Overview of This Information Collection

1. *Type of Information Collection:* Revision and Extension of a previously approved collection.

2. *Title of the Form/Collection:* OCAHO E-Filing Portal.

3. *Agency form number, if any, and the applicable component of the Department of Justice sponsoring the collection:* EOIR does not maintain an agency-specific form number for this collection.

4. *Affected public who will be asked or required to respond, as well as a brief*

abstract: Individuals and households. The obligation to respond is voluntary.

Abstract: In order to improve the efficient adjudication of OCAHO cases and reduce the printing, copying, and mailing costs (for both OCAHO and the public) associated with OCAHO cases, OCAHO began developing a web-based electronic case management system in 2018 and continues to develop a web-based electronic filing portal (OCAHO E-Filing Portal) for this system. The OCAHO E-Filing Portal will allow parties to OCAHO cases to file complaints electronically, request electronic access to a case to which they are a party, file motions and requests electronically, and receive service of orders and decisions from OCAHO by email. EOIR obtained initial PRA clearance for this information collection in 2021. The OCAHO E-Filing Portal has never been made available to the public because it is connected to an internal electronic case management system that is still under development. Since initial clearance in 2021, and in tandem with developments to the OCAHO case management system, EOIR has made several changes to the OCAHO E-Filing Portal: EOIR removed data fields determined to be unnecessary for the adjudication of OCAHO cases; EOIR added comment fields to various parts of the Portal for parties to OCAHO proceedings to provide information relevant to proceedings and not otherwise captured by other fields in this information collection; EOIR reordered Portal contents and form fields, and added instructions throughout the Portal, to enhance clarity and user navigation within the Portal; and EOIR added capabilities to enable form fields to auto-populate in the Portal upon upload of a completed PDF version of the EOIR-58, Unfair Immigration-Related Employment Practices Complaint Form (OMB#1125-0016), and the EOIR-30, OCAHO Subpoena Form. EOIR intends these enhancements to reduce costs and resources required during the course of OCAHO proceedings and ensure that only authorized parties and their representatives will have access to information and documents pertaining to their specific cases.

5. *Obligation to Respond:* Optional and voluntary.

6. *Total Estimated Number of Respondents:* 55.

7. *Estimated Time per Respondent:* 10 minutes.

8. *Frequency:* Once annually.

9. *Total Estimated Annual Time Burden:* 9.35 hours.

10. *Total Estimated Annual Other Costs Burden:* \$736.22.

If additional information is required, contact: Darwin Arceo, Department Clearance Officer, Policy and Planning Staff, Justice Management Division, United States Department of Justice, Two Constitution Square, 145 N Street NE, 4W-218 Washington, DC 20530.

I. Background

The mission of the Veterans' Employment and Training Service (VETS) at DOL¹ is to prepare America's veterans,² service members, and military spouses for meaningful careers, provide them with employment resources and expertise, protect their employment rights, and promote their employment opportunities. VETS' mission is accomplished through two grant programs: the Jobs for Veterans State Grants (JVSG)³ and Homeless Veterans' Reintegration Program (HVRP),⁴ as well as through the Transition Assistance Program (TAP),⁵ the Employment Navigator & Partnership Program (ENPP),⁶ and the Uniformed Services Employment and Reemployment Rights Act (USERRA).⁷

The JVSG provides federal funding, through a formula grant, to 54 State Workforce Agencies to hire dedicated staff to provide individualized career and training-related services to veterans and eligible persons with significant barriers to employment and to assist employers fill their workforce needs with job-seeking veterans. The HVRP, through a competitive grant, provides services to assist in reintegrating homeless veterans into meaningful employment within the labor force and to stimulate the development of effective service delivery systems that address the complex problems facing homeless veterans.

TAP is a cooperative interagency effort including DOL and the Departments of Defense, Education, Homeland Security, and Veterans Affairs; and the Small Business Administration and the Office of Personnel Management. TAP provides information, tools, and training to ensure service members and their spouses are prepared for the next step in civilian life. The ENPP provides one-on-one career assistance to interested TSMs⁸ and their spouses at select military installations worldwide. Provided outside of the formal DOL
