Agency Information Collection Activities: Proposed Collection; Comment Request

AGENCY: Centers for Medicare & Medicaid Services (CMS), Department of Health and Human Services.

ACTION: Notice of request for reinstatement of a previously approved information collection.

SUMMARY: On May 28, 2010, the Office of Management and Budget (OMB) issued Paperwork Reduction Act (PRA) guidance related to the "generic" clearance process. Generally, this is an expedited clearance process by which agencies may obtain OMB's approval of collection of information requests that are "usually voluntary, low-burden, and uncontroversial," do not raise any substantive or policy issues, and do not require policy or methodological review. The process requires the submission of an overarching plan that defines the scope of the individual collections that may be submitted under that umbrella. This notice is intended to advise the public of our intent to reinstate OMB's approval of our generic umbrella (CMS-10398, OMB control number 0938-1148) and all of the individual generic collection of information requests that fall under that umbrella. This notice also provides the public with general instructions for obtaining documents that are associated with such collections and for submitting comments.

DATES: Comments must be received by August 12, 2024.

ADDRESSES:

Submitting comments: When commenting, please reference the applicable collection's CMS ID number and/or the OMB control number (both numbers are listed below under the **SUPPLEMENTARY INFORMATION** caption). To be assured consideration, comments and recommendations must be submitted in any one of the following ways and by the applicable due date:

1. *Electronically.* We encourage you to submit comments through the Federal eRulemaking portal at the applicable web address listed below under the **SUPPLEMENTARY INFORMATION** caption under "Docket Information." If needed, instructions for submitting such comments can be found on that website.

2. *By regular mail.* Alternatively, you can submit written comments to the following address: CMS, Office of Strategic Operations and Regulatory Affairs (OSORA), Division of Regulations Development, Attention: CMS-10398/OMB 0938-1148, Room C4-26-05, 7500 Security Boulevard, Baltimore, MD 21244-1850.

Obtaining documents: To obtain copies of supporting statements and any related forms and supporting documents for the collections listed in this notice, we encourage you to access the Federal eRulemaking portal at the applicable web address listed below under the **SUPPLEMENTARY INFORMATION** caption under "Docket Information" and "Docket Web Address." If needed, follow the online instructions for accessing the applicable docket and the documents contained therein.

FOR FURTHER INFORMATION CONTACT: For general information contact William N. Parham at 410-786-4669. For policy related questions contact the individual listed below under the **SUPPLEMENTARY INFORMATION** caption under "Docket Information."

SUPPLEMENTARY INFORMATION: Under the PRA (44 U.S.C. 3501-3520), Federal agencies must obtain approval from OMB for each collection of information that they conduct or sponsor. The term "collection of information" is defined in 44 U.S.C. 3502(3) and 5 CFR 1320.3(c). Generally, it applies to voluntary and mandatory requirements that are related to any one or more of the following activities: the collection of information, the reporting of information, the disclose of information to a third-party, and/or recordkeeping.

While there are some exceptions (such as collections having non-substantive changes and collections requesting emergency approval) section

3506(c)(2)(A) of the PRA requires Federal agencies to publish a 60-day notice in the **Federal Register** and solicit comment on each of its proposed collections of information, including: new collections, extensions of existing collections, revisions of existing collections, and reinstatements of previously approved collections before submitting such collections to OMB for approval. To comply with this requirement, CMS is publishing this notice.

Interested parties are invited to submit comments regarding our burden estimates or any other aspect of the collection, including: the necessity and utility of the proposed information collection for the proper performance of our agency's functions; the accuracy of burden estimates; ways to enhance the quality, utility, and clarity of the information to be collected; and the use of automated collection techniques or other forms of information technology to minimize the information collection burden. See **DATES** and **ADDRESSES** for instructions for submitting comments.

While we will review all comments received, we may choose not to post off-topic or inappropriate comments. Otherwise, all comments will be posted without edit under the applicable docket number, including any personal information that the commenter provides. Our response to such comments will be posted at [reginfo.gov](https://www.reginfo.gov) under the applicable OMB control number.

Generic Umbrella for Medicaid and CHIP State Plan, Waiver, and Program Submissions

At this time, our collection is made up of the main umbrella (see collection number 1 in the following list) and fifty individual generic collections of information (see collection numbers 2 through 51 in the following list). Details such as the collection's requirements and burden estimates can be found in the collection's supporting statement and associated materials (see **ADDRESSES** for instructions for obtaining such documents).
