The Secretary of the Interior approved the FWS's petition. Therefore, the petition/application constitutes a withdrawal proposal of the Secretary of the Interior (43 CFR 2310.1-3(e)).

The use of a right-of-way, interagency agreement, or cooperative agreement would not provide adequate protection of the wildlife refuge.

No additional water rights are needed to fulfill the purpose of this new withdrawal.

There are no suitable alternative sites since these lands are located within the Arapaho NWR.

While you can ask us in your comment to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so.

Notice is hereby given that an opportunity for a public meeting is afforded in connection with the proposed withdrawal.
