

violation of the Regulations and to give notice to companies and individuals in the United States and abroad that they should avoid dealing with the Respondents, in connection with export and reexport transactions involving items subject to the Regulations and in connection with any other activity subject to the Regulations.

IV. Order

It is therefore ordered:

First, Turboshaft FZE, Q3–117 Saif Zone 9732, Sharjah, UAE; Treetops Aviation, Office #4801, Marina Pinnacle Tower, Dubai, UAE and #1575 New Agents Bldg., Cargo Village P.O. Box 62369, Dubai, UAE; Black Metal FZE, Q3–117 Saif Zone 9732, Sharjah, UAE; Timur Badr, Q3–117 Saif Zone 9732, Sharjah, UAE; and Elaine Balingit, Office #4802, Marina Pinnacle Tower, Dubai, UAE and Q3–117 Saif Zone 9732, Sharjah, UAE, when acting for or on their behalf, any successors or assigns, agents, or employees may not, directly or indirectly, participate in any way in any transaction involving any commodity, software or technology (hereinafter collectively referred to as “item”) exported or to be exported from the United States that is subject to the EAR, or in any other activity subject to the EAR including, but not limited to:

A. Applying for, obtaining, or using any license (except directly related to safety of flight), license exception, or export control document;

B. Carrying on negotiations concerning, or ordering, buying, receiving, using, selling, delivering, storing, disposing of, forwarding, transporting, financing, or otherwise servicing in any way, any transaction involving any item exported or to be exported from the United States that is subject to the EAR except directly related to safety of flight and authorized by BIS pursuant to section 764.3(a)(2) of the Regulations, or engaging in any other activity subject to the EAR except directly related to safety of flight and authorized by BIS pursuant to section 764.3(a)(2) of the Regulations; or

C. Benefitting in any way from any transaction involving any item exported or to be exported from the United States that is subject to the EAR, or from any other activity subject to the EAR except directly related to safety of flight and authorized by BIS pursuant to section 764.3(a)(2) of the Regulations.

Second, that no person may, directly or indirectly, do any of the following:

A. Export, reexport, or transfer (in-country) to or on behalf of the Respondents any item subject to the EAR except directly related to safety of

flight and authorized by BIS pursuant to section 764.3(a)(2) of the Regulations;

B. Take any action that facilitates the acquisition or attempted acquisition by the Respondents of the ownership, possession, or control of any item subject to the EAR that has been or will be exported from the United States, including financing or other support activities related to a transaction whereby the Respondents acquires or attempts to acquire such ownership, possession or control except directly related to safety of flight and authorized by BIS pursuant to section 764.3(a)(2) of the Regulations;

C. Take any action to acquire from or to facilitate the acquisition or attempted acquisition from the Respondents of any item subject to the EAR that has been exported from the United States except directly related to safety of flight and authorized by BIS pursuant to section 764.3(a)(2) of the Regulations;

D. Obtain from the Respondents in the United States any item subject to the EAR with knowledge or reason to know that the item will be, or is intended to be, exported from the United States except directly related to safety of flight and authorized by BIS pursuant to section 764.3(a)(2) of the Regulations; or

E. Engage in any transaction to service any item subject to the EAR that has been or will be exported from the United States and which is owned, possessed or controlled by the Respondents, or service any item, of whatever origin, that is owned, possessed or controlled by the Respondents if such service involves the use of any item subject to the EAR that has been or will be exported from the United States except directly related to safety of flight and authorized by BIS pursuant to section 764.3(a)(2) of the Regulations. For purposes of this paragraph, servicing means installation, maintenance, repair, modification, or testing.

Third, that, after notice and opportunity for comment as provided in section 766.23 of the EAR, any other person, firm, corporation, or business organization related to Respondents by ownership, control, position of responsibility, affiliation, or other connection in the conduct of trade or business may also be made subject to the provisions of this Order.

In accordance with the provisions of sections 766.24(e) of the EAR, the Respondents may, at any time, appeal this Order by filing a full written statement in support of the appeal with the Office of the Administrative Law Judge, U.S. Coast Guard ALJ Docketing Center, 40 South Gay Street, Baltimore, Maryland 21202–4022.

In accordance with the provisions of section 766.24(d) of the EAR, BIS may seek renewal of this Order by filing a written request not later than 20 days before the expiration date. A renewal request may be opposed by the Respondents as provided in section 766.24(d), by filing a written submission with the Assistant Secretary of Commerce for Export Enforcement, which must be received not later than seven days before the expiration date of the Order.

A copy of this Order shall be provided to the Respondents and shall be published in the **Federal Register**.

This Order is effective immediately and shall remain in effect for 180 days.

Matthew S. Axelrod,

Assistant Secretary of Commerce for Export Enforcement.

BILLING CODE 3510-DT-P

DEPARTMENT OF COMMERCE

International Trade Administration

Announcement of Approved International Trade Administration Trade Mission

AGENCY: International Trade Administration, Department of Commerce.

SUMMARY: The United States Department of Commerce, International Trade Administration (ITA), is announcing one upcoming trade mission that will be recruited, organized, and implemented by ITA. This mission is: Design and Construction Business Development Mission to Hong Kong, Taipei, and Ho Chi Minh City—October 28—November 1, 2024.

A summary of the mission is found below. Application information and more detailed mission information, including the commercial setting and sector information, can be found at the trade mission website: <https://www.trade.gov/trade-missions>. For this mission, recruitment will be conducted in an open and public manner, including publication in the **Federal Register**, posting on the Commerce Department trade mission calendar (<https://www.trade.gov/trade-missions-schedule>) and other internet websites, press releases to general and trade media, direct mail, broadcast fax, notices by industry trade associations and other multiplier groups, and publicity at industry meetings, symposia, conferences, and trade shows.

FOR FURTHER INFORMATION CONTACT: Jeffrey Odum, Trade Events Task Force, International Trade Administration,

U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone (202) 482-6397 or email Jeffrey.Odum@trade.gov.

SUPPLEMENTARY INFORMATION:

The Following Conditions for Participation Will Be Used for the Mission

Applicants must submit a completed and signed mission application and supplemental application materials, including adequate information on their products and/or services, primary market objectives, and goals for participation that is adequate to allow the Department of Commerce to evaluate their application. If the Department of Commerce receives an incomplete application, the Department may either: reject the application, request additional information/clarification, or take the lack of information into account when evaluating the application. If the requisite minimum number of participants is not selected for a particular mission by the recruitment deadline, the mission may be canceled.

Each applicant must also certify that the products and services it seeks to export through the mission are either produced in the United States, or, if not, are marketed under the name of a U.S. firm and have at least fifty-one percent U.S. content by value. In the case of a trade association or organization, the applicant must certify that, for each firm or service provider to be represented by the association/organization, the products and/or services the represented firm or service provider seeks to export are either produced in the United States or, if not, marketed under the name of a U.S. firm and have at least 51% U.S. content by value.

A trade association/organization applicant must certify to the above for all of the companies it seeks to represent on the mission.

In addition, each applicant must:

- Certify that the products and services that it wishes to market through the mission would be in compliance with U.S. export controls and regulations;
- Certify that it has identified any matter pending before any bureau or office in the Department of Commerce;
- Certify that it has identified any pending litigation (including any administrative proceedings) to which it is a party that involves the Department of Commerce; and
- Sign and submit an agreement that it and its affiliates (1) have not and will

not engage in the bribery of foreign officials in connection with a company's/participant's involvement in this mission, and (2) maintain and enforce a policy that prohibits the bribery of foreign officials.

In the case of a trade association/organization, the applicant must certify that each firm or service provider to be represented by the association/organization can make the above certifications.

The Following Selection Criteria Will Be Used for the Mission

Targeted mission participants are U.S. firms, services providers, and trade associations/organizations providing or promoting U.S. products and services that have an interest in entering or expanding their business in the mission's destination country. The following criteria will be evaluated in selecting participants:

- Suitability of the applicant's (or in the case of a trade association/organization, represented firm's or service provider's) products or services to these markets;
- The applicant's (or in the case of a trade association/organization, represented firm's or service provider's) potential for business in the markets, including the likelihood of exports resulting from the mission; and
- Consistency of the applicant's (or in the case of a trade association/organization, represented firm's or service provider's) goals and objectives with the stated scope of the mission.

Balance of company size and location may also be considered during the review process. Referrals from a political party or partisan political group or any information, including on the application, containing references to political contributions or other partisan political activities will be excluded from the application and will not be considered during the selection process. The sender will be notified of these exclusions.

Definition of Small- and Medium-Sized Enterprise

For purposes of assessing participation fees, an applicant is a small or medium-sized enterprise (SME) if it qualifies as a "small business" under the Small Business Administration's (SBA) size standards (<https://www.sba.gov/document/support-table-size-standards>), which vary by North American Industry Classification System (NAICS) Code. The SBA Size Standards Tool (<https://>

www.sba.gov/size-standards) can help you determine the qualifications that apply to your company.

Mission List: (additional information about trade missions can be found at <https://www.trade.gov/trade-missions>).

Design and Construction Business Development Mission to Hong Kong, Taipei, and Ho Chi Minh City—October 28–November 1, 2024

Summary

The United States Department of Commerce, International Trade Administration (ITA), is organizing a Design & Construction Business Development Mission (D&C BDM) to Hong Kong, Taipei and Ho Chi Minh from October 28 through November 1, 2024. The objective of this mission is to advance U.S. national interests and focus on meeting demand for U.S. design and construction solutions for East and Southeast Asian markets.

The business development mission will bring 10–15 U.S. companies to Hong Kong, Taipei, and Ho Chi Minh City to meet with officials and potential buyers. The business development mission will focus on design and construction industry subsectors including safety; sustainable materials; retrofitting and refurbishment; construction robotics; automation; digitalization; modular integrated construction (MiC); recycling; sustainable design and materials; and environmental and green building technologies. Hong Kong, Taiwan, and Vietnam have commitments to reach carbon neutrality by 2050 and experience shortages of construction workers, causing delays, accidents, and cost inflation.

ITA will organize a tailored program for U.S. companies exploring opportunities in all three markets and will leverage our strong connections with local partners to lead discussions on trade, financing, and technical aspects of doing business in these three Asian markets.

Mission participants will develop business prospects through ITA-hosted networking events, vetted business-to-business matchmaking meetings, roundtable discussions with U.S. and foreign government and industry leaders, product presentations, and site visits.

Mission participants will receive assistance to secure meetings, gain greater exposure to Asian markets, and benefit from the guidance and insights of ITA's commercial teams.

PROPOSED TIMETABLE

[* **Note:** The final schedule and potential site visits will depend on the availability of host government and business officials, specific goals of mission participants, and ground transportation.]

Sunday, October 27, 2024; Hong Kong	<ul style="list-style-type: none"> • Trade Mission Participants Arrive in Hong Kong. • U.S. Consulate Market Briefing. • Meetings with the Hong Kong Green Building Council, the Business Environment Council, the Construction Industry Council, the American Institute of Architects, the Urban Land Institute. • Evening Reception.
Monday, October 28, 2024; Hong Kong	
Tuesday, October 29, 2024; Hong Kong	<ul style="list-style-type: none"> • One-on-one business matchmaking. • Site visit to a construction project • Travel to Taipei, Taiwan
Wednesday, October 30, 2024; Taipei	
Thursday, October 31, 2024; Taipei	<ul style="list-style-type: none"> • Country briefing at the American Institute in Taiwan. • Meetings with the National Association of Architects, Architecture Association of the R.O.C., and The American Society of Heating, Refrigerating, and Air-Conditioning Engineers (ASHRAE). • Evening Reception.
Friday, November 1, 2024; Ho Chi Minh City	

Participation Requirements

All parties interested in participating in the trade mission must complete and submit an application package for consideration by the Department of Commerce. All applicants will be evaluated on their ability to meet certain conditions and best satisfy the selection criteria as outlined below. A minimum of 10 and a maximum of 15 firms and/or trade associations will be selected to participate in the mission from the applicant pool.

Fees and Expenses

After a firm or trade association has been selected to participate in the mission, a payment to the Department of Commerce in the form of a participation fee is required. The participation fee for the Business Development Mission will be \$3,800.00 for small or medium-sized enterprises (SME)1; and \$5,500.00 for large firms or trade associations. The fee for each additional firm representative (large firm or SME/trade organization) is \$1000.00. Expenses for travel, lodging, meals, and incidentals will be the responsibility of each mission participant. Interpreter and driver services can be arranged for additional cost. Delegation members will be able to take advantage of U.S. Embassy rates for hotel rooms.

If and when an applicant is selected to participate in a particular mission, a payment to the Department of Commerce in the amount of the designated participation fee below is required. Upon notification of

acceptance to participate, those selected have 5 business days to submit payment or the acceptance may be revoked.

Participants selected for a trade mission will be expected to pay for the cost of personal expenses, including, but not limited to, international travel, lodging, meals, transportation, communication, and incidentals, unless otherwise noted. Participants will, however, be able to take advantage of U.S. Government rates for hotel rooms. In the event that a mission is canceled, no personal expenses paid in anticipation of a mission will be reimbursed. However, participation fees for a canceled mission will be reimbursed to the extent they have not already been expended in anticipation of the mission.

If a visa is required to travel on a particular mission, applying for and obtaining such a visa will be the responsibility of the mission participant. Government fees and processing expenses to obtain such a visa are not included in the participation fee. However, the Department of Commerce will provide instructions to each participant on the procedures required to obtain business visas.

Trade Mission members participate in trade missions and undertake mission-related travel at their own risk. The nature of the security situation in a given foreign market at a given time cannot be guaranteed. The U.S. Government does not make any representations or guarantees as to the

safety or security of participants. The U.S. Department of State issues U.S. Government international travel alerts and warnings for U.S. citizens available at <https://travel.state.gov/content/passports/en/alertswarnings.html>. Any question regarding insurance coverage must be resolved by the participant and its insurer of choice.

Travel and in-person activities are contingent upon the safety and health conditions in the United States and the mission countries. Should safety or health conditions not be appropriate for travel and/or in-person activities, the Department will consider postponing the event or offering a virtual program in lieu of an in-person agenda. In the event of a postponement, the Department will notify the public, and applicants previously selected to participate in this mission will need to confirm their availability but need not reapply. Should the decision be made to organize a virtual program, the Department will adjust fees, accordingly, prepare an agenda for virtual activities, and notify the previous selected applicants with the option to opt-in to the new virtual program.

Timeframe for Recruitment and Applications

Mission recruitment will be conducted in an open and public manner, including publication in the **Federal Register**, posting on the Commerce Department trade mission calendar (<http://export.gov/>

trademissions) and other internet websites, press releases to general and trade media, direct mail, notices by industry trade associations and other multiplier groups, and publicity at industry meetings, symposia, conferences, and trade shows. Recruitment for the mission will begin immediately and conclude no later than July 31, 2024. The U.S. Department of Commerce will review applications and inform applicants of selection decisions on a rolling basis. Applications received after July 31, 2024, will be considered only if space and scheduling constraints permit.

International Trade Administration

The Regents of the University of Michigan, et al.; Notice of Decision on Application for Duty-Free Entry of Scientific Instruments

This is a decision pursuant to section 6(c) of the Educational, Scientific, and Cultural Materials Importation Act of 1966 (Pub. L. 89-651, as amended by Pub. L. 106-36; 80 Stat. 897; 15 CFR part 301). On April 20, 2024, the Department of Commerce published a notice in the **Federal Register** requesting public comment on whether instruments of equivalent scientific value, for the purposes for which the instruments identified in the docket(s) below are intended to be used, are being manufactured in the United States. See *Application(s) for Duty-Free Entry of Scientific Instruments*, 89 FR 31723-24,

April 25, 2024 (*Notice*). We received no public comments.

Comments: None received. Decision: Approved. We know of no instrument of equivalent scientific value to the foreign instrument described below, for such purposes as this is intended to be used, that was being manufactured in the United States at the time of order.

Docket Number: 24-009. Applicant: The Regents of the University of Michigan, 5082 Wolverine Tower, 3003 South State Street, Ann Arbor, MI 48109-1287. Instrument: Formula Student Motor and Motor Controllers. Manufacturer: AMK Motion GmbH + CoKG, Germany. Intended Use: The instrument is intended to be used to teach current engineering students at the University of Michigan about vehicle integration, design, and dynamics. This is taught to students through participation in the national wide intercollegiate Formula SAE competitions. This motor is a critical component in the electric powertrain of the vehicle as each motor will independently control each wheel of the car. These specific motors from AMK allow our team to learn the fundamentals of such a process without having to design and manufacture our motors and motor controllers, which is a far more expensive, time-consuming, and knowledge-heavy process.

Dated: June 11, 2024.

Gregory W. Campbell,

Director, Subsidies and Economic Analysis, Enforcement and Compliance.

DEPARTMENT OF COMMERCE

National Oceanic and Atmospheric Administration

Agency Information Collection Activities; Submission to the Office of Management and Budget (OMB) for Review and Approval; Comment Request: Atlantic Mackerel, Squid, and Butterfish Amendment 14 Data Collection

AGENCY: National Oceanic and Atmospheric Administration (NOAA), Commerce.

ACTION: Notice of information collection, request for comment.

SUMMARY: The Department of Commerce, in accordance with the Paperwork Reduction Act of 1995 (PRA), invites the general public and other Federal Agencies to comment on proposed, and continuing information collections, which helps us assess the

impact of our information collection requirements and minimize the public's reporting burden. The purpose of this notice is to allow for 60 days of public comment preceding submission of the collection to OMB.

DATES: To ensure consideration, comments regarding this proposed information collection must be received on or before August 16, 2024.

ADDRESSES: Interested person are invited to submit written comment to Adrienne Thomas, NOAA PRA Officer, at NOAA.PRA@noaa.gov. Please reference OMB Control Number 0648-0679 in the subject line of your comments. All comments received are part of the public record and will generally be posted on <http://www.regulations.gov> without change. Do not submit Confidential Business Information or otherwise sensitive or protected information.

FOR FURTHER INFORMATION CONTACT:

Requests for additional information or specific questions related to collection activities should be directed to Maria Fenton, Fishery Policy Analyst, 55 Great Republic Drive, Gloucester, MA 01930, (978) 281-9196, or maria.fenton@noaa.gov.

SUPPLEMENTARY INFORMATION:

I. Abstract

This is a request for renewal of an approved information collection. Under the Magnuson-Stevens Fishery Conservation and Management Act, the Secretary of Commerce has the responsibility for the conservation and management of marine fishery resources. Much of this responsibility has been delegated to the NOAA's National Marine Fisheries Service (NMFS). Under this stewardship role, the Secretary was given certain regulatory authorities to ensure the most beneficial uses of these resources. One of the regulatory steps taken to care out the conservation and management objectives is to collect information from users of the resources.

This collection requires limited access mackerel and longfin squid/butterfish moratorium permit holders to bring all catch aboard the vessel and make it available for sampling by an observer. If a catch is not made available to an observer before discard, that catch is defined as slippage, and the vessel operator must complete a "Released Catch Affidavit" form within 48 hours of the end of the fishing trip which details why catch was slipped, estimates the quantity and species composition of the slipped catch, and records the time and location of the slipped catch.
