging financial risks and monitor the safety and soundness of HC operations.

The Consolidated Financial Statements for Holding Companies (FR Y-9C) consists of standardized financial statements for HCs similar to the Call Reports filed by commercial banks. The FR Y-9C collects consolidated data and is filed quarterly by top-tier HCs with total consolidated assets of \$3 billion or more.

The Parent Company Only Financial Statements for Large Holding Companies (FR Y-9LP), must be submitted quarterly by each HC that files the FR Y-9C, as well as by each of its subsidiary HCs. The report consists of standardized financial statements, including the following schedules: Income Statement, Cash Flow Statement, Balance Sheet, Investments in Subsidiaries and Associated Companies, Memoranda, and Notes to the Parent Company Only Financial Statements.

The Parent Company Only Financial Statements for Small Holding Companies (FR Y-9SP), is filed semiannually by HCs with total consolidated assets of less than \$3 billion. In a banking organization with total consolidated assets of less than \$3 billion that has tiered HCs, each HC in the organization must submit, or have the top-tier HC submit on its behalf, a separate FR Y-9SP. This report collects basic balance sheet and income data for the parent company, as well as data on its intangible assets and intercompany transactions.

The Financial Statements for Employee Stock Ownership Plan Holding Companies (FR Y-9ES) is filed annually by each employee stock ownership plan (ESOP) that is also an HC. The report collects financial data on the ESOP's benefit plan activities. The FR Y-9ES consists of four schedules: Statement of Changes in Net Assets Available for Benefits, Statement of Net Assets Available for Benefits, Memoranda, and Notes to the Financial Statements.

The instructions to each of the FR Y-9C, FR Y-9LP, FR Y-9SP, and FR Y-9ES state that respondent HCs should retain workpapers and other records used in the preparation of the reports for a period of three years following submission. In addition, HCs must maintain in their files a manually signed and attested printout of the data submitted under each form for a period of three years.

The Supplement to the Consolidated Financial Statements for Holding Companies (FR Y-9CS) is a voluntary, free-form supplemental report that the Board may utilize to collect critical additional data deemed to be needed from HCs in an expedited manner. The FR Y-9CS data collections are used to assess and monitor emerging issues related to HCs, and the report is intended to supplement the other FR Y-9 reports. The data requested by the FR Y-9CS would depend on the Board's data needs in any given situation. For example, changes made by the Financial Accounting Standards Board may introduce into generally accepted accounting principles new data items that are not currently collected by the other FR Y-9 reports. The Board could use the FR Y-9CS report to collect these data until the items are implemented into the other FR Y-9 reports.

Proposed revisions: The Board proposes to revise the FR Y-9C and FR Y-9LP to align with the definition of loan modifications to borrowers experiencing financial difficulty, as described in Accounting Standards Update 2022-02, "Financial Instruments—Credit Losses (Topic 326): Troubled Debt Restructurings and Vintage Disclosures". Additionally, the Board proposes to replace, as appropriate, references to "troubled debt restructurings" with "modifications to borrowers experiencing financial difficulty" in the FR Y-9C and FR Y-9LP. All of the proposed changes to the FR Y-9C and FR Y-9LP would take effect as of the December 31, 2024, report date. There are no proposed revisions at this time for the FR Y-9SP, FR Y-9ES, or FR Y-9CS.

The Board invites comment on this proposal and acknowledges that this proposal to report "loan modifications to borrowers experiencing financial difficulty" may diverge from the proposed changes to the Call Report.¹ Therefore, the Board is specifically interested in the following:

1. What challenges, if any, would HCs face if the FR Y-9C and FR Y-9LP reporting definitions were out of sync with the Call Report?

2. What challenges, if any, would HCs face if loan modifications to borrowers experiencing financial difficulty were reported on the FR Y-9C and FR Y-9LP using a 12-month lookback, and different lookback criteria were used on the Call Report? If the Call Report used different lookback criteria, would it be preferable for the FR Y-9C and FR Y-9LP to adopt the same definition?

Frequency: Quarterly, semiannual, annual, and as needed.

Respondents: HCs.

Total estimated number of respondents:

Reporting: FR Y-9C (non-advanced approaches holding companies with less than \$5 billion in total assets): 107; FR Y-9C (non-advanced approaches holding companies with \$5 billion or more in total assets): 236; FR Y-9C (advanced approaches holding companies): 9; FR Y-9LP: 411; FR Y-9SP: 3,596; FR Y-9ES: 73; FR Y-9CS: 236.

Recordkeeping: FR Y-9C: 352; FR Y-9LP: 411; FR Y-9SP: 3,596; FR Y-9ES: 73; FR Y-9CS: 236.

Estimated average hours per response:

Reporting: FR Y-9C (non-advanced approaches holding companies with less than \$5 billion in total assets): 35.34; FR Y-9C (non-advanced approaches holding companies with \$5 billion or more in total assets): 44.54; FR Y-9C (advanced approaches holding companies): 49.76; FR Y-9LP: 5.27; FR Y-9SP: 5.45; FR Y-9ES: 0.50; FR Y-9CS: 0.50.

Recordkeeping: FR Y-9C: 1; FR Y-9LP: 1; FR Y-9SP: 0.50; FR Y-9ES: 0.50; FR Y-9CS: 0.50.

Total estimated change in burden: 0.

Total estimated annual burden hours: 114,489.
