

xix. Employment

The Census Bureau will use nutrition assistance data to improve surveys and census authorized by Title 13 of the U.S.C. The Census Bureau will evaluate the quality of the linked data to: improve efficiency and accuracy in our data collections; improve measures of population and economy; evaluate and improve data linking software and techniques; improve data quality and estimates; improve Census Bureau household survey coverage and gain a greater understanding of data quality collected in Census Bureau household surveys on program participation, household composition and income; and provide a basis for improving Census Bureau demographic and economic survey program participation questions.

The Census Bureau may provide tabulated data to the participating agencies that may use these tabulations for research related to and evaluation of state programs, such as rates of enrollment in and demographic characteristics of participants in state assistance programs.

Data sharing and analysis of linked files are solely for statistical purposes, not for program enforcement or the determination of individual benefits. All administrative records and third-party data are and will remain confidential, whether in their original form or when comingled or linked.

Frequency: On occasion.

Respondent's Obligation: Voluntary.

Legal Authority: 13 U.S.C. 6.

DEPARTMENT OF COMMERCE

National Oceanic and Atmospheric Administration

Agency Information Collection Activities; Submission to the Office of Management and Budget (OMB) for Review and Approval; Comment Request; List of Gear by Fisheries and Fishery Management Council

AGENCY: National Oceanic & Atmospheric Administration (NOAA), Commerce.

ACTION: Notice of information collection, request for comment.

SUMMARY: The Department of Commerce, in accordance with the Paperwork Reduction Act of 1995 (PRA), invites the general public and other Federal agencies to comment on proposed, and continuing information collections, which helps us assess the impact of our information collection requirements and minimize the public's reporting burden. The purpose of this notice is to allow for 60 days of public comment preceding submission of the collection to OMB.

DATES: To ensure consideration, comments regarding this proposed

information collection must be received on or before August 13, 2024.

ADDRESSES: Interested persons are invited to submit written comments to Adrienne Thomas, NOAA PRA Officer, at Adrienne.thomas@noaa.gov. Please reference OMB Control Number 0648–0346 in the subject line of your comments. Do not submit Confidential Business Information or otherwise sensitive or protected information.

FOR FURTHER INFORMATION CONTACT: Requests for additional information or specific questions related to collection activities should be directed to Chris Wright, Fishery Policy Analyst, NMFS, 1315 East West Hwy., Bldg. SSMC3, Silver Spring, MD 20910–3282, (301) 427–8570 or chris.wright@noaa.gov.

SUPPLEMENTARY INFORMATION:**I. Abstract**

This request is for an extension of a currently approved information collection by the NOAA's National Marine Fisheries Service, Office of Sustainable Fisheries. Under the provisions of the Magnuson-Stevens Fishery and Conservation and Management Act (Magnuson-Stevens Act) [16 U.S.C. 1801 *et seq.*], as amended by the Sustainable Fisheries Act [Pub. L. 104–297], the Secretary of Commerce (Secretary) is required to publish a list of all fisheries under authority of each Regional Fishery Management Council (Council) and all such fishing gear used in such fisheries (see section 305(a) of the Magnuson-Stevens Act). The list has been published and appears in 50 CFR 600.725(v). Any person wishing to use gear not on the list, or engage in a fishery not on the list, must provide the appropriate Council or the Secretary, in the case of Atlantic highly migratory species, with 90 days of advance notice. If the Secretary takes no action to prohibit such a fishery or use of such a gear, the person may proceed.

BILLING CODE 3510–22–P

DEPARTMENT OF COMMERCE

National Oceanic and Atmospheric Administration

Agency Information Collection Activities; Submission to the Office of Management and Budget (OMB) for Review and Approval; Comment Request; National Saltwater Angler Registry and State Exemption Program

The Department of Commerce will submit the following information collection request to the Office of Management and Budget (OMB) for review and clearance in accordance with the Paperwork Reduction Act of 1995, on or after the date of publication

of this notice. We invite the general public and other Federal agencies to comment on proposed, and continuing information collections, which helps us assess the impact of our information collection requirements and minimize the public's reporting burden. Public comments were previously requested via the **Federal Register** on March 8, 2024, during a 60-day comment period. This notice allows for an additional 30 days for public comments.

Agency: National Oceanic & Atmospheric Administration (NOAA), Commerce.

Title: National Saltwater Angler Registry and State Exemption Program.

OMB Control Number: 0648–0578.

Form Number(s): None.

Type of Request: Regular submission [extension of a current information collection].

Number of Respondents: 976.

Average Hours per Response: 0.05 hours.

Total Annual Burden Hours: 49.

Needs and Uses: This request is for the extension of a currently approved collection. The National Saltwater Angler Registry and State Exemption Program (Registry Program) was established to implement recommendations included in the review of national saltwater angling data collection programs conducted by the National Research Council (NRC) in 2005/2006, and the provisions of the Magnuson-Stevens Reauthorization Act, codified at Section 401(g) of the Magnuson-Stevens Fishery Conservation and Management Act (MSA), which require the Secretary of Commerce to commence improvements to recreational fisheries surveys, including establishing a national saltwater angler and for-hire vessel registry, by January 1, 2009. A final rule that includes regulatory measures to implement the Registry Program (RIN 0648–AW10) was adopted and codified in 50 CFR 600, Subpart P. The Registry Program collects identification and contact information from those anglers and for-hire vessels who are involved in recreational fishing in the United States Exclusive Economic Zone or for anadromous fish in any waters, unless the anglers or vessels are exempted from the registration requirement. Data collected includes—for anglers: Name, address, date of birth, telephone contact information and region(s) of the country in which they fish; for for-hire vessels: Owner and operator name, address, date of birth, telephone contact information, email address, vessel name and registration/documentation number and home port or primary operating area. This information is compiled into a

national and/or series of regional registries that is being used to support surveys of recreational anglers and for-hire vessels to develop estimates of recreational angling effort.

Affected Public: Individuals or households; Business or other for-profit organizations.

Frequency: Annual.

Respondent's Obligation: Mandatory.

Legal Authority: Magnuson-Stevens Fishery Conservation and Management Act (MSA) Section 401(g) and 50 CFR 600, Subpart P.
