

defined in 32 CFR 170.17 and 170.18 respectively.

The CMMC Level 2 certification assessment process is conducted by Certified Assessors, employed by CMMC Third-Party Assessment Organizations (C3PAOs). During the assessment process, Organizations Seeking Certification's hire C3PAOs to conduct the third-party assessment required for certification. The CMMC Certified Assessors upload assessment data: pre-assessment and planning material (date and level of the assessment; C3PAO name and unique identifier; name and business contact information for each Assessor; all industry CAGE codes associated with the information systems addressed by the CMMC Assessment Scope; name, date, and version of the system security plan (SSP); the Title 32 program rule (32 CFR part 170)), final assessment reports (assessment result for each requirement objective; POA&M usage and compliance, as applicable; and list of artifact names, the return values of the hashing algorithm, and the hashing algorithm used), and appropriate CMMC certificates of assessment (certification date, as applicable) into the CMMC instantiation of eMASS.

The CMMC Level 3 certification assessment process is conducted by the Defense Contract Management Agency (DCMA) Defense Industrial Base Cybersecurity Assessment Center (DIBCAC). DCMA DIBCAC assessors upload assessment data: pre-assessment and planning material (date and level of the assessment; name and business contact information for each Assessor; all industry CAGE codes associated with the information systems addressed by the CMMC Assessment Scope; name, date, and version of the system security plan (SSP); the Title 32 program rule (32 CFR part 170)), final assessment reports (assessment result for each requirement objective; POA&M usage and compliance, as applicable; and list of artifact names, the return values of the hashing algorithm, and the hashing algorithm used), and appropriate CMMC certificates of assessment (certification date, as applicable) into the CMMC instantiation of eMASS.

The Accreditation Body provides the CMMC Program Management Office with current data on C3PAOs and Assessors, including authorization and accreditation records and status using the CMMC instantiation of eMASS.
