SUPPLEMENTARY INFORMATION:

A. Purpose

This information collection requirement, OMB Control No. 3090–0293, currently titled “Reporting and Use of Information Concerning Integrity and Performance of Recipients of Grants and Cooperative Agreements” is necessary in order to comply with section 872 of the Duncan Hunter National Defense Authorization Act of

2009, Public Law 110–417, as amended by Public Law 111–212, hereafter referred to as “the Act.” The Duncan Hunter National Defense Authorization Act of 2009 (Pub. L. 110–417) was enacted on October 14, 2008. Section 872 of this Act required the development and maintenance of an information system that contains specific information on the integrity and performance of covered Federal agency contractors and grantees.

The Federal Awardee Performance and Integrity Information System (FAPIS) was developed to address these requirements and has been superseded by the System for Award Management (SAM) at *SAM.gov*. SAM provides users access to integrity information from the FAPIS reporting module in the Contractor Performance Assessment Reporting System (CPARS), proceedings information from the Entity Management section of the SAM database, and suspension/debarment information from the Exclusions section of SAM.

As required by 2 CFR part 200 Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards, effective January 1, 2016, Federal agencies are required to review and consider any information about the applicant that is in SAM before making any award in excess of the simplified acquisition threshold, defined in 41 U.S.C. 134, over the period of performance.

Non-Federal entities (NFEs) are required to disclose any information about criminal, civil, and administrative proceedings, and/or affirm that there is no new information to provide. This applies to NFEs that receive Federal awards (currently active grants, cooperative agreements, and procurement contracts), as required by 45 CFR part 75, Appendix XII, of the Uniform Guidance, for any period of time during the period of performance of an award/project.

DEPARTMENT OF HEALTH AND HUMAN SERVICES

Administration for Children and Families

Proposed Information Collection Activity; Legal and Advocacy Services for Unaccompanied Children (Office of Management and Budget #0970–0565)

AGENCY: Office of Refugee Resettlement, Administration for Children and Families, Department of Health and Human Services.

ACTION: Request for public comments.

SUMMARY: The Office of Refugee Resettlement (ORR), Administration for Children and Families (ACF), U.S. Department of Health and Human Services is inviting public comment on revisions to an approved information collection. The request consists of several forms that allow the Unaccompanied Children (UC) Program to provide legal and advocacy services to unaccompanied children.

DATES: *Comments due* August 19, 2024. In compliance with the requirements of the Paperwork Reduction Act of 1995 (PRA), ACF is soliciting public comment on the specific aspects of the information collection described above.

ADDRESSES: You can obtain copies of the proposed collection of information and submit comments by emailing *infocollection@acf.hhs.gov*. Identify all

requests by the title of the information collection.

SUPPLEMENTARY INFORMATION:

Description: This request is to remove two forms from this collection, add two new forms, move one form from a different information collection into this collection (with revisions), and revise three existing forms in this collection. ORR also proposes retitling this information collection “Legal and Advocacy Services for Unaccompanied Children.”

Discontinued Forms

ORR plans to remove the following forms from this information collection:

- *Motion for Change of Venue (Form L–7):* This instrument was created for the UC Path case management system and was intended to be used for filing a motion for change of venue for children transferring to a different ORR care provider program. However, the UC Path system was never implemented, and this form has never been used. In addition, this function is performed by an entity that is party to the proceedings, typically the child’s legal representative or Immigration and Customs Enforcement, because the decision to file a change of venue may affect the child’s immigration case. A change of venue is filed for cases where a Notice to Appear has been filed. Since neither ORR nor its care provider programs perform this function, the form is not needed.

- *Post Legal Status Plan (Form L–8):* The information collected in this form was incorporated into the Legal Services Plan section of the Category 4 Discharge Plan (Form R–9, currently approved under OMB #0970–0552). Therefore, ORR plans to discontinue this form.

New Forms

ORR plans to add the following new forms to this information collection:

- *Case Status Summary for Executive Office for Immigration Review (Form L–9):* This form is completed by the Federal Field Specialist (FFS) or care provider and sent to the Executive Office for Immigration Review (EOIR) in advance of a child’s immigration hearing. The form provides basic information needed to ensure that EOIR has accurate information on the child’s case status. A copy of the form is also shared with the child’s legal service provider or attorney of record and child advocate (if applicable).

- *Recommended States List (Form L–11):* This form is completed by legal service providers for children without viable sponsorship options or where the child is expected to remain in ORR custody for 3 or more months. The form
