Determinations

The School for Advanced Research has determined that:

- The 11 items of cultural patrimony described in this notice have ongoing historical, traditional, or cultural importance central to the Native American group, including any

constituent sub-group (such as a band, clan, lineage, ceremonial society, or other subdivision), according to the Native American traditional knowledge of an Indian Tribe or Native Hawaiian organization.

- There is a reasonable connection between the cultural items described in this notice and the Pueblo of Acoma, New Mexico.

Requests for Repatriation

Additional, written requests for repatriation of the cultural items in this notice must be sent to the authorized representative identified in this notice under **ADDRESSES**. Requests for repatriation may be submitted by any lineal descendant, Indian Tribe, or Native Hawaiian organization not identified in this notice who shows, by a preponderance of the evidence, that the requestor is a lineal descendant or a culturally affiliated Indian Tribe or Native Hawaiian organization.

Repatriation of the cultural items in this notice to a requestor may occur on or after July 11, 2024. If competing requests for repatriation are received, the School for Advanced Research must determine the most appropriate requestor prior to repatriation. Requests for joint repatriation of the cultural items are considered a single request and not competing requests. The School for Advanced Research is responsible for sending a copy of this notice to the Indian Tribes and Native Hawaiian organizations identified in this notice and to any other consulting parties.

Notice of Inventory Completion: Los Rios Community College District, Sacramento, CA

AGENCY: National Park Service, Interior.

ACTION: Notice.

SUMMARY: In accordance with the Native American Graves Protection and Repatriation Act (NAGPRA), the Los Rios Community College District (LRCCD) has completed an inventory of associated funerary objects and has determined that there is a cultural affiliation between the associated funerary objects and Indian Tribes or Native Hawaiian organizations in this notice.

DATES: Repatriation of the associated funerary objects in this notice may occur on or after July 11, 2024.

ADDRESSES: Jamey Nye, Los Rios Community College District, 1919 Spanos Ct., Arden-Arcade, CA 95825, telephone (916) 568-3031, email nagpra@losrios.edu.

SUPPLEMENTARY INFORMATION: This notice is published as part of the National Park Service's administrative responsibilities under NAGPRA. The determinations in this notice are the sole responsibility of the LRCCD and additional information on the determinations in this notice, including the results of consultation, can be found in the inventory or related records. The National Park Service is not responsible for the determinations in this notice.

Abstract of Information Available

Based on the information available, associated funerary objects removed from the Bennett Mound or Bennett site (CA-SAC-16), Sacramento County, CA have been identified. The associated funerary objects were removed sometime in or around 1932 by Jeremiah B. Lillard. Between 1923 and 1940, Lillard was president of Sacramento Junior College, now named Sacramento City College, which is one of four campuses within LRCCD. As early as July 1981, the objects were located on the American River College campus, another campus within LRCCD. The five associated funerary objects are two stone charmstones, one stone projectile point, one bone awl, and one abalone ornament. LRCCD has no knowledge of any potentially hazardous substances being used to treat the associated funerary objects.

Cultural Affiliation

Based on the information available and the results of consultation, cultural affiliation is clearly identified by the information available about the associated funerary objects described in this notice.

Determinations

LRCCD has determined that:
